[57] CLAIM

The ornamental design for a board game, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view illustrating a board game showing my new design; and, FIG. 2 is a right side elevational view thereof; the left side elevational view is a mirror image of the right side elevational view; the front and rear side elevational views are identical to the right side elevational view. The bottom of the board game forms no part of the claimed design.
