FIG. 1 is a front side elevational view of a golf putter grip showing our new design;
FIG. 2 is an enlarged top plan view thereof;
FIG. 3 is a right side elevational view thereof;
FIG. 4 is a left side elevational view thereof; and,
FIG. 5 is a rear view thereof.

The broken line showing of a fragmented shaft and club head is for illustrative purposes only and forms no part of the claimed design.

The incomplete showing of the pebbled surface is standard drafting practice and is considered to be completed throughout the length of the grip.
