[57] **CLAIM**

The ornamental design for a twine winder, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the top and right side of a twine winder showing my new design;

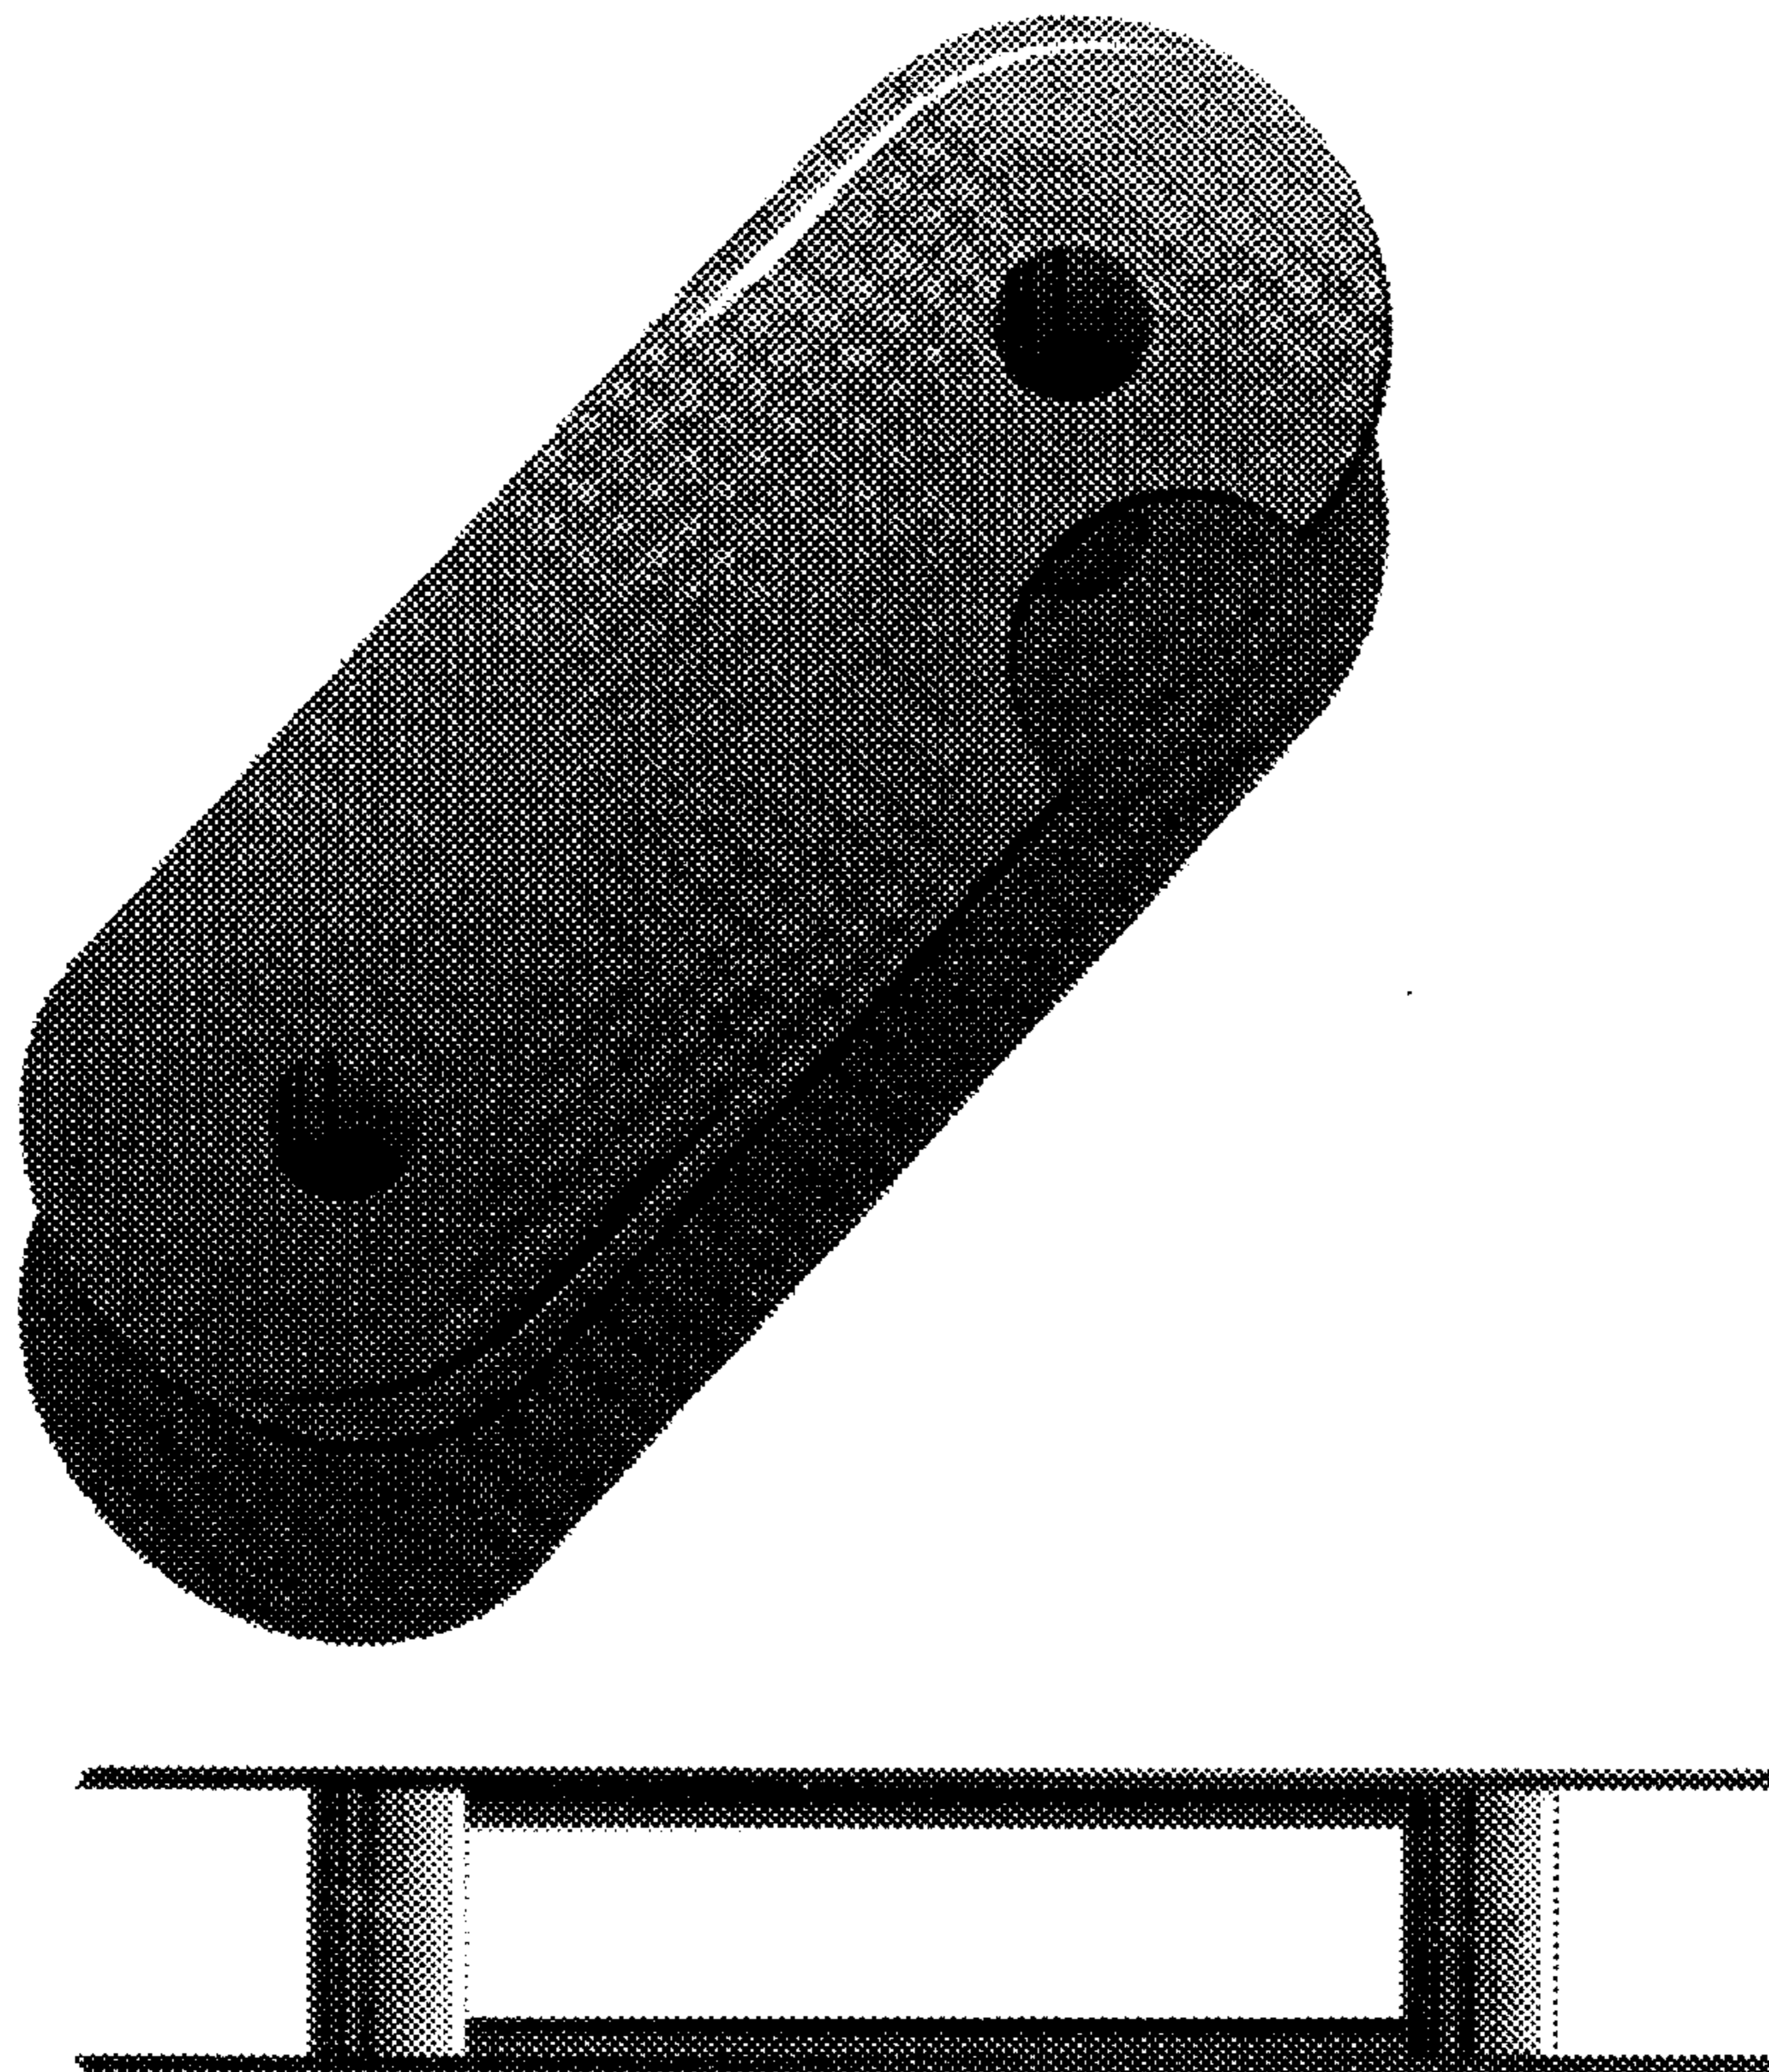

FIG. 2 is a perspective view thereof with the broken line showing of twine being for illustrative purposes only and forming no part of the claimed design;

FIG. 3 is a top view of FIG. 1, the bottom, except for the absence of the concaved notch, being the same in appearance as the top;

FIG. 4 is a left side view of FIG. 1; and,

FIG. 5 is an end view of FIG. 1, the opposite end being identical thereto.
