[57] **CLAIM**

The ornamental design for a street cabinet for housing telecommunications equipment, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view from above and to one side of a street cabinet for housing telecommunications equipment, according to the invention;  
 FIG. 2 is a side elevational view thereof from the opposite side shown in FIG. 1;  
 FIG. 3 is a top plan view thereof;  
 FIG. 4 is a rear elevational view thereof;  
 FIG. 5 is a side elevational view similar to FIG. 2, but with the upper housing partly extended; and  
 FIG. 6 is a side elevational view similar to FIG. 5, with the upper housing fully extended.
