The ornamental design for a “dustbin representation indicating deletion of a useless icon from the screen” icon for a display screen, as shown and described.

### DESCRIPTION

### [56] References Cited

The single FIGURE is a front elevational view of a “dustbin representation indicating deletion of a useless icon from the screen” icon for a display screen showing our new design, the broken-line disclosure of a portion of a screen being understood to form no part of the claimed design.
