[57] **CLAIM**

The ornamental design for a hexagonal retail display unit, as shown and described.

DESCRIPTION

FIG. 1 is a general perspective view of the hexagonal retail display unit embodying the present invention; FIG. 2 is a front elevation of the hexagonal retail display unit shown in FIG. 1, with the back of the unit presenting an identical view; FIG. 3 is a left side elevation of the hexagonal retail display unit shown in FIG. 1, with the right side presenting an identical view; and, FIG. 4 is a top plan view of the hexagonal retail display unit shown in FIG. 1. The bottom of the hexagonal retail display unit forms no part of the claimed design.
