[57] **CLAIM**

The ornamental design for a jewelry clasp, as shown and described herein.

DESCRIPTION

FIG. 1 is a front elevational view of a jewelry clasp showing my new design;

FIG. 2 is a rear elevational view of a jewelry clasp showing my new design;

FIG. 3 is a side elevational view, the opposite side view being a mirror image; and,

FIG. 4 is an end view, the opposite end view being a mirror image.

The design is not limited to the exact details shown in the drawings, since equivalents and colorable imitations thereof will be evident to a person of ordinary skill in the art. Thus, within the scope of the approved claim, which is intended to cover only the ornamental and novel elements shown in the drawings, the invention may be practiced otherwise than as specifically shown and described herein.
