[57] **CLAIM**

The ornamental design for a user interface icon for a display screen, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a user interface icon for a display screen showing my new design, the broken line drawing of a display screen is for illustrative purposes only and forms no part of the claimed design; and,

FIG. 2 is a front view thereof, on an enlarged scale, the user interface icon is shown separately for clarity of illustration.
