[57] CLAIM

The ornamental design for a telephone handset sanitary guard, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational perspective view of a telephone handset sanitary guard showing my new design; and, FIG. 2 is a detailed perspective view of a portion of the bottom front area thereof.

The fabric pattern indicated in the drawing is continuous throughout and is continuing onto the rear surface which is a mirror image of the front surface without the ornamentation.

The broken line disclosure in FIGS. 1 and 2 is intended to indicate the fragmentary portion of the claimed article shown enlarged in FIG. 2 and is itself not considered to be a part of the claimed design.
