[57] **CLAIM**

The ornamental design for the front panel for a modular computer hardware component, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of a front panel for a modular computer hardware component in accordance with the invention;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a bottom plan view thereof;

FIG. 6 is an end elevational view thereof;

FIG. 7 is an opposite end elevational view thereof; and,

FIG. 8 is a front elevational view thereof showing the panel aligned with a second and third panel.

The broken lines are shown in the views for illustrative purposes only and form no part of the claimed design.
