[57] CLAIM

The ornamental design for a vacuum nozzle for cleaning ceiling fan blades, as shown.

DESCRIPTION

FIG. 1 is a perspective view of one form of a vacuum nozzle for cleaning ceiling fan blades embodying my design; FIG. 2 is a front side elevational view thereof, it being understood that the nozzle is front-to-rear symmetrical hence a rear side elevational view is identical thereto; FIG. 3 is a right side elevational view thereof, it being understood that the nozzle is left-to-right symmetrical hence a left side elevational view is identical thereto; and, FIG. 4 is a top plan view thereof.
