[57] CLAIM

The ornamental design for an awning fabric, as shown and described.

DESCRIPTION

The FIGURE shows a top view of an awning fabric according to the invention. The broken line in the drawing indicates that the awning fabric is of indeterminate width. The right edge of the awning fabric is a mirror image of the left side, as shown in the drawing. The bottom view of the awning fabric is a mirror image of the view shown in the drawing. The fabric has no substantial thickness.
