[57] **CLAIM**

The ornamental design for a drinking glass stem, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a drinking glass stem showing our new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a sectional view thereof taken along line 4—4 of FIG. 1;

FIG. 5 is a sectional view thereof taken along line 5—5 of FIG. 1; and

FIG. 6 is a front elevational view of a drinking glass stem showing a second embodiment of our new design.

The broken line showing of an upper portion of a drinking glass in FIGS. 1 and 6 is for illustrative purposes only and forms no part of the claimed design.

The top and bottom plan views are substantially the same in the second embodiment as are shown in the first except that the diameter of the base is larger in the second embodiment.
