[57] **CLAIM**

The ornamental design for a splatter shield, as shown and described.

**DESCRIPTION**

FIG. 1 is a top plan view of a splatter shield showing our new design;  
FIG. 2 is a bottom plan view thereof;  
FIG. 3 is a right side elevational view with the left side being a mirror image thereof;  
FIG. 4 is a front elevational view with the rear elevational view being a mirror image thereof; and,  
FIG. 5 is an enlarged, partially fragmented, environmental, right side view thereof.  
The broken line showing a baseboard and intersecting floor in FIG. 5 is for illustrative purposes only and forms no part of the claimed design. The environmental view of FIG. 5 represents one of a plurality of configurations to which the present invention conforms.
