[57] **CLAIM**

The ornamental design for a bottle cover, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view, the rear view being a mirror image thereof, and the side views being substantially the same, with the only differences being in width of the bottle cover, and amount of flowers visible; FIG. 2 is a top view of the bottle cover; and, FIG. 3 is a bottom view of the bottle cover. The broken line showing of a bottle top in FIG. 1 is for illustrative purposes only and forms no part of the claimed design.
