[57] CLAIM

The ornamental design of a bathroom cabinet, as shown and described.

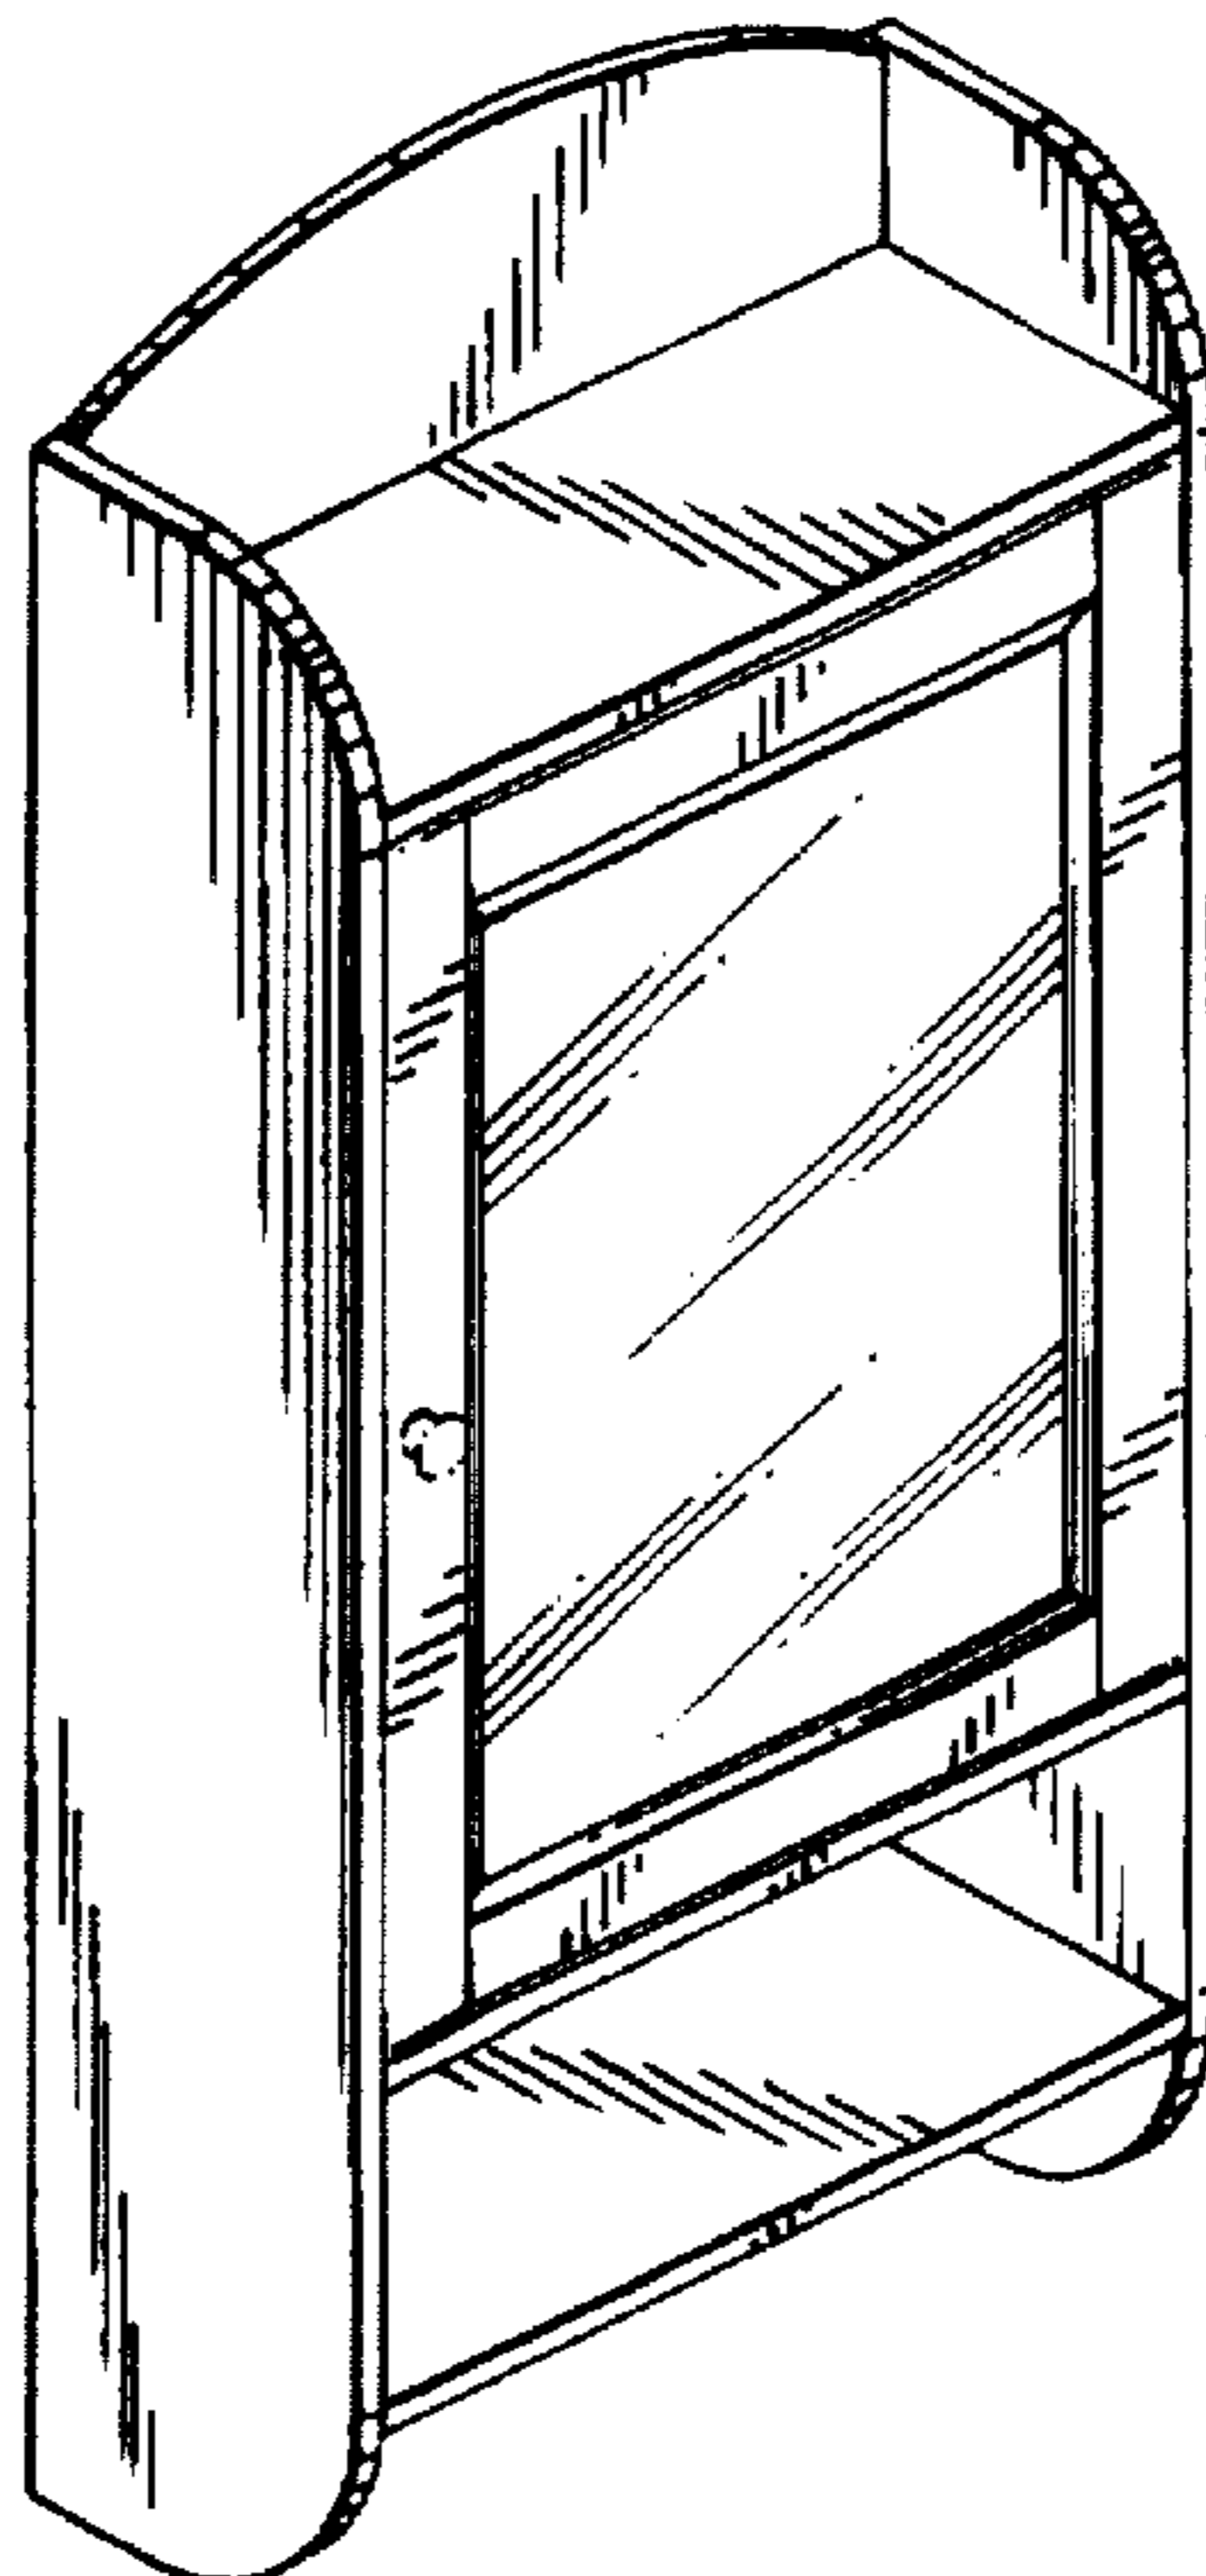

DESCRIPTION

FIG. 1 is a perspective view of the bathroom cabinet; FIG. 2 is a right side elevational view of the bathroom cabinet, the left side elevational view being a mirror image of the right side elevational view; FIG. 3 is a top plan view of the bathroom cabinet; FIG. 4 is a front elevational view of the bathroom cabinet; FIG. 5 is a rear elevational view of the bathroom cabinet; FIG. 6 is a bottom view of the bathroom cabinet; FIG. 7 is a front elevational view of an alternative embodiment of the bathroom cabinet; FIG. 8 is a rear elevational view of the alternative embodiment of the bathroom cabinet; and, FIG. 9 is a bottom view of the alternative embodiment of the bathroom cabinet.

It is understood that the undisclosed top and sides of the second embodiment are basically the same as in the first embodiment.

The broken line representation of a knob is for illustrative purposes only and forms no part of the claimed design.
