[57] **CLAIM**

The ornamental design for a notched dispenser bottle, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation of a notched dispenser bottle showing my new design;
FIG. 2 is a right side elevation thereof;
FIG. 3 is a plan view of the FIG. 1 bottle looking from the bottom toward the top;
FIG. 4 is a plan view of the FIG. 1 bottle looking from the top toward the bottom;
FIG. 5 is a rear elevation of said bottle looking toward the front; and,
FIG. 6 is a side elevation of the FIG. 1 bottle, looking from the left side toward the right side of the FIG. 1 depiction. The characteristic feature of the design resides in the fact that said bottle contains a notch on one corner of said bottle.
