[57] CLAIM

The ornamental design for a condominium building, as shown.

DESCRIPTION

FIG. 1 is a front elevational view of a condominium building according to the present invention, the rear elevational view thereof being identical to FIG. 1;

FIG. 2 is a side elevational view of the present condominium building, the opposite side elevational view thereof being identical to FIG. 2;

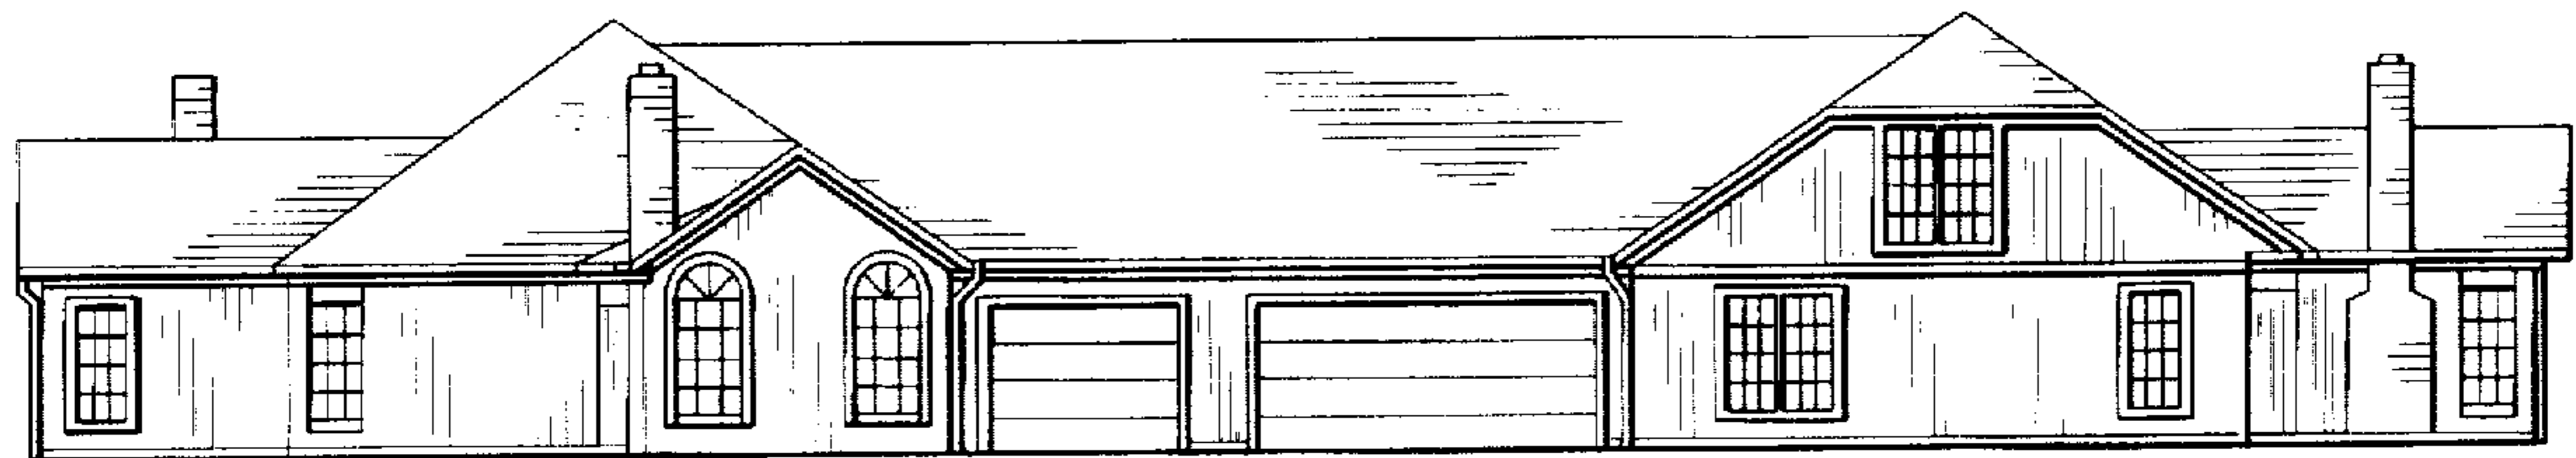

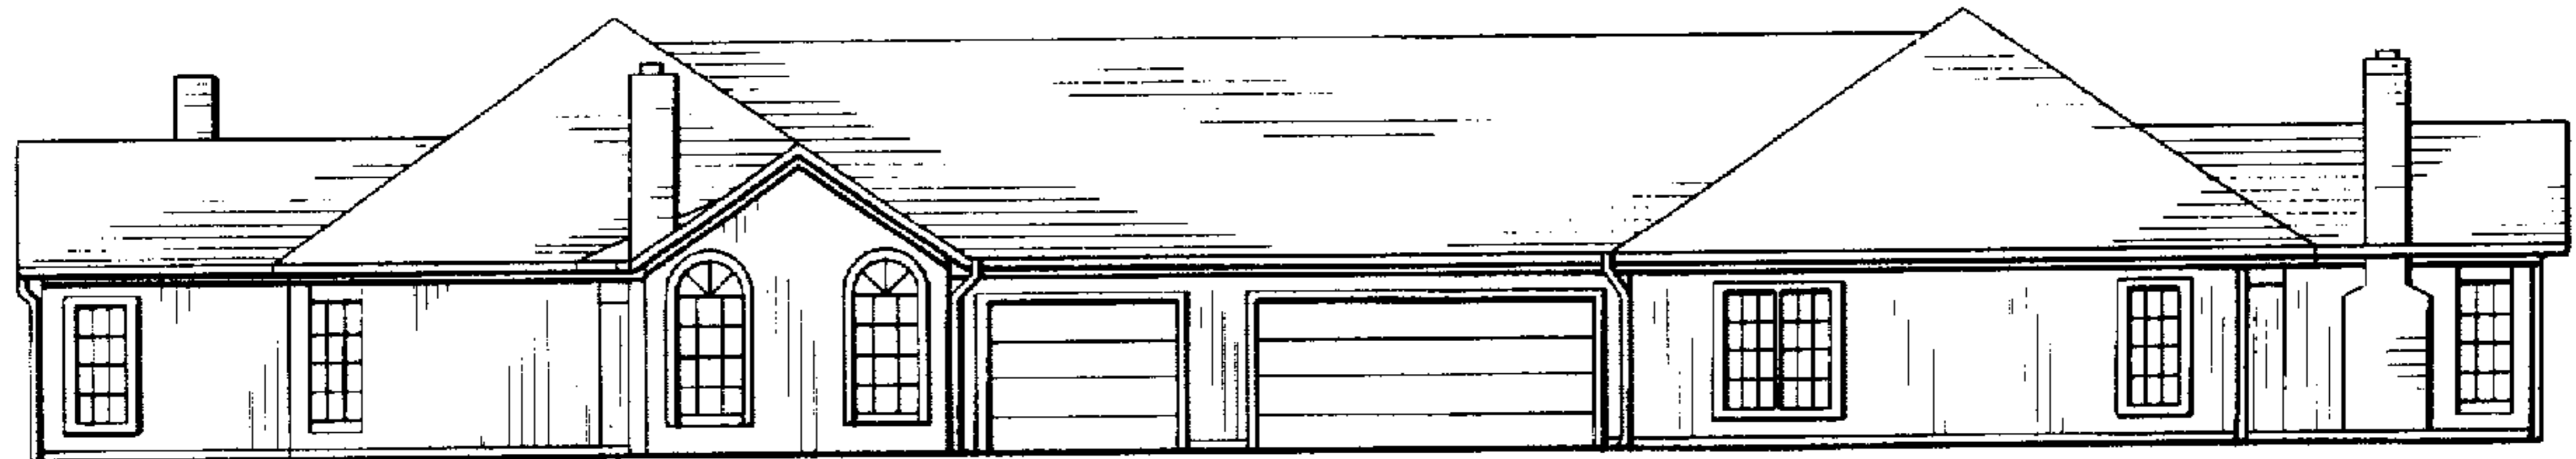

FIG. 3 is a top plan view of the present condominium building;

FIG. 4 is a front elevational view of the present condominium building in modified form, the rear elevational view thereof being identical to FIG. 4;

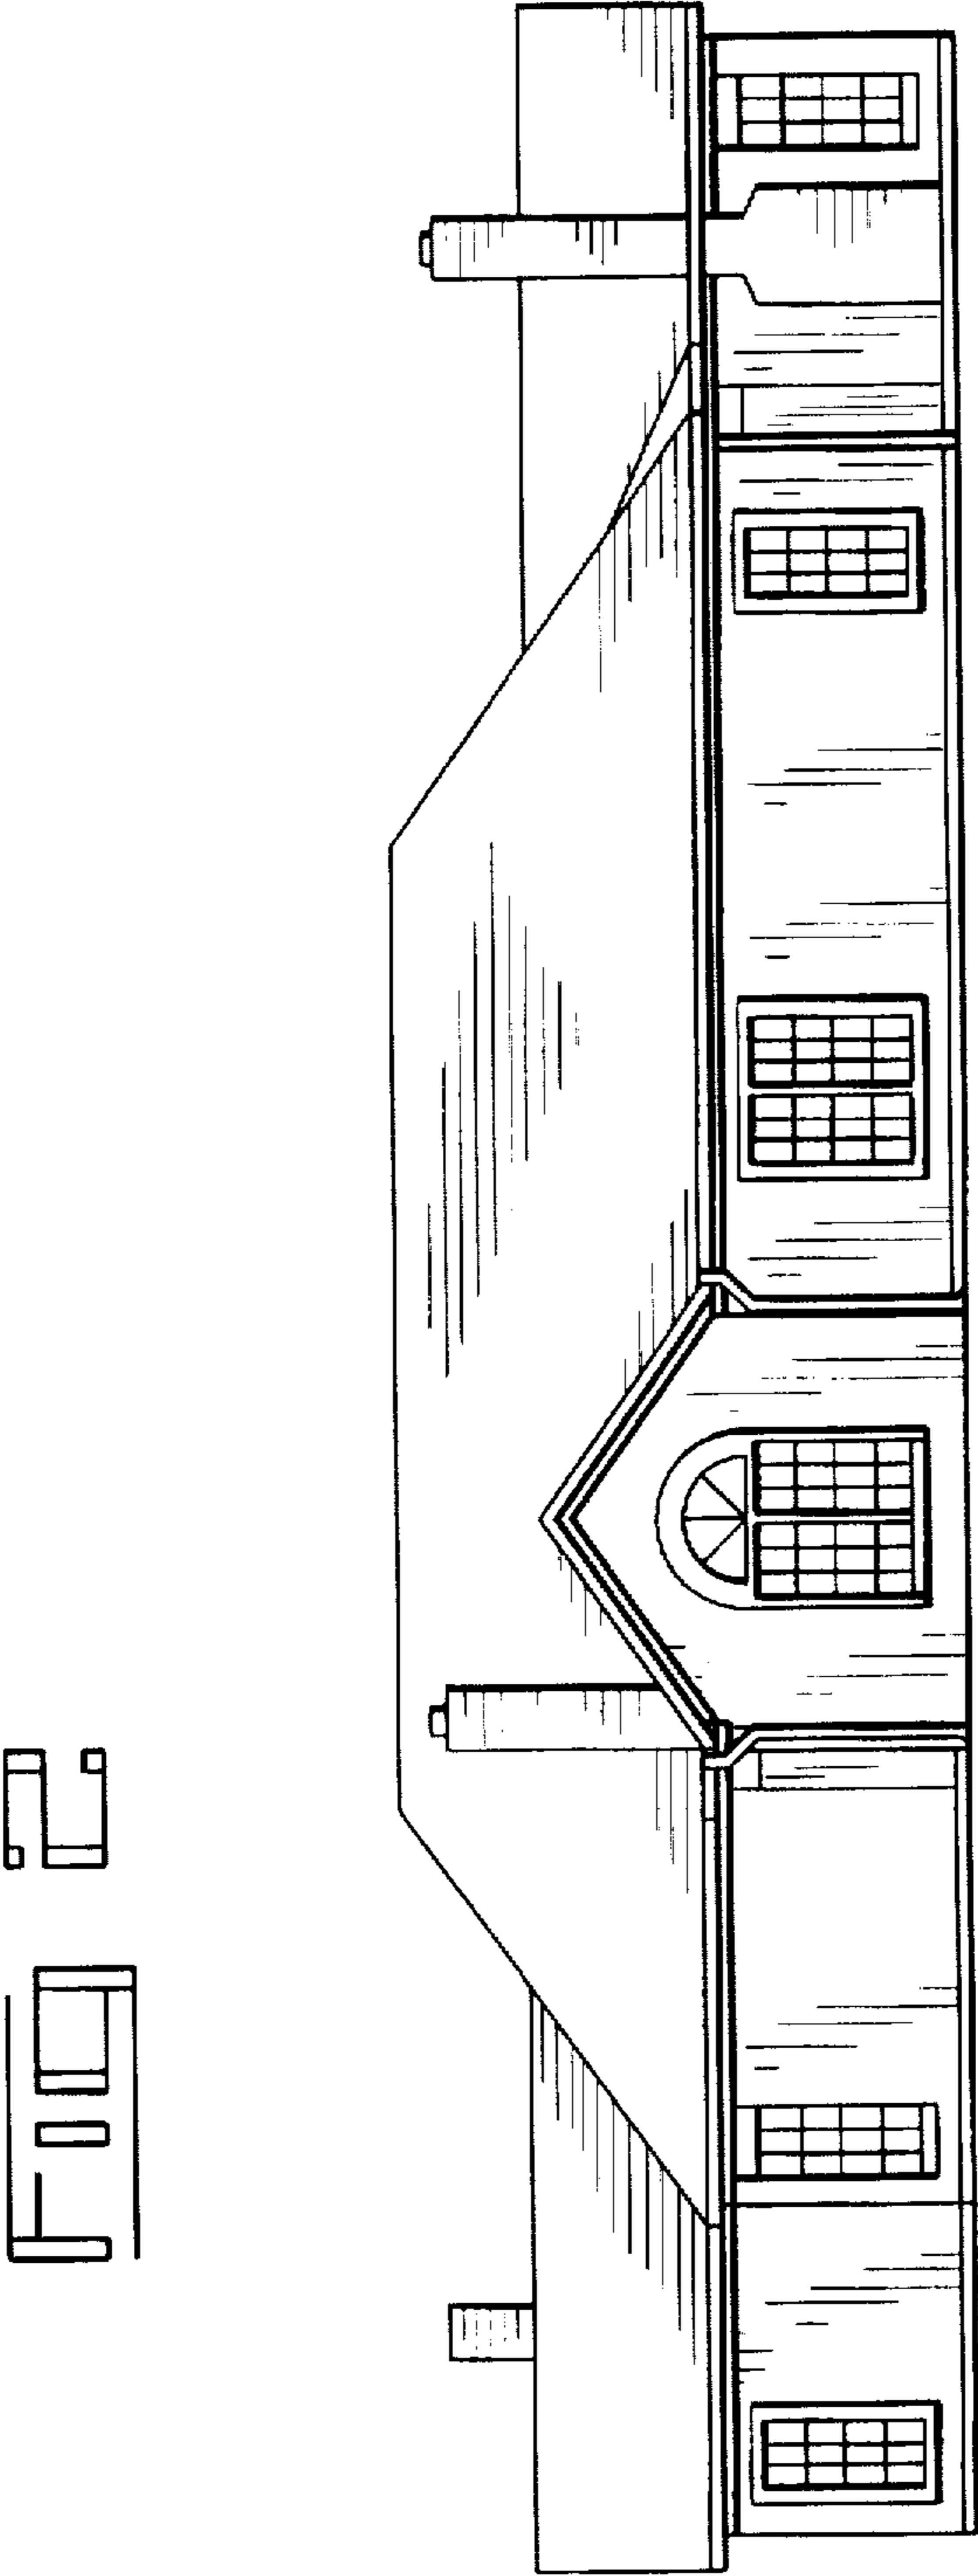

FIG. 5 is a side elevational view of the modified condominium building shown in FIG. 4, the opposite side elevational view thereof being identical to FIG. 5; and,

FIG. 6 is a top plan view thereof of the modified condominium building shown in FIGS. 4 and 5.

1 Claim, 6 Drawing Sheets

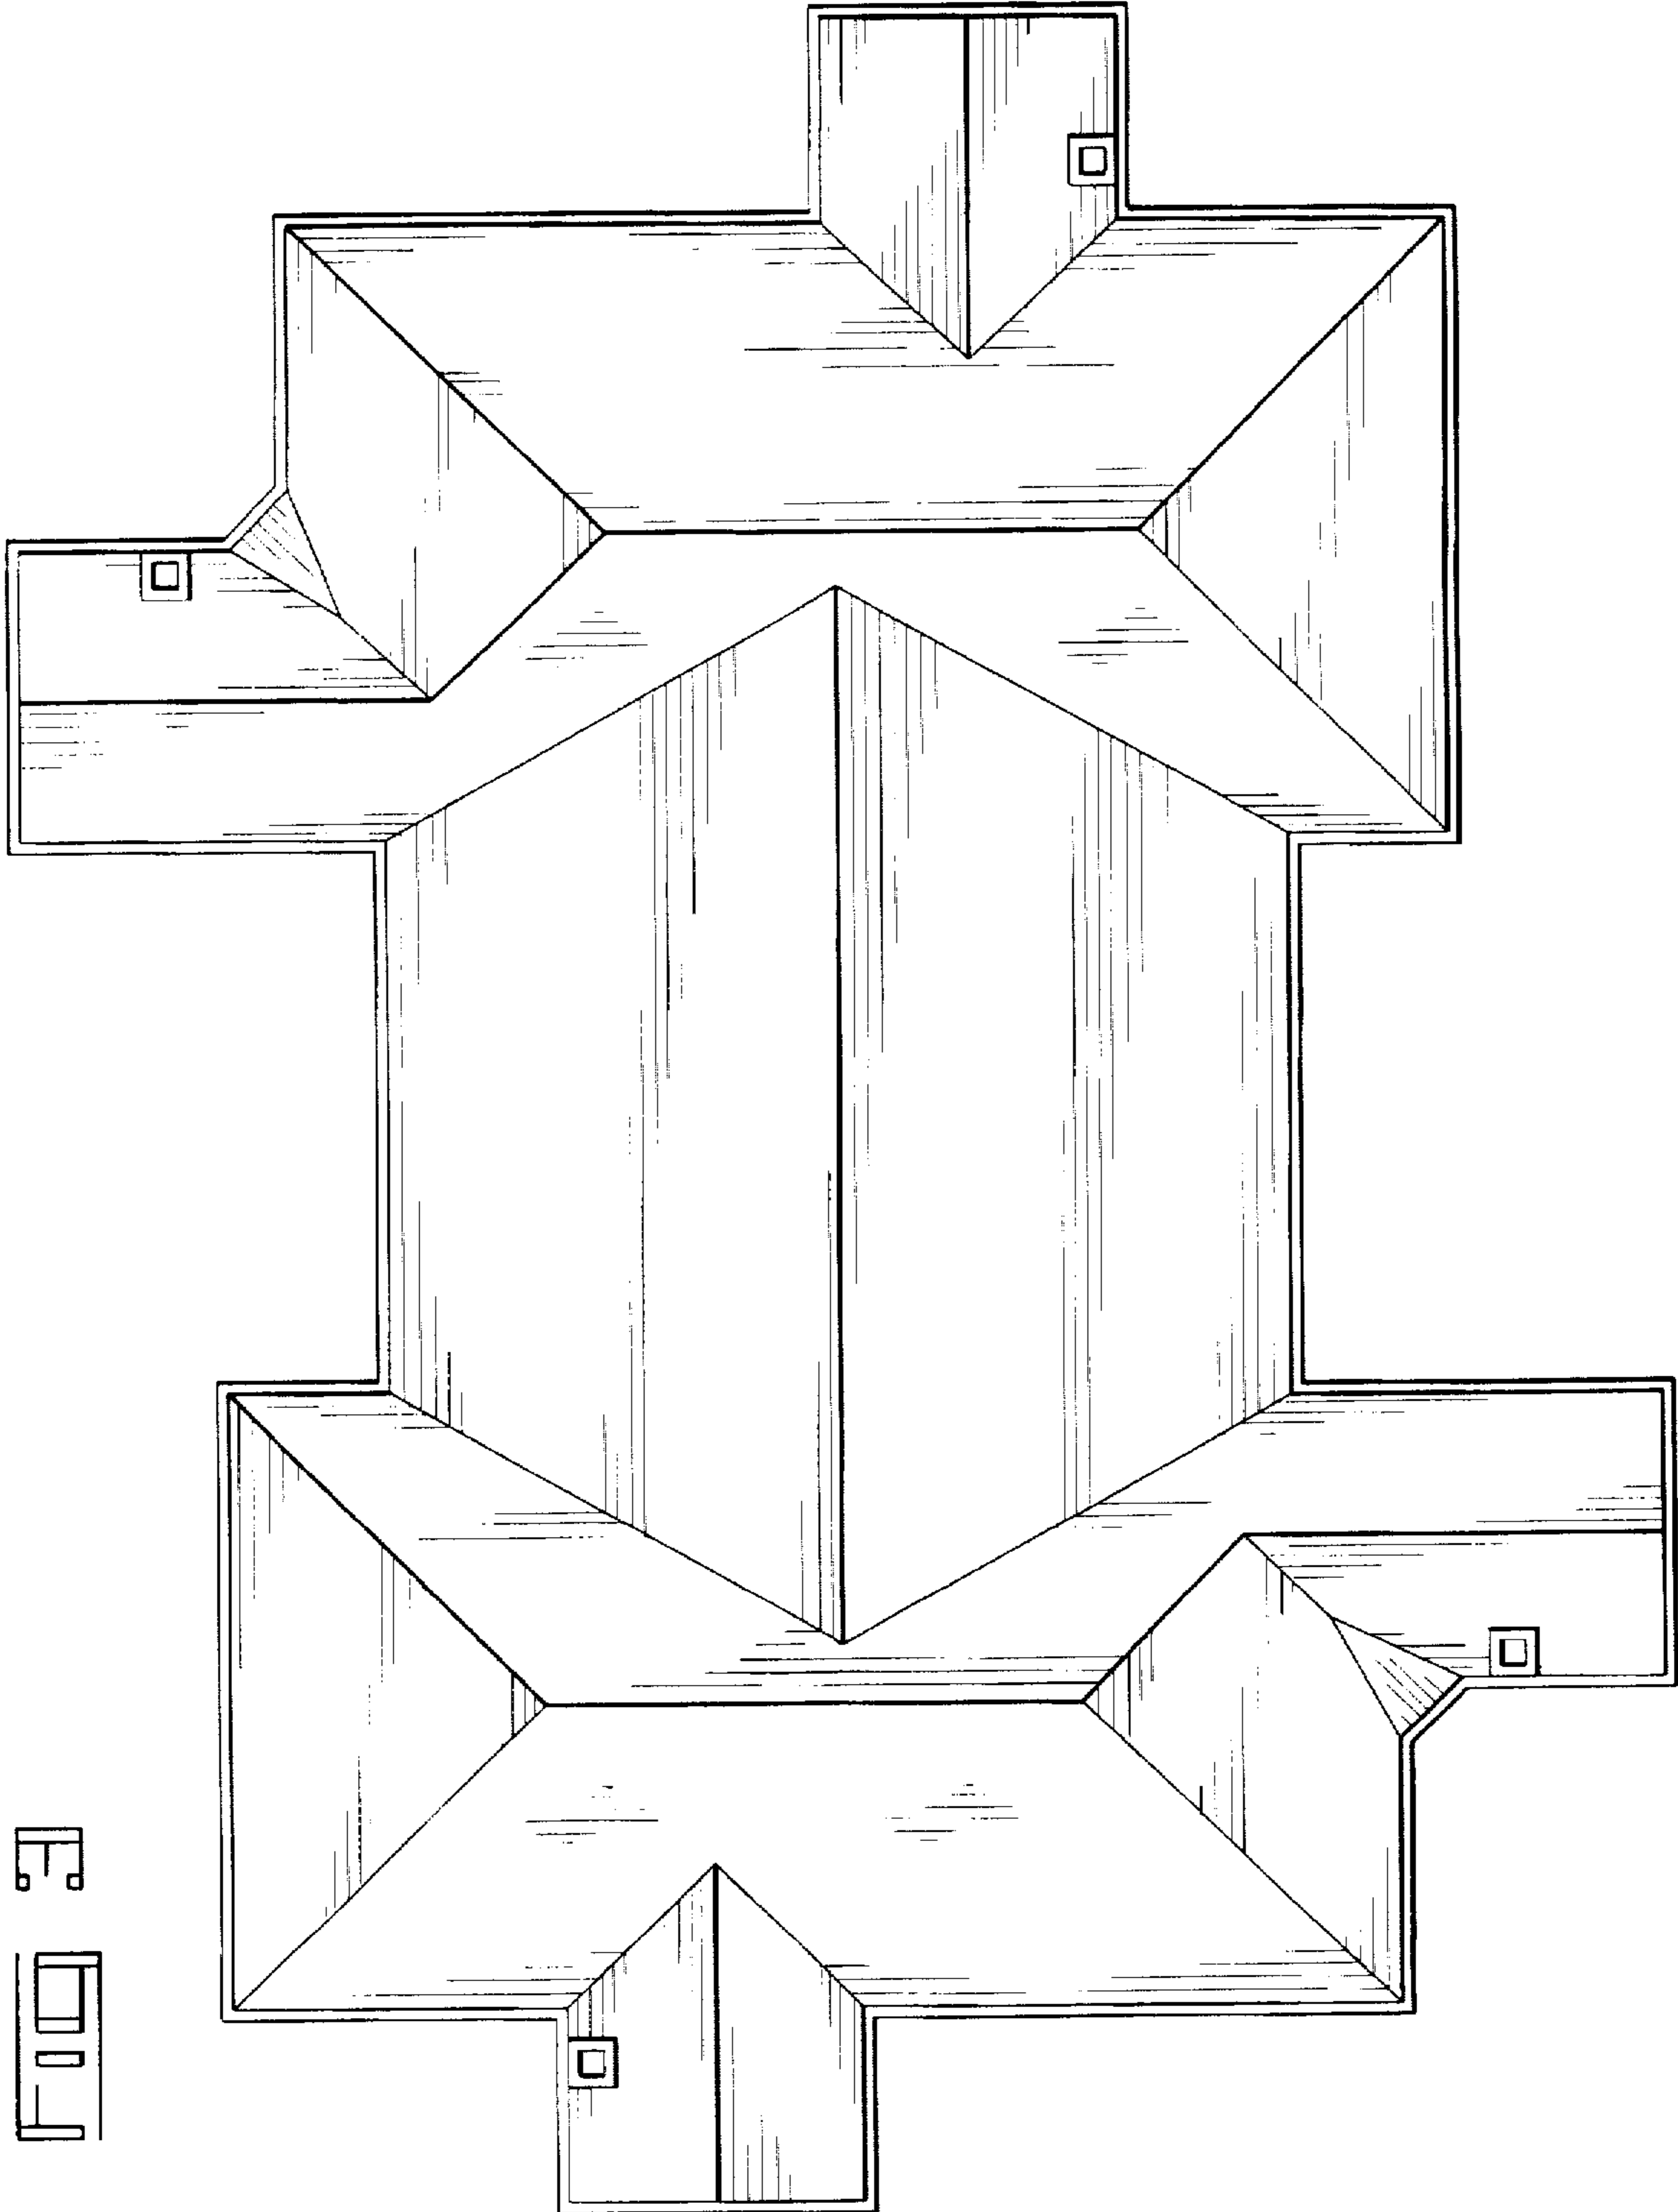

FIG. 4
