[57] CLAIM

The ornamental design for a container handle and dispensing spout, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the container handle and dispensing spout showing the design on a container body shown in broken line, this broken line structure is for illustrative purposes only and forms no part of the claimed design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a left side elevational view thereof;

FIG. 4 is a front elevational view thereof, a rear elevational view is not shown because it is an identical mirror image of the front elevational view; and,

FIG. 5 is a right side elevational view thereof.

The bottom of the container handle and dispensing spout forms no part of the claimed design, as it does not provide any ornamental features of the design.

The broken line showing in FIG. 1 is for illustrative purposes only and forms no part of the claimed design.
