### [57] CLAIM

The ornamental design for a plumber's wrench, as shown as  
described.

### DESCRIPTION

FIG. 1 is a top and side perspective view of plumber's  
wrench embodying my design, wherein a typical faucet is  
illustrated in phantom for illustrative purposes only and  
forms no part of the claimed design;  
FIG. 2 is a side elevational view thereof, the opposite side  
elevational view and the front and rear elevational views  
being identical;  
FIG. 3 is a top plan view thereof; and,  
FIG. 4 is a bottom plan view thereof.
