CLAIM

The ornamental design for a remote spray handle for use with pressurized liquid spray containers, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a remote nozzle for use with pressurized liquid spray containers, the broken line showing of an elongated flexible tube and pressurized spray container are for illustrative purposes only and form no part of the claimed design;

FIG. 2 is a side elevation view thereof, it being recognized that the opposite side elevation view is identical;

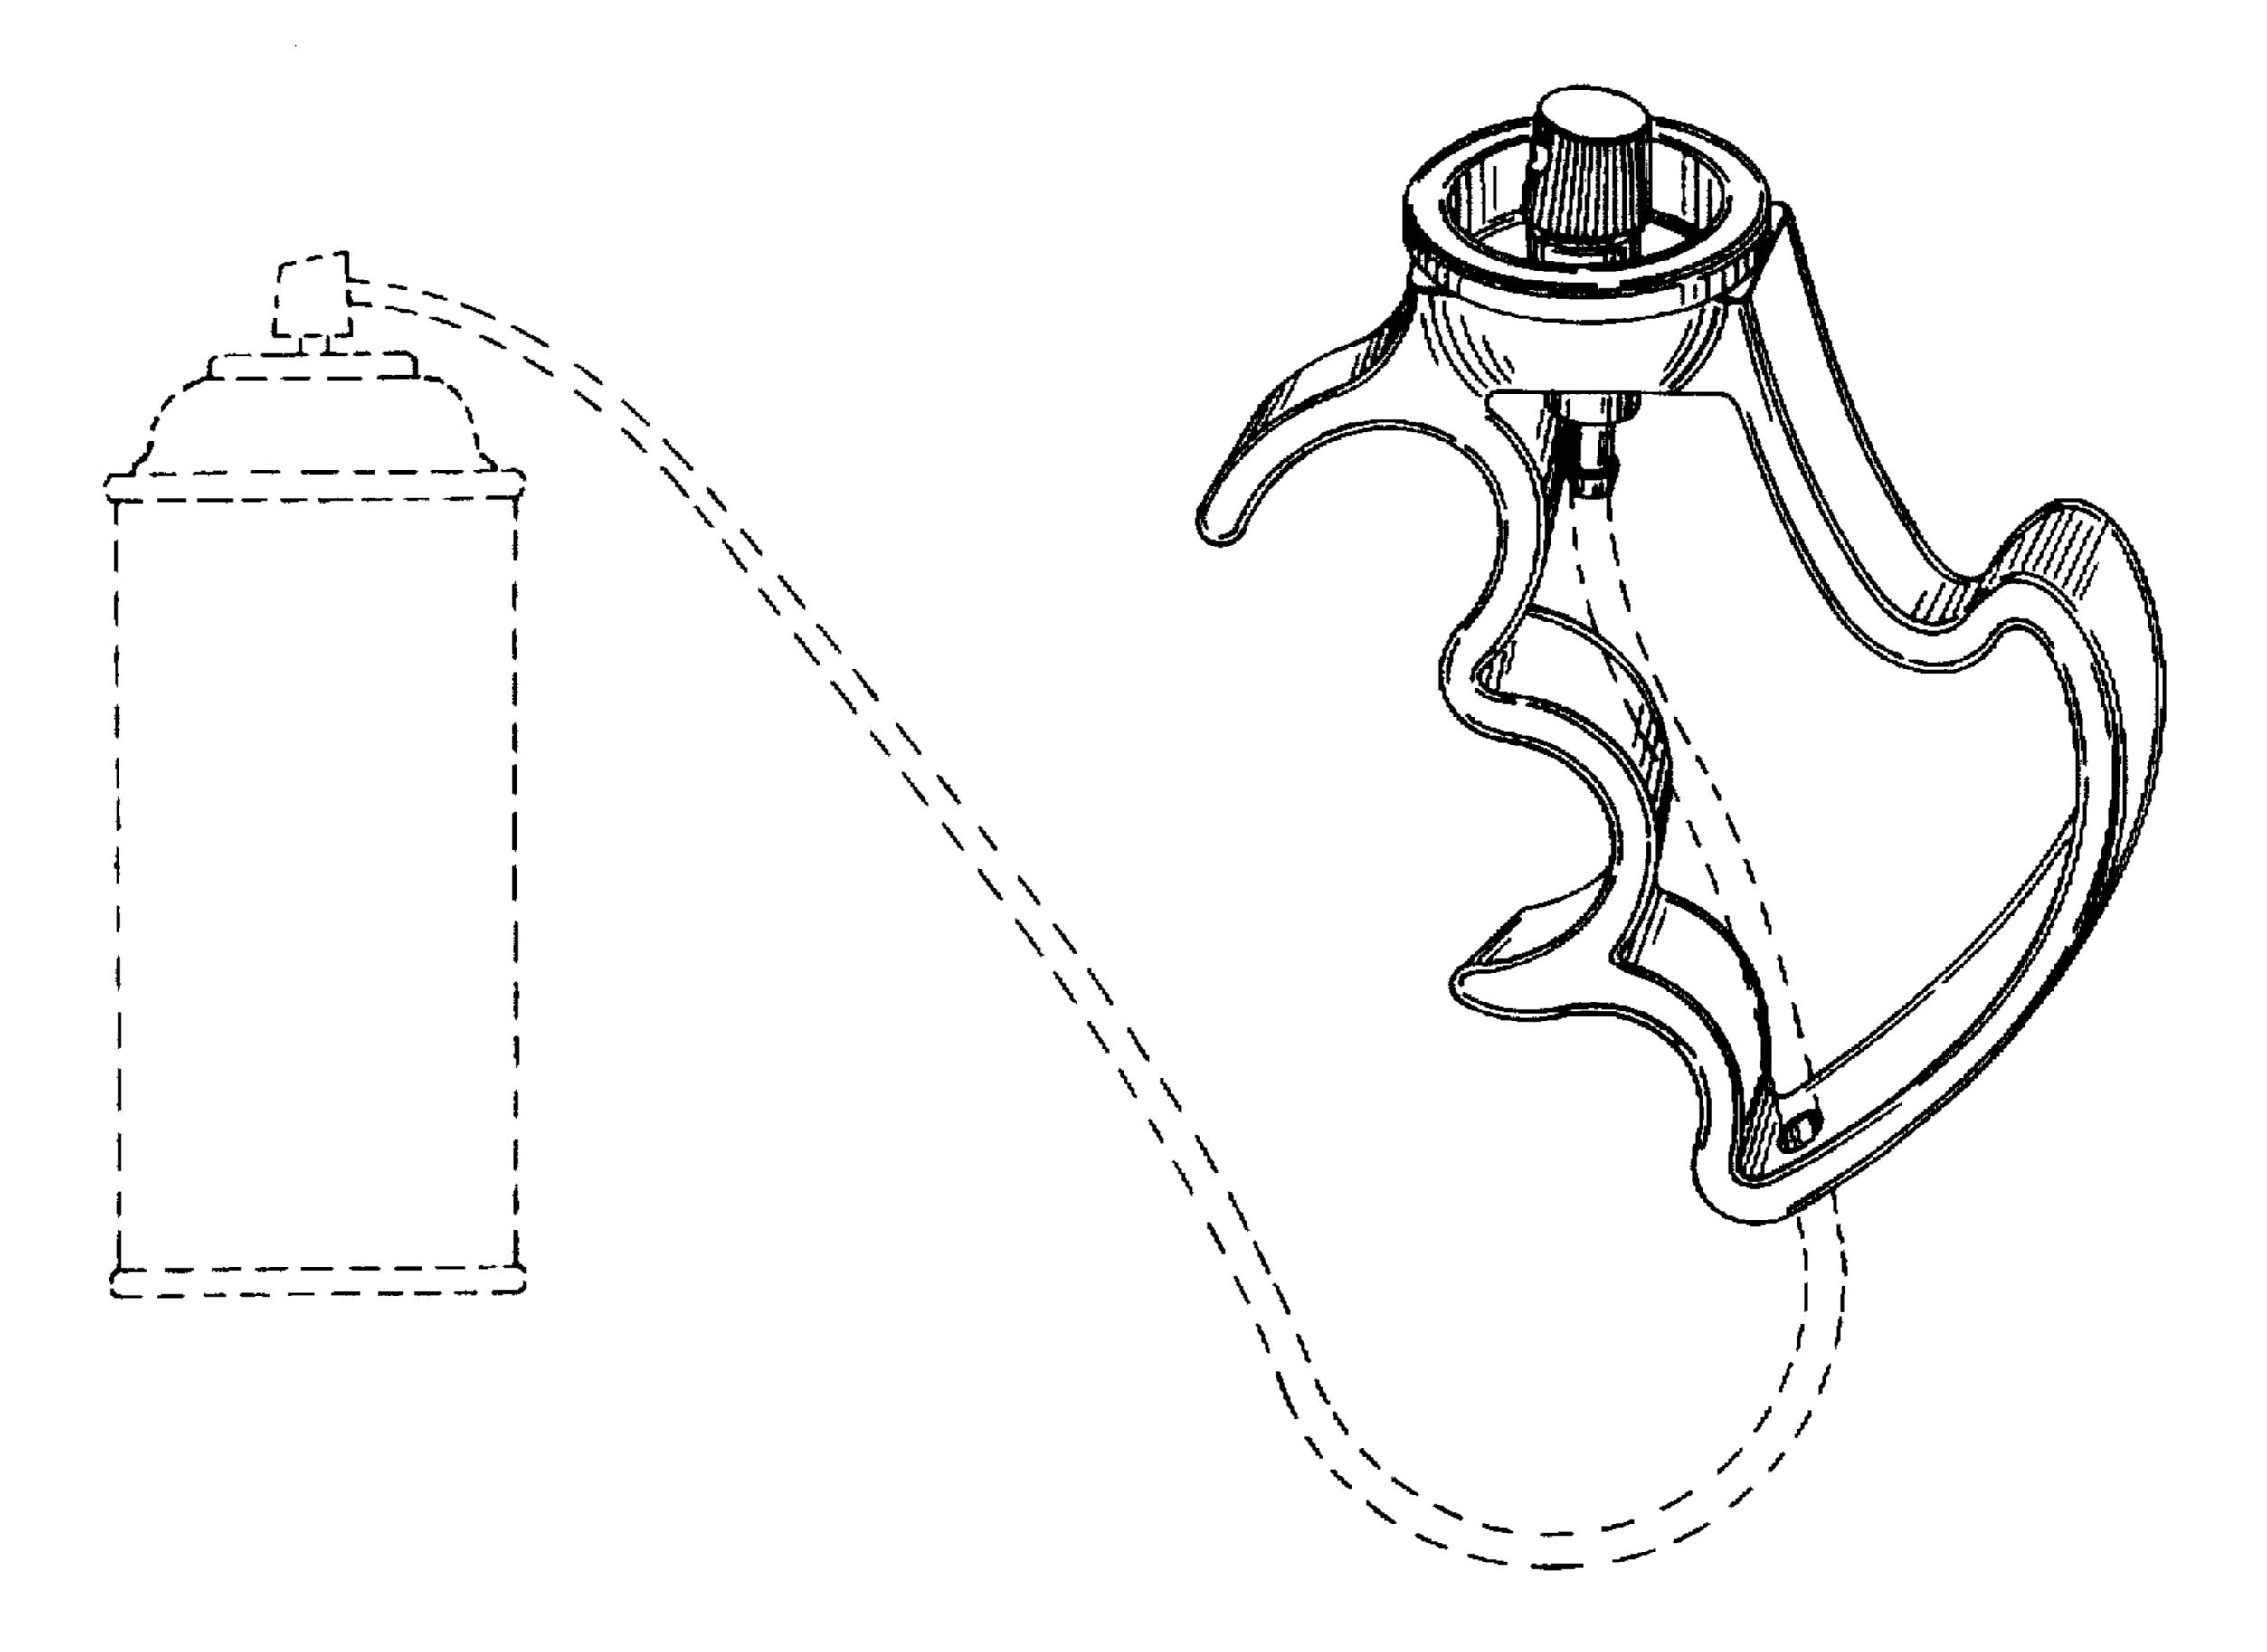

FIG. 3 is a rear elevational view thereof;

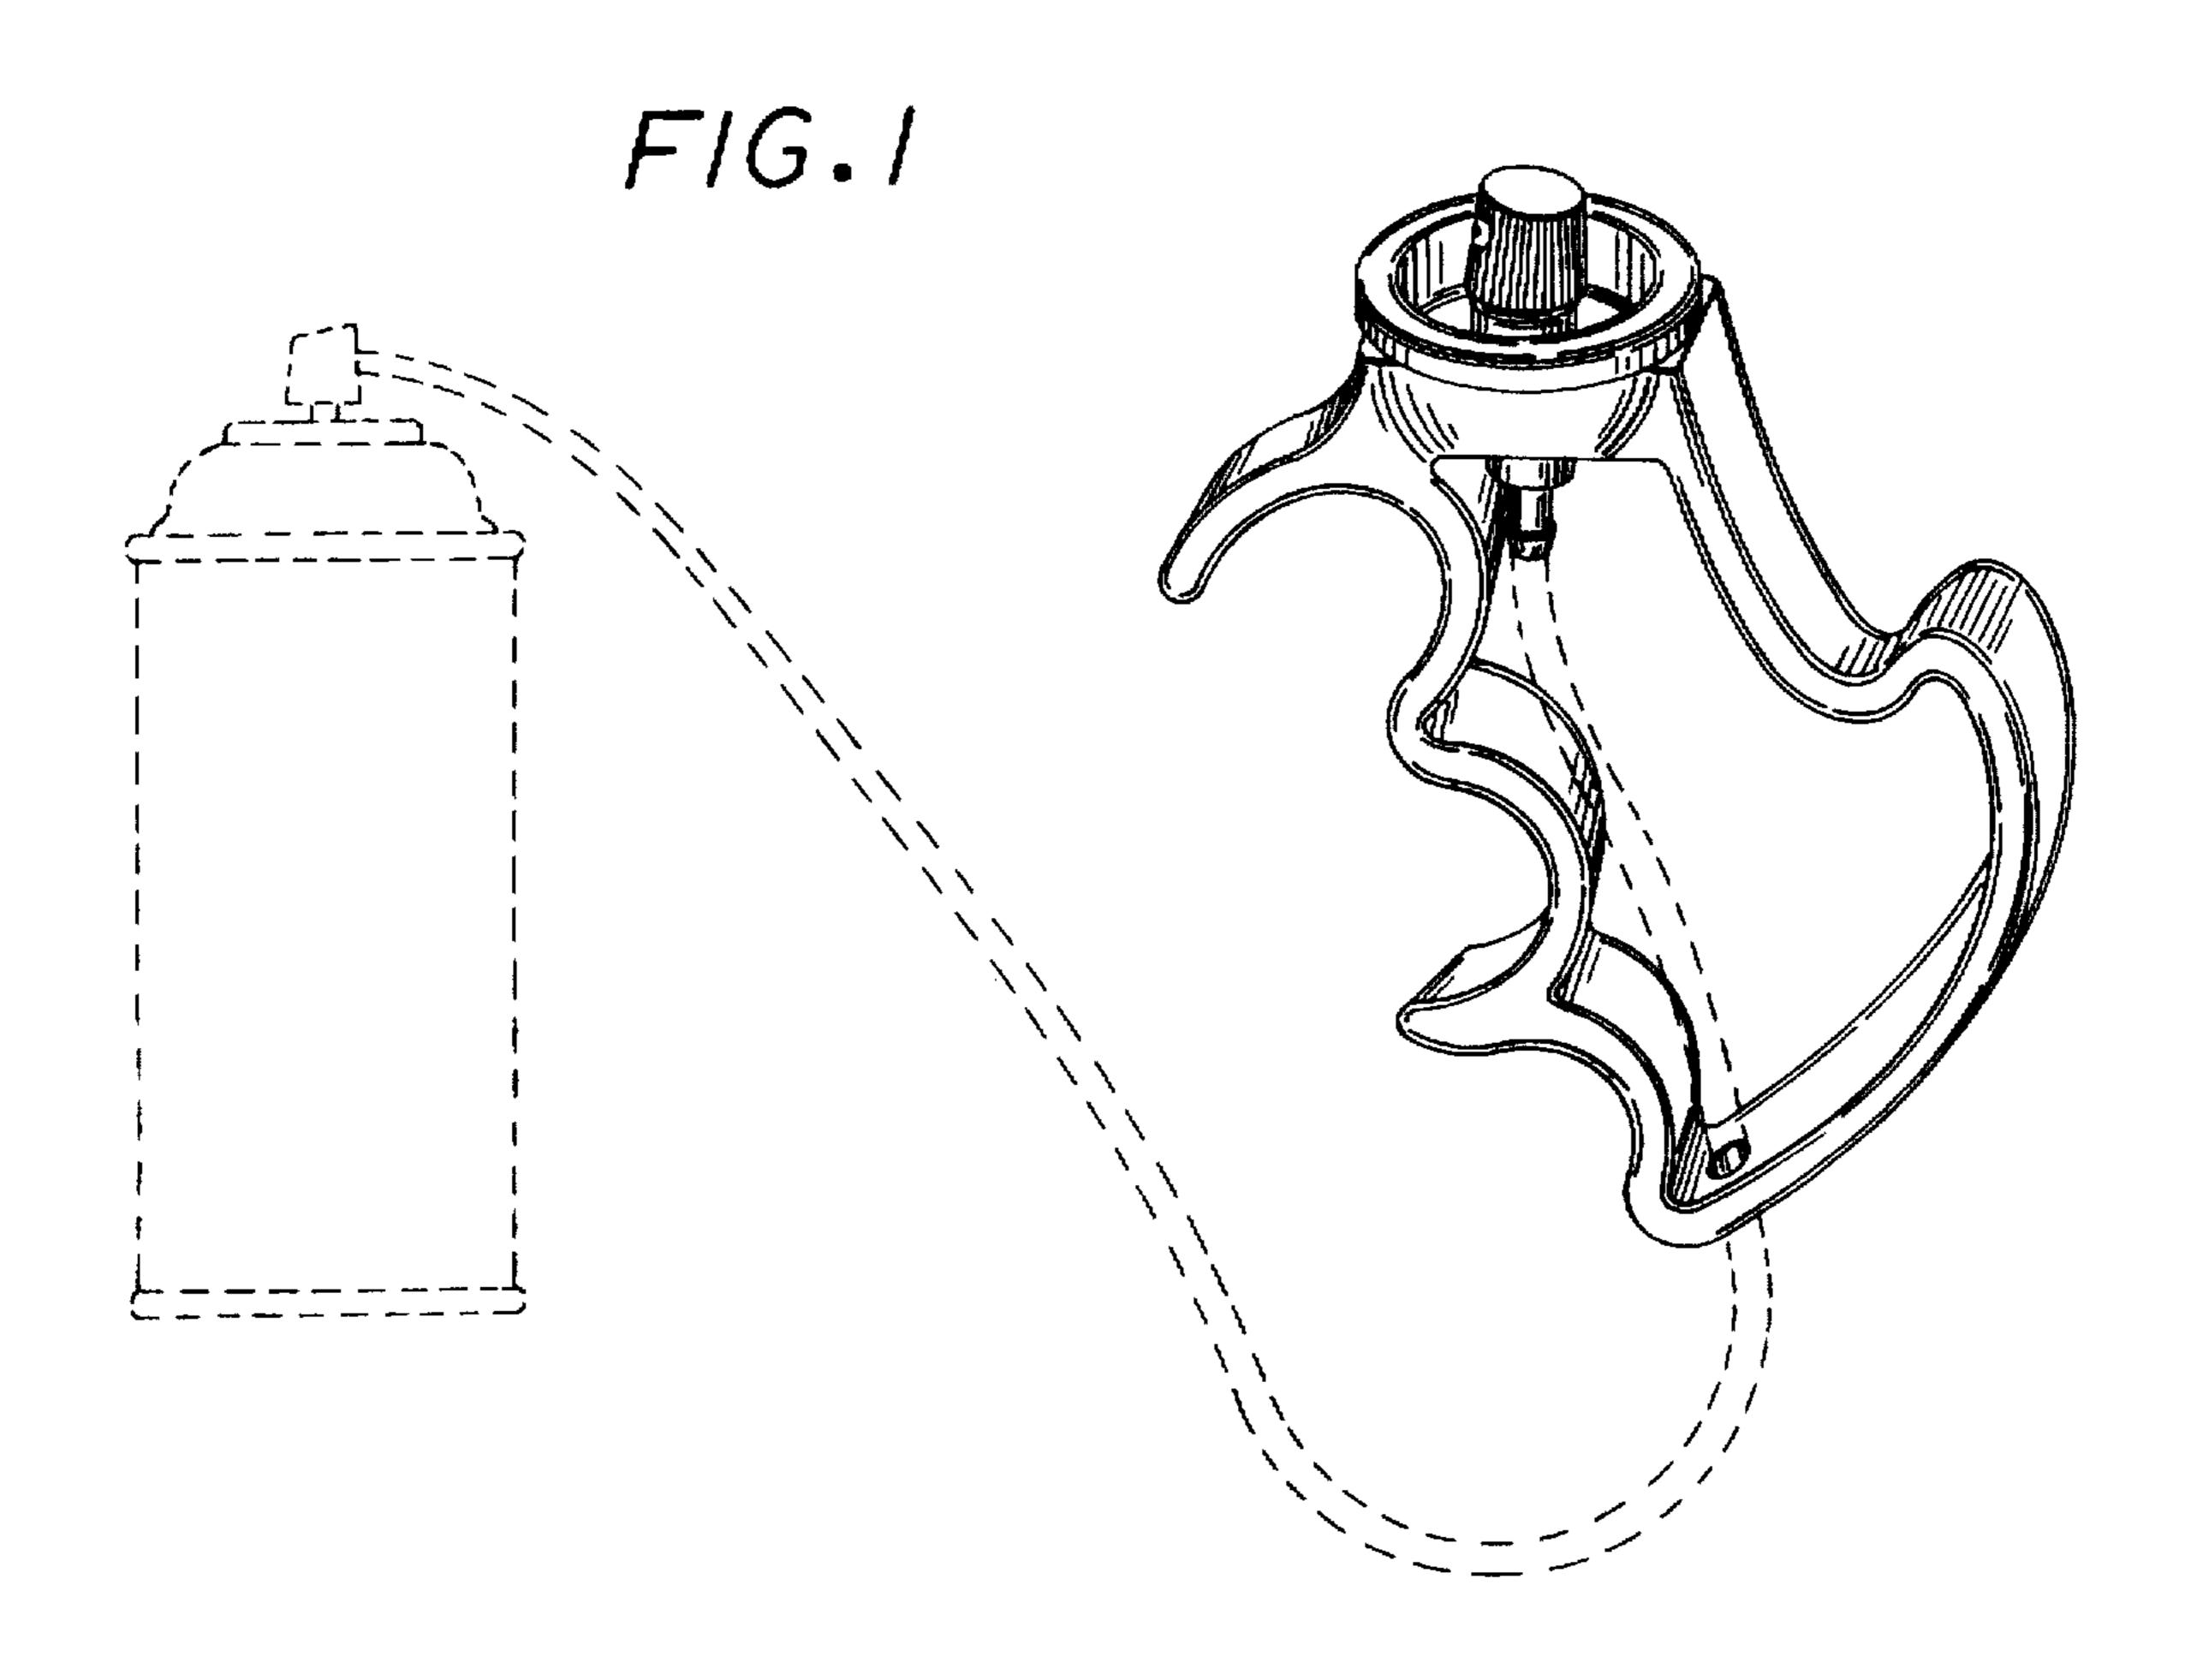

FIG. 4 is a front elevational view thereof;

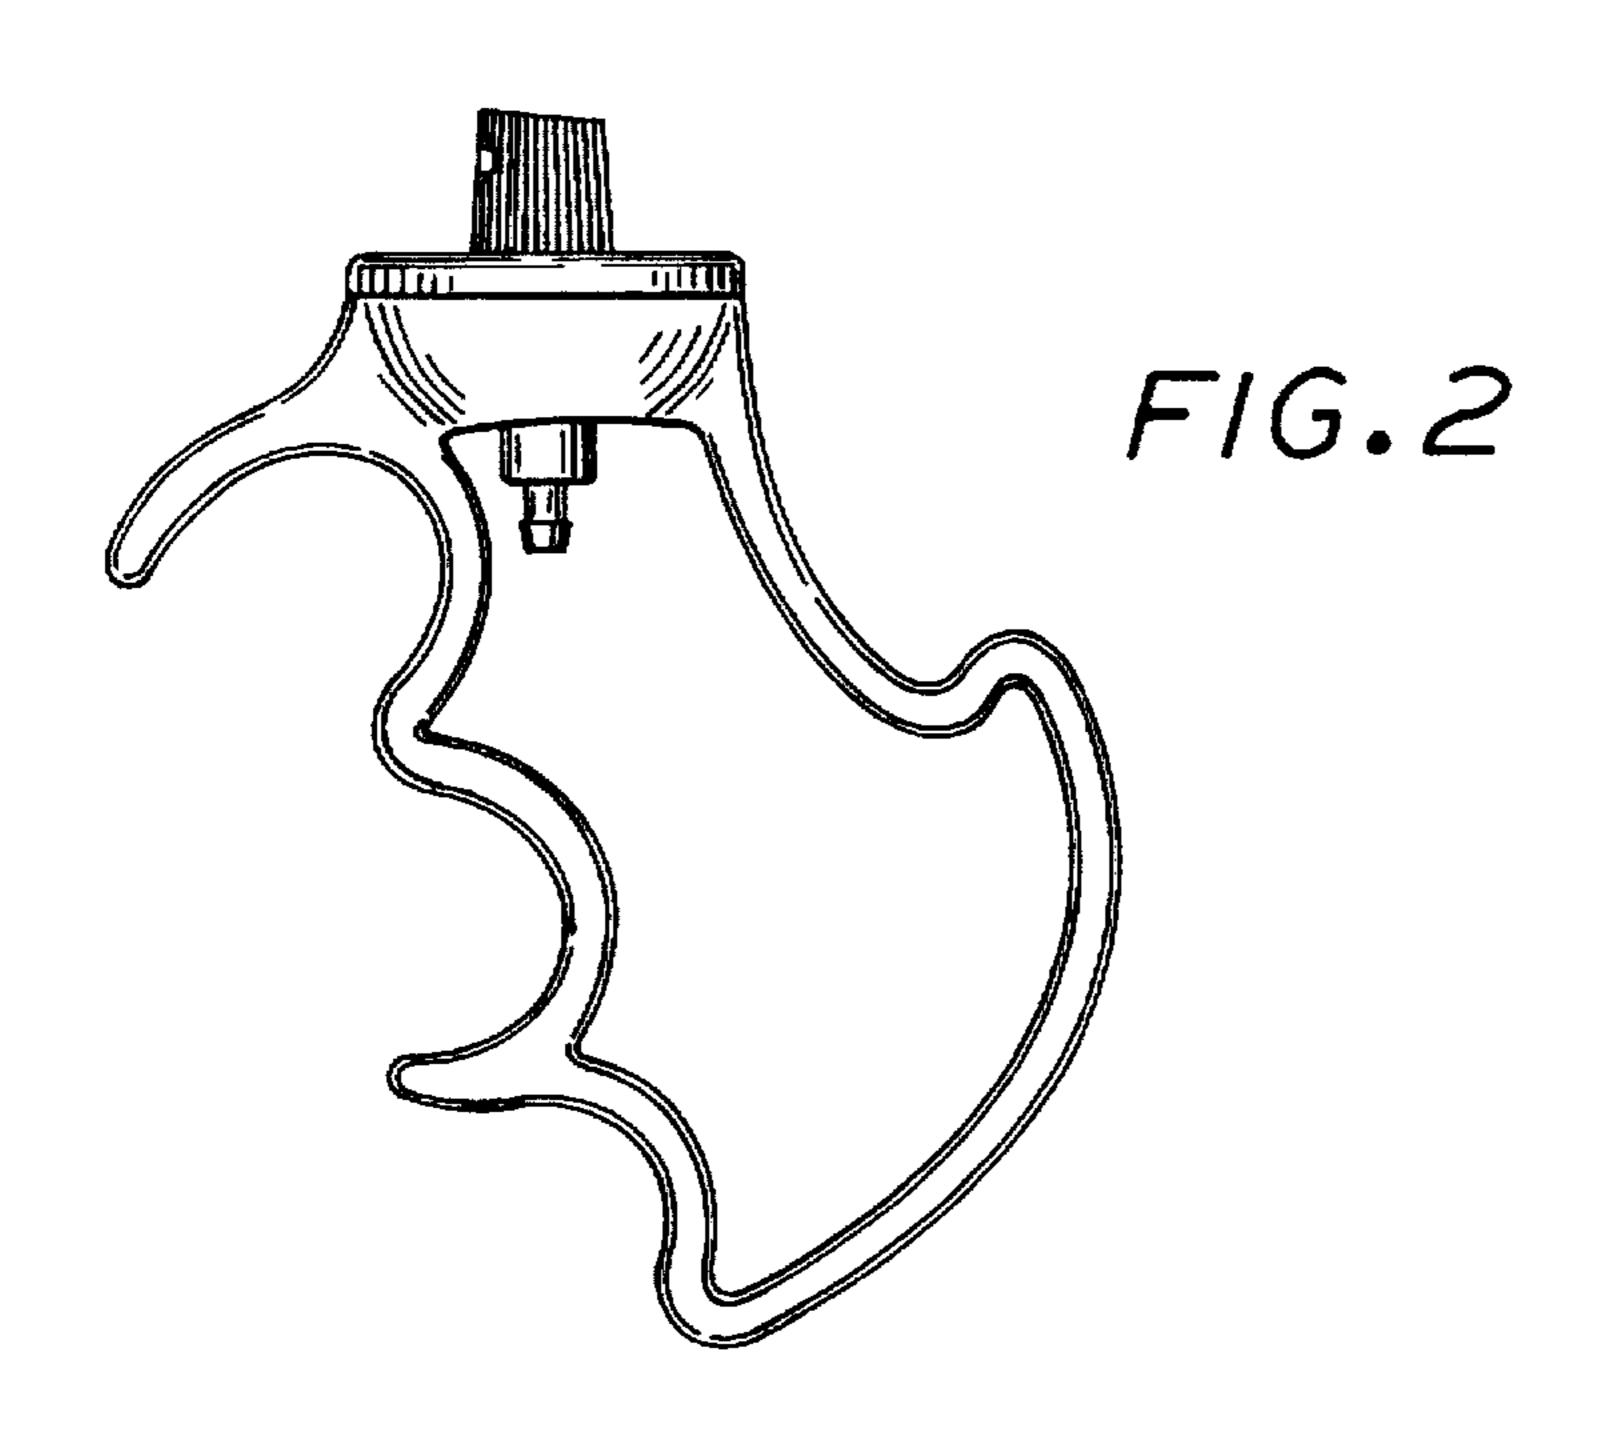

FIG. 5 is a top plan view thereof; and,

FIG. 6 is a bottom plan view thereof.
