[57] **CLAIM**

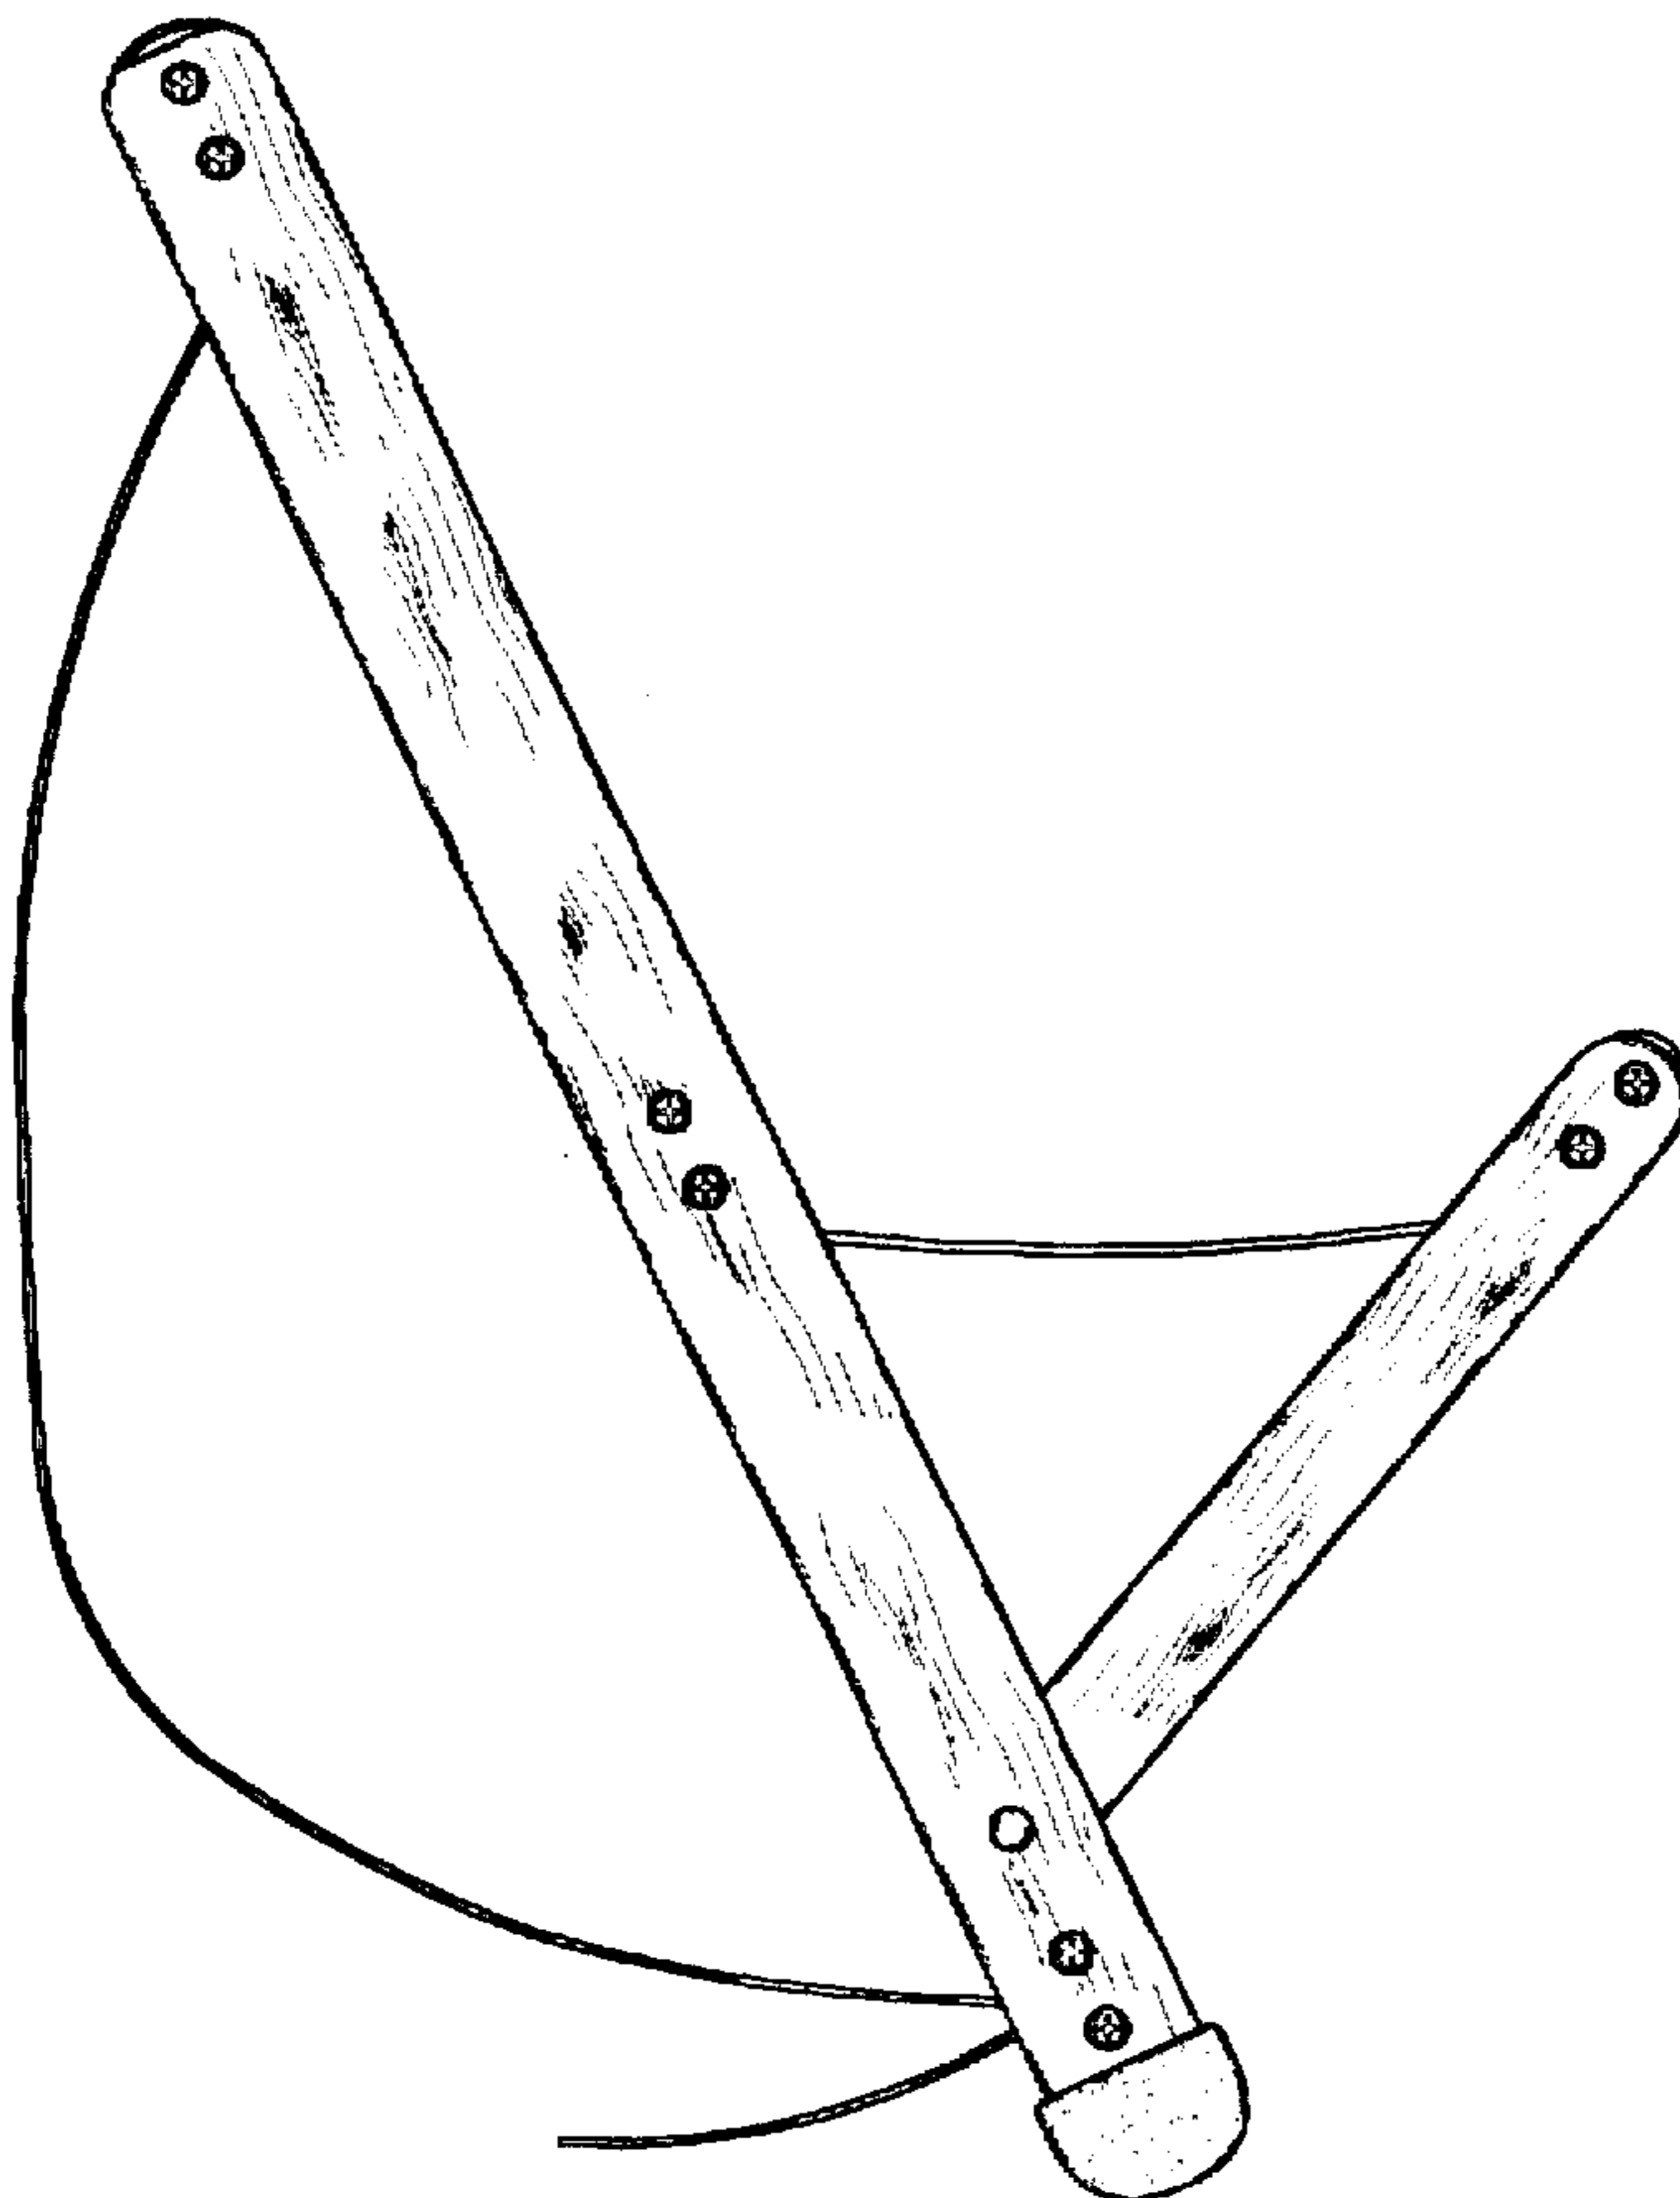

The ornamental design for a compact portable outdoor all-terrain seat, as shown and described.

DESCRIPTION

FIG. 1 is a left side elevational view of a compact portable outdoor all-terrain seat showing my new design; FIG. 2 is a right side elevational view thereof; FIG. 3 is a rear elevational view thereof; FIG. 4 is a front elevational view thereof; FIG. 5 is a top plan view thereof; and, FIG. 6 is a bottom plan view thereof.

The fragmented cross-hatching shown on the seat and the straps is understood to represent fabric and would be continuous throughout the implied areas.
