[57] CLAIM

The ornamental design for a combined external directional sound dome reflector and deflector for motor vehicle speaker enclosure, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combined external directional sound dome reflector and deflector for motor vehicle speaker enclosure showing my new design; FIG. 2 is a top elevational plan view thereof; and, FIG. 3 is a bottom elevational plan view thereof. The broken line representing the "sound speaker" in FIGS. 1 is for illustrative purposes only and forms no part of the claimed design.
