[57] **CLAIM**

The ornamental design for a tapping fixture, as shown and described.

DESCRIPTION

FIG. 1 is a side and front perspective view of the tapping fixture of the present invention;

FIG. 2 is a right side elevational view of the tapping fixture of the present invention, the left side elevation view being a mirror image thereof;

FIG. 3 is a front elevational view of the tapping fixture of the present invention;

FIG. 4 is a rear elevational view of the tapping fixture of the present invention;

FIG. 5 is a top plan view of the tapping fixture of the present invention; and,

FIG. 6 is a bottom plan view of the tapping fixture of the present invention.
