[57] **CLAIM**

The ornamental design for a combined main drive and adapter assembly, as shown and described.

**DESCRIPTION**

FIG. 1 is a top rear and left side perspective view of a

combined main drive and adapter assembly showing my new design wherein the main drive is shown separately for clarity of illustration only;

FIG. 2 is a top front and left side perspective view thereof;

FIG. 3 is a top right side perspective view of the adapter thereof which is shown separately for clarity of illustration only;

FIG. 4 is a top front and right side perspective view of the main drive thereof shown separately for clarity of illustration only;

FIG. 5 is a top rear and left side perspective view thereof;

FIG. 6 is a top and right side perspective view thereof;

FIG. 7 is a bottom and rear perspective view thereof;

FIG. 8 is a top front and right side perspective view of the adapter thereof shown separately for clarity of illustration only the bottom view being unornamented;

FIG. 9 is a top rear and left side view thereof in which the connectors are lined to represent the color blue;

FIG. 10 is a top and rear perspective thereof;

FIG. 11 is a top rear and left side perspective view of the combined main drive and adapter assembly;

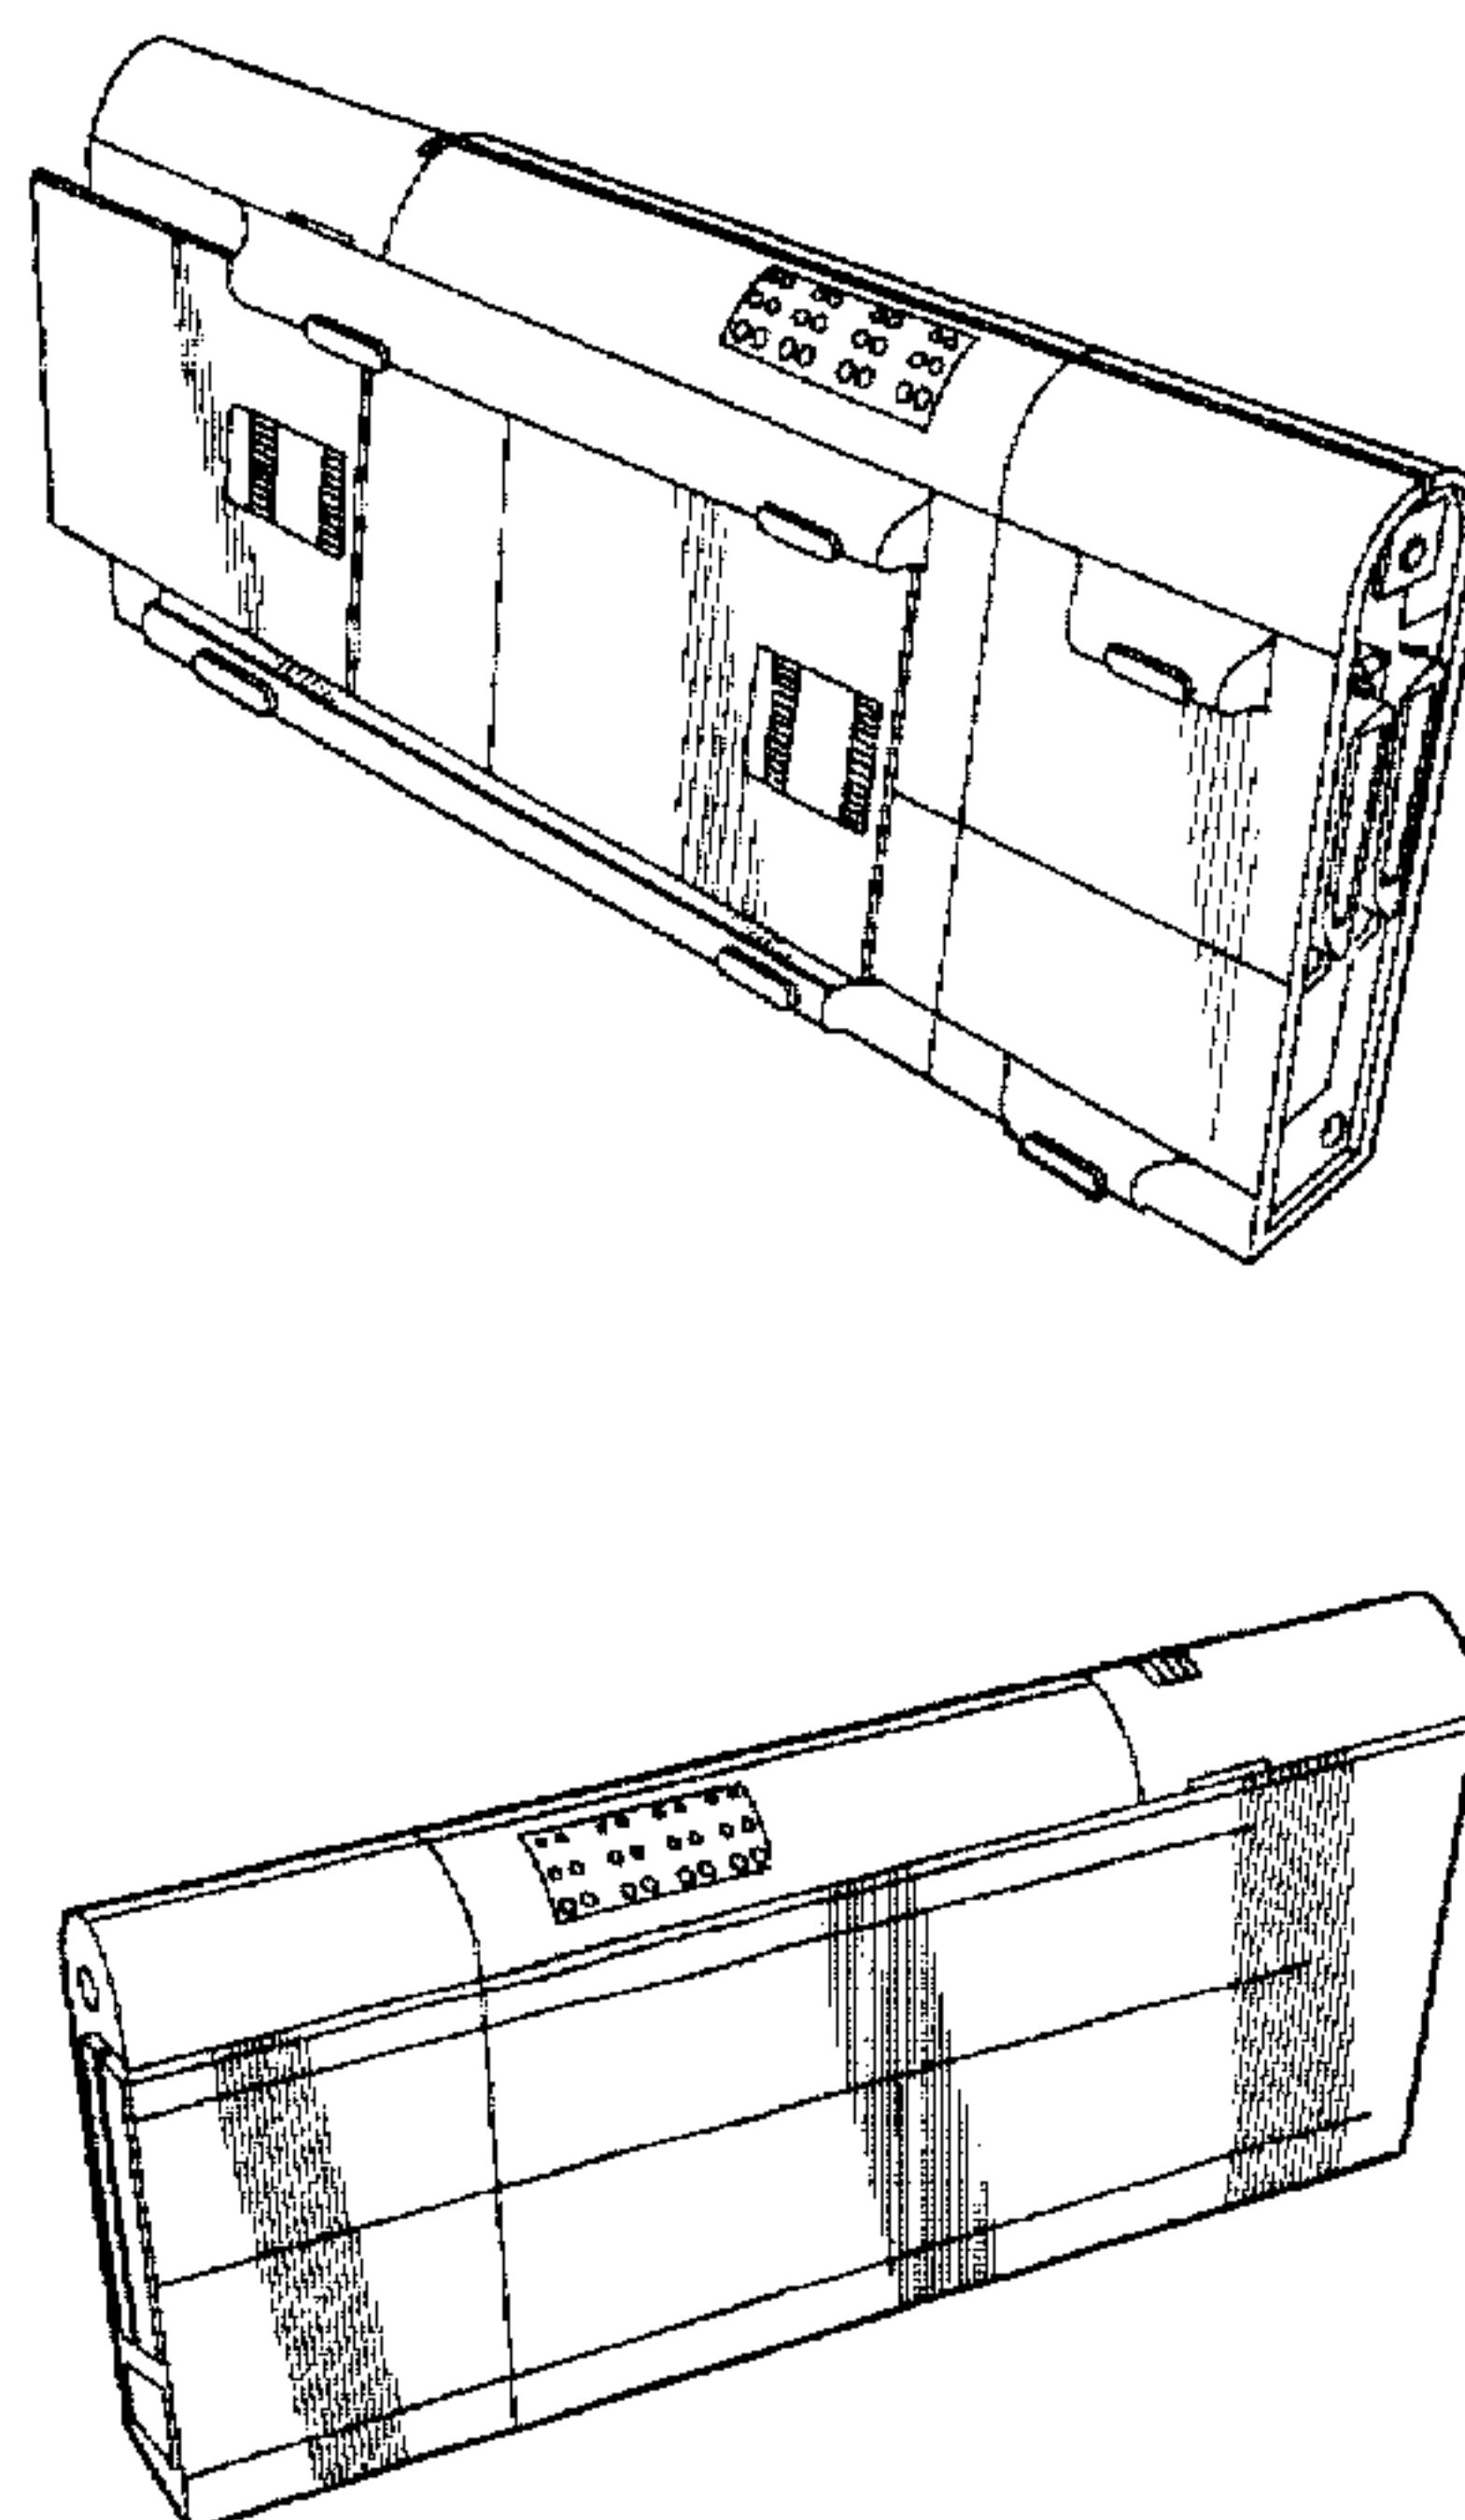

FIG. 12 is a top rear and left side perspective view thereof with disks mounted thereon;

FIG. 13 is a top rear and left side perspective view thereof with disks partially mounted thereon;

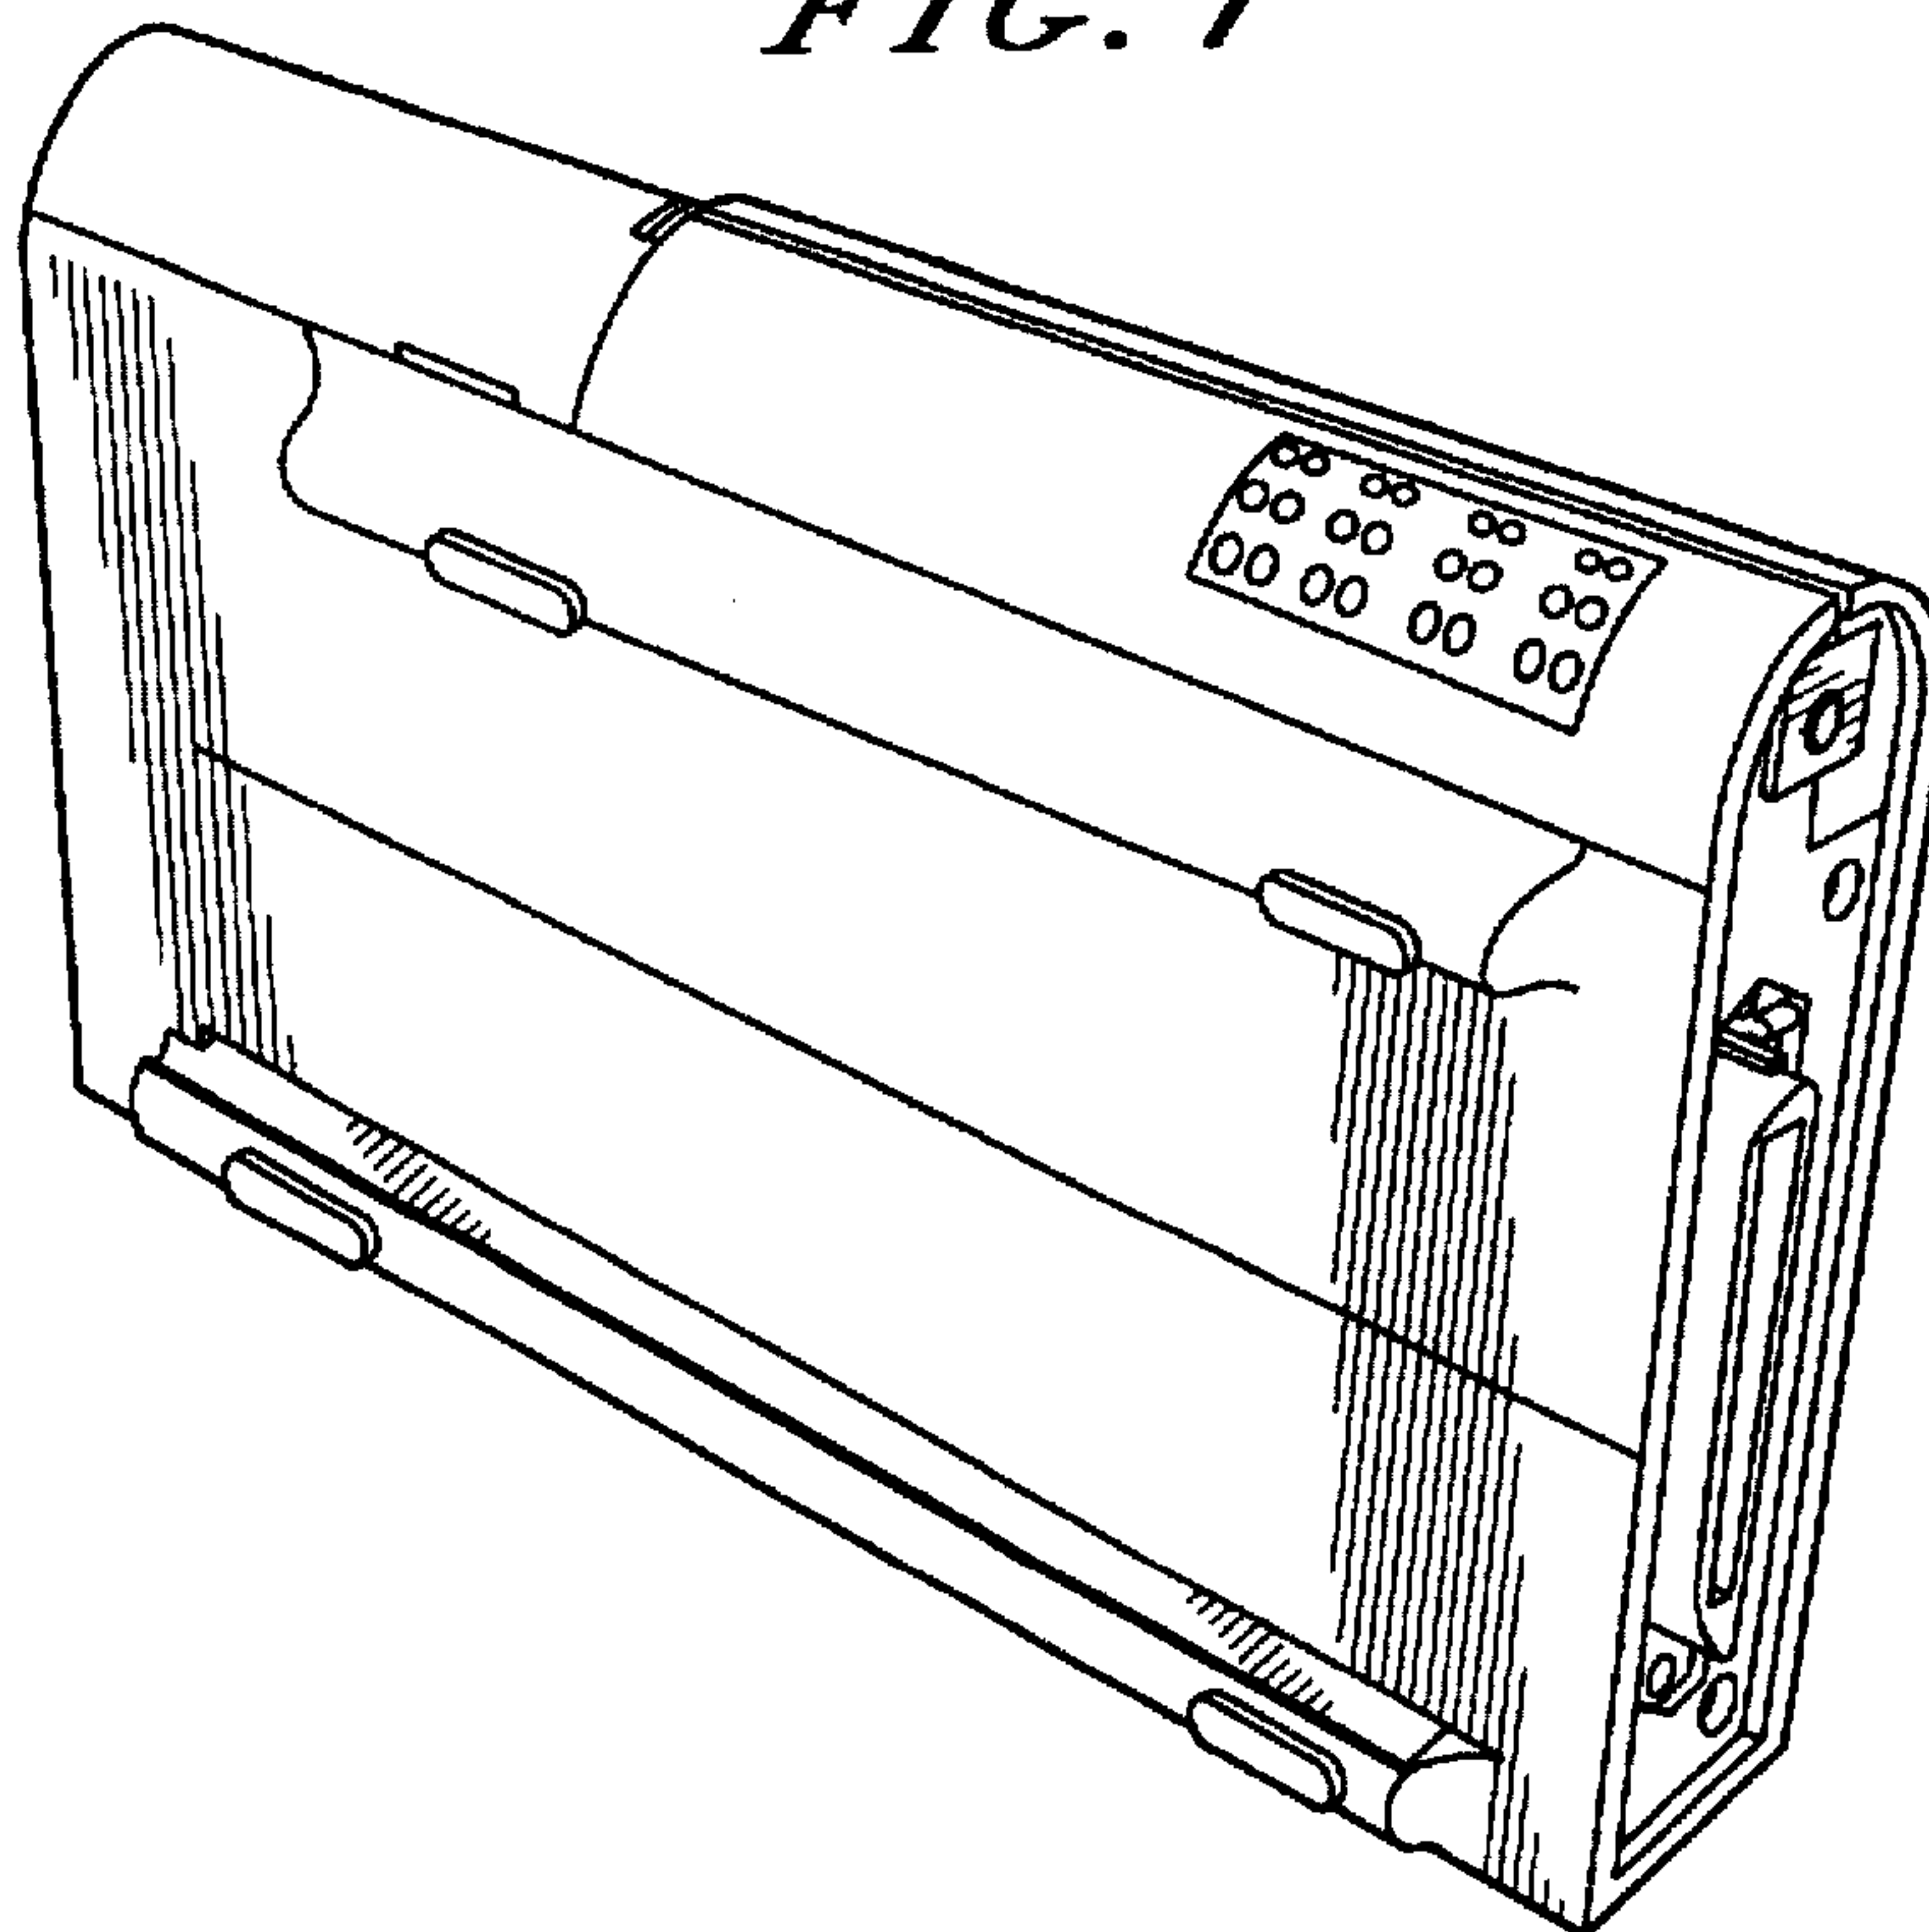

FIG. 14 is a top front and left side perspective view thereof; and,

FIG. 15 is a partial view of the top of the main drive with the slider portion thereof being slid open.
