[57] **CLAIM**

The ornamental design for a vanity with jewelry storage, as shown and described.

**DESCRIPTION**

FIG. 1 is a top left perspective view of a first embodiment of a vanity for jewelry storage, with the side door thereof being in its closed position, showing my design;

FIG. 2 is a front top perspective view of the vanity for jewelry storage of FIG. 1, with the side door thereof being in its open position;

FIG. 3 is a left side elevation view of the vanity for jewelry storage of FIG. 1;

FIG. 4 is a right side elevation view of the vanity for jewelry storage of FIG. 1;

FIG. 5 is a rear elevation view of the vanity for jewelry storage of FIG. 1;

FIG. 6 is a top left perspective view of a second embodiment of the vanity for jewelry storage, with the left side door thereof being in its closed position, showing my design, the only difference between the first and second embodiments being the removal of the mirror and the mirror holder in the second embodiment; and,

FIG. 7 is a front top perspective view of the vanity for jewelry storage of FIG. 6, with the side door thereof being in its open position.

The rear and right side of the second embodiment are the same as the first embodiment shown in FIGS. 4 and 5.

The structures and elements shown in broken lines in FIGS. 1-7 are for illustrative purposes only and form no part of the claimed design.
