[57] CLAIM

The ornamental design for a pneumatic plug with large bypass, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from the front and side of the pneumatic plug with large bypass of my invention;

FIG. 2 is a perspective view taken from the rear and side of the pneumatic plug with large bypass;

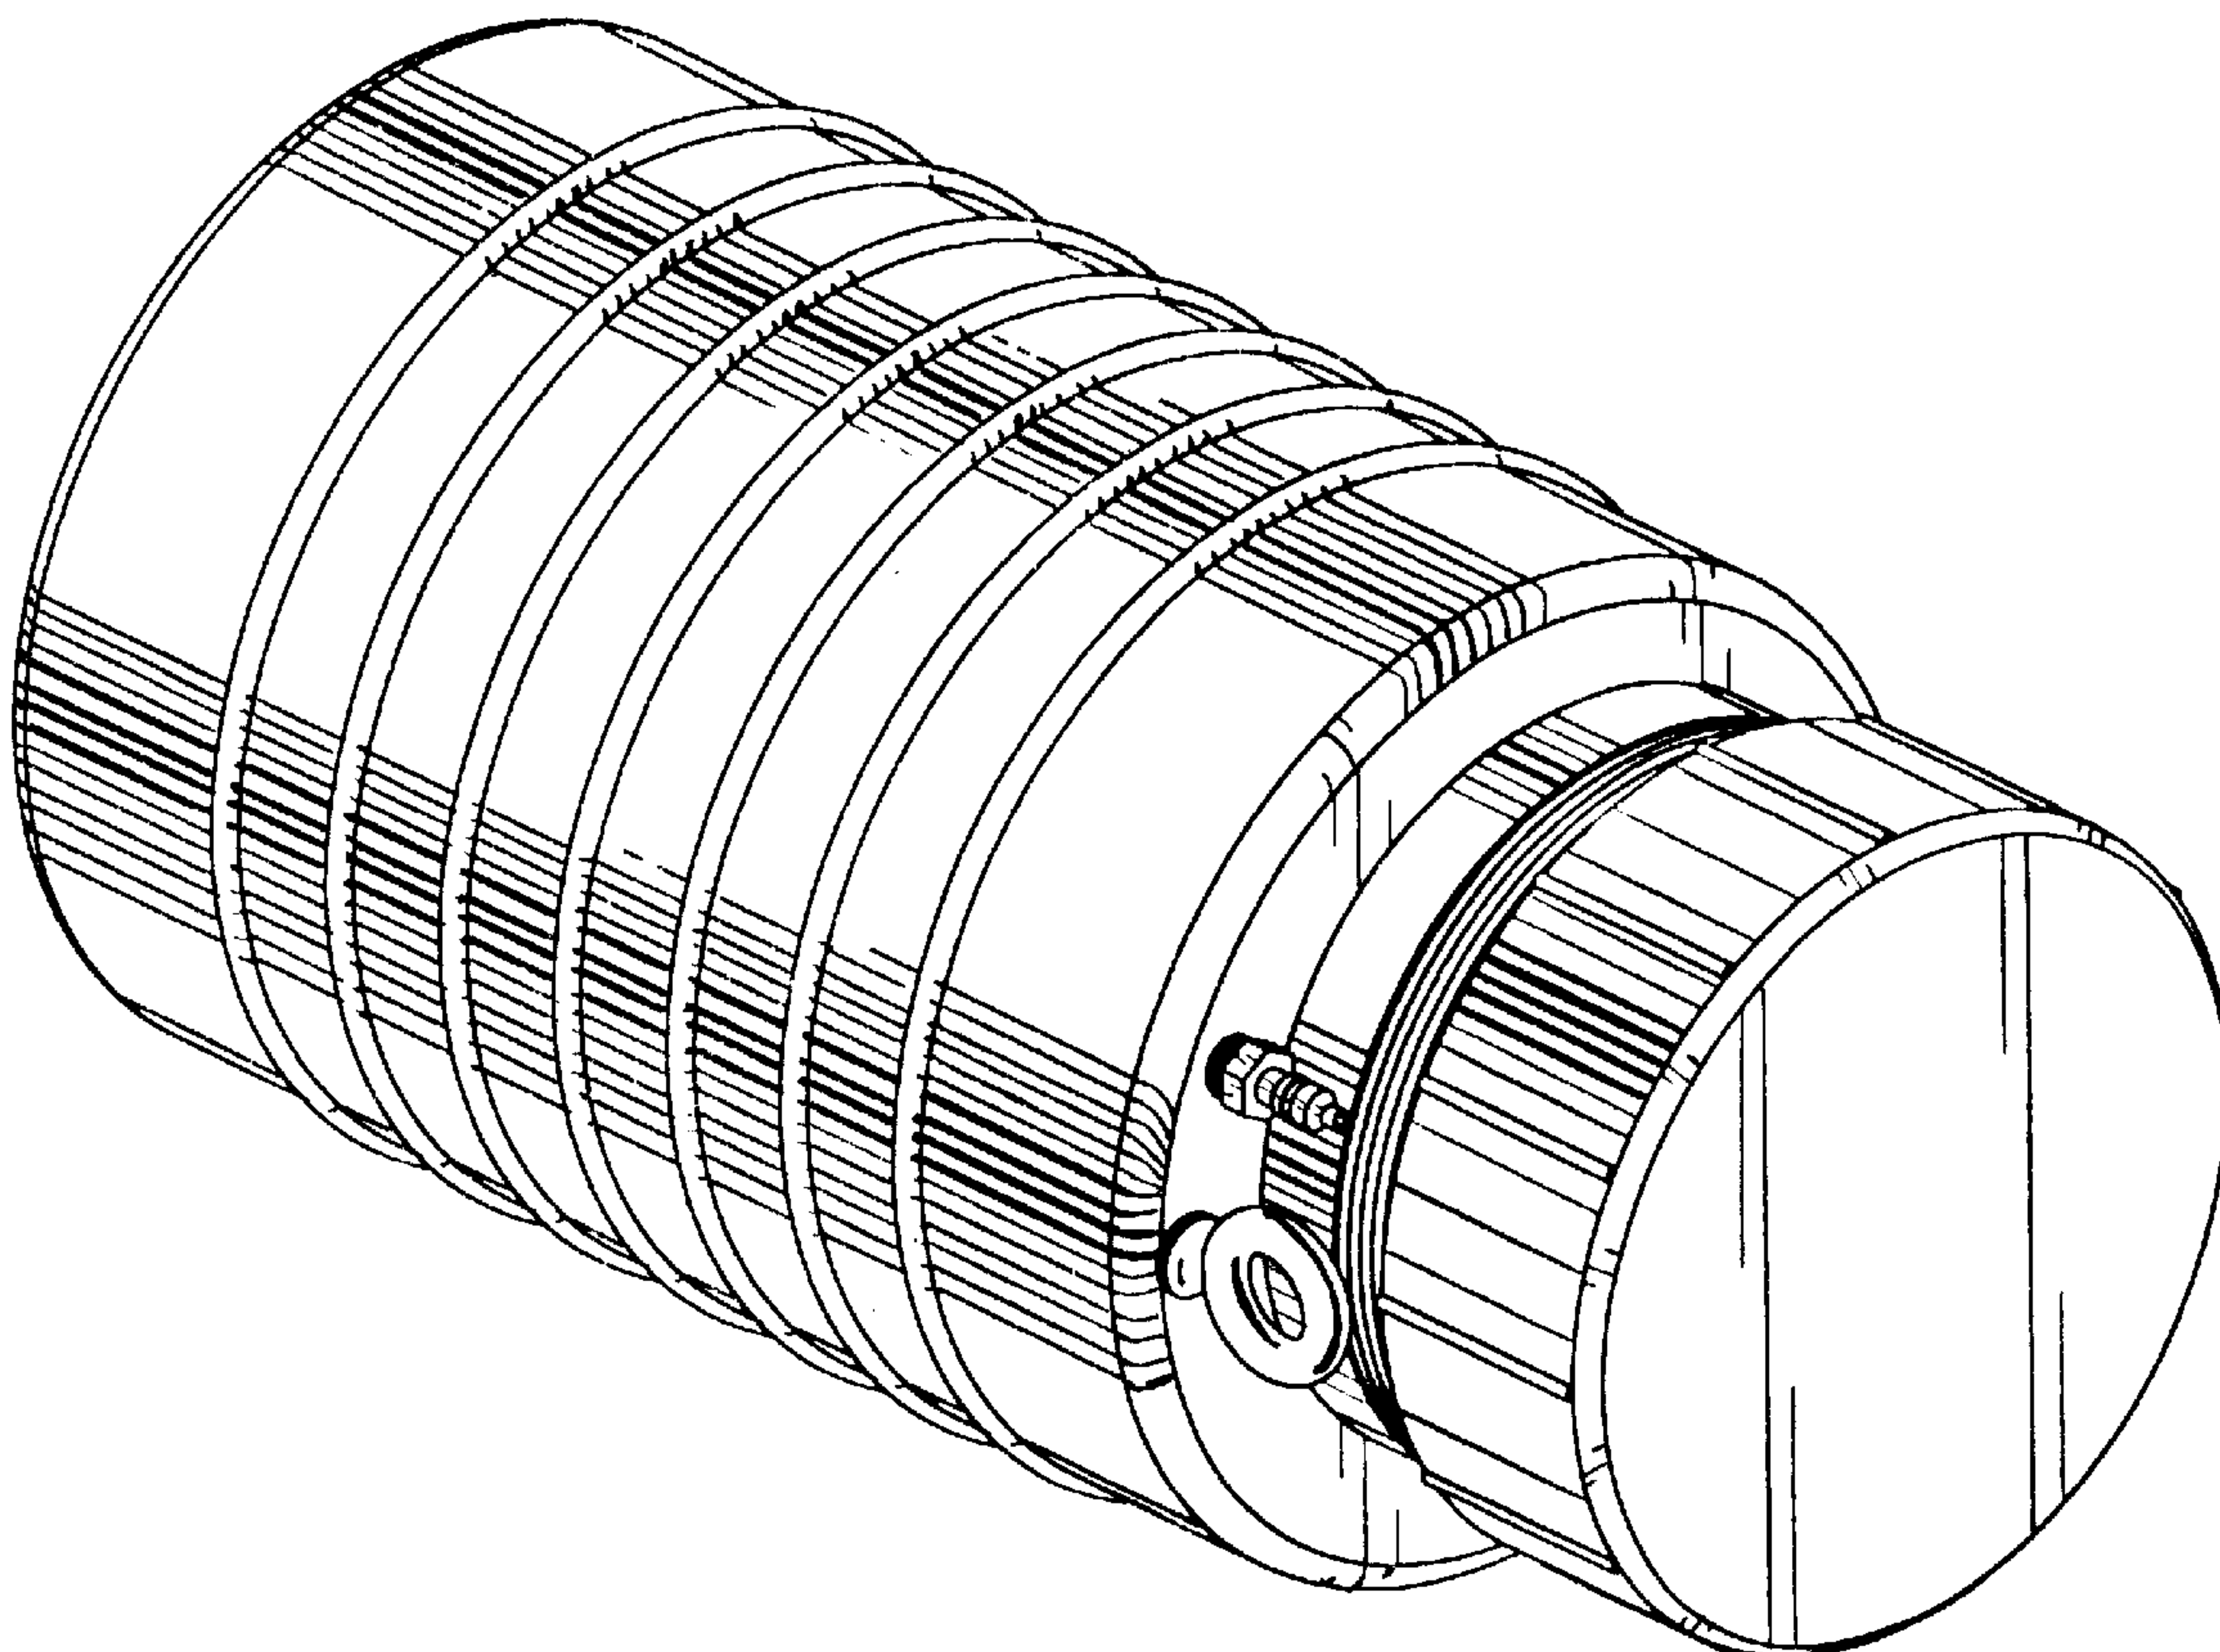

FIG. 3 is a perspective view of the pneumatic plug with large bypass of FIG. 1 and having the cap removed from the front thereof;

FIG. 4 is a side plan view of the pneumatic plug with large bypass of FIG. 3, with the opposite side being a mirror image;

FIG. 5 is a front plan view of the pneumatic plug with large bypass shown in FIGS. 1 and 2; and,

FIG. 6 is a rear plan view thereof.
