[57] **CLAIM**

The ornamental design for a mesh neck protector, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a mesh neck protector showing our new design, the helmet shown in broken lines is for illustrative purposes only and forms no part of the claimed design;

FIG. 2 is a front view thereof;

FIG. 3 is a rear view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a bottom plan view thereof;

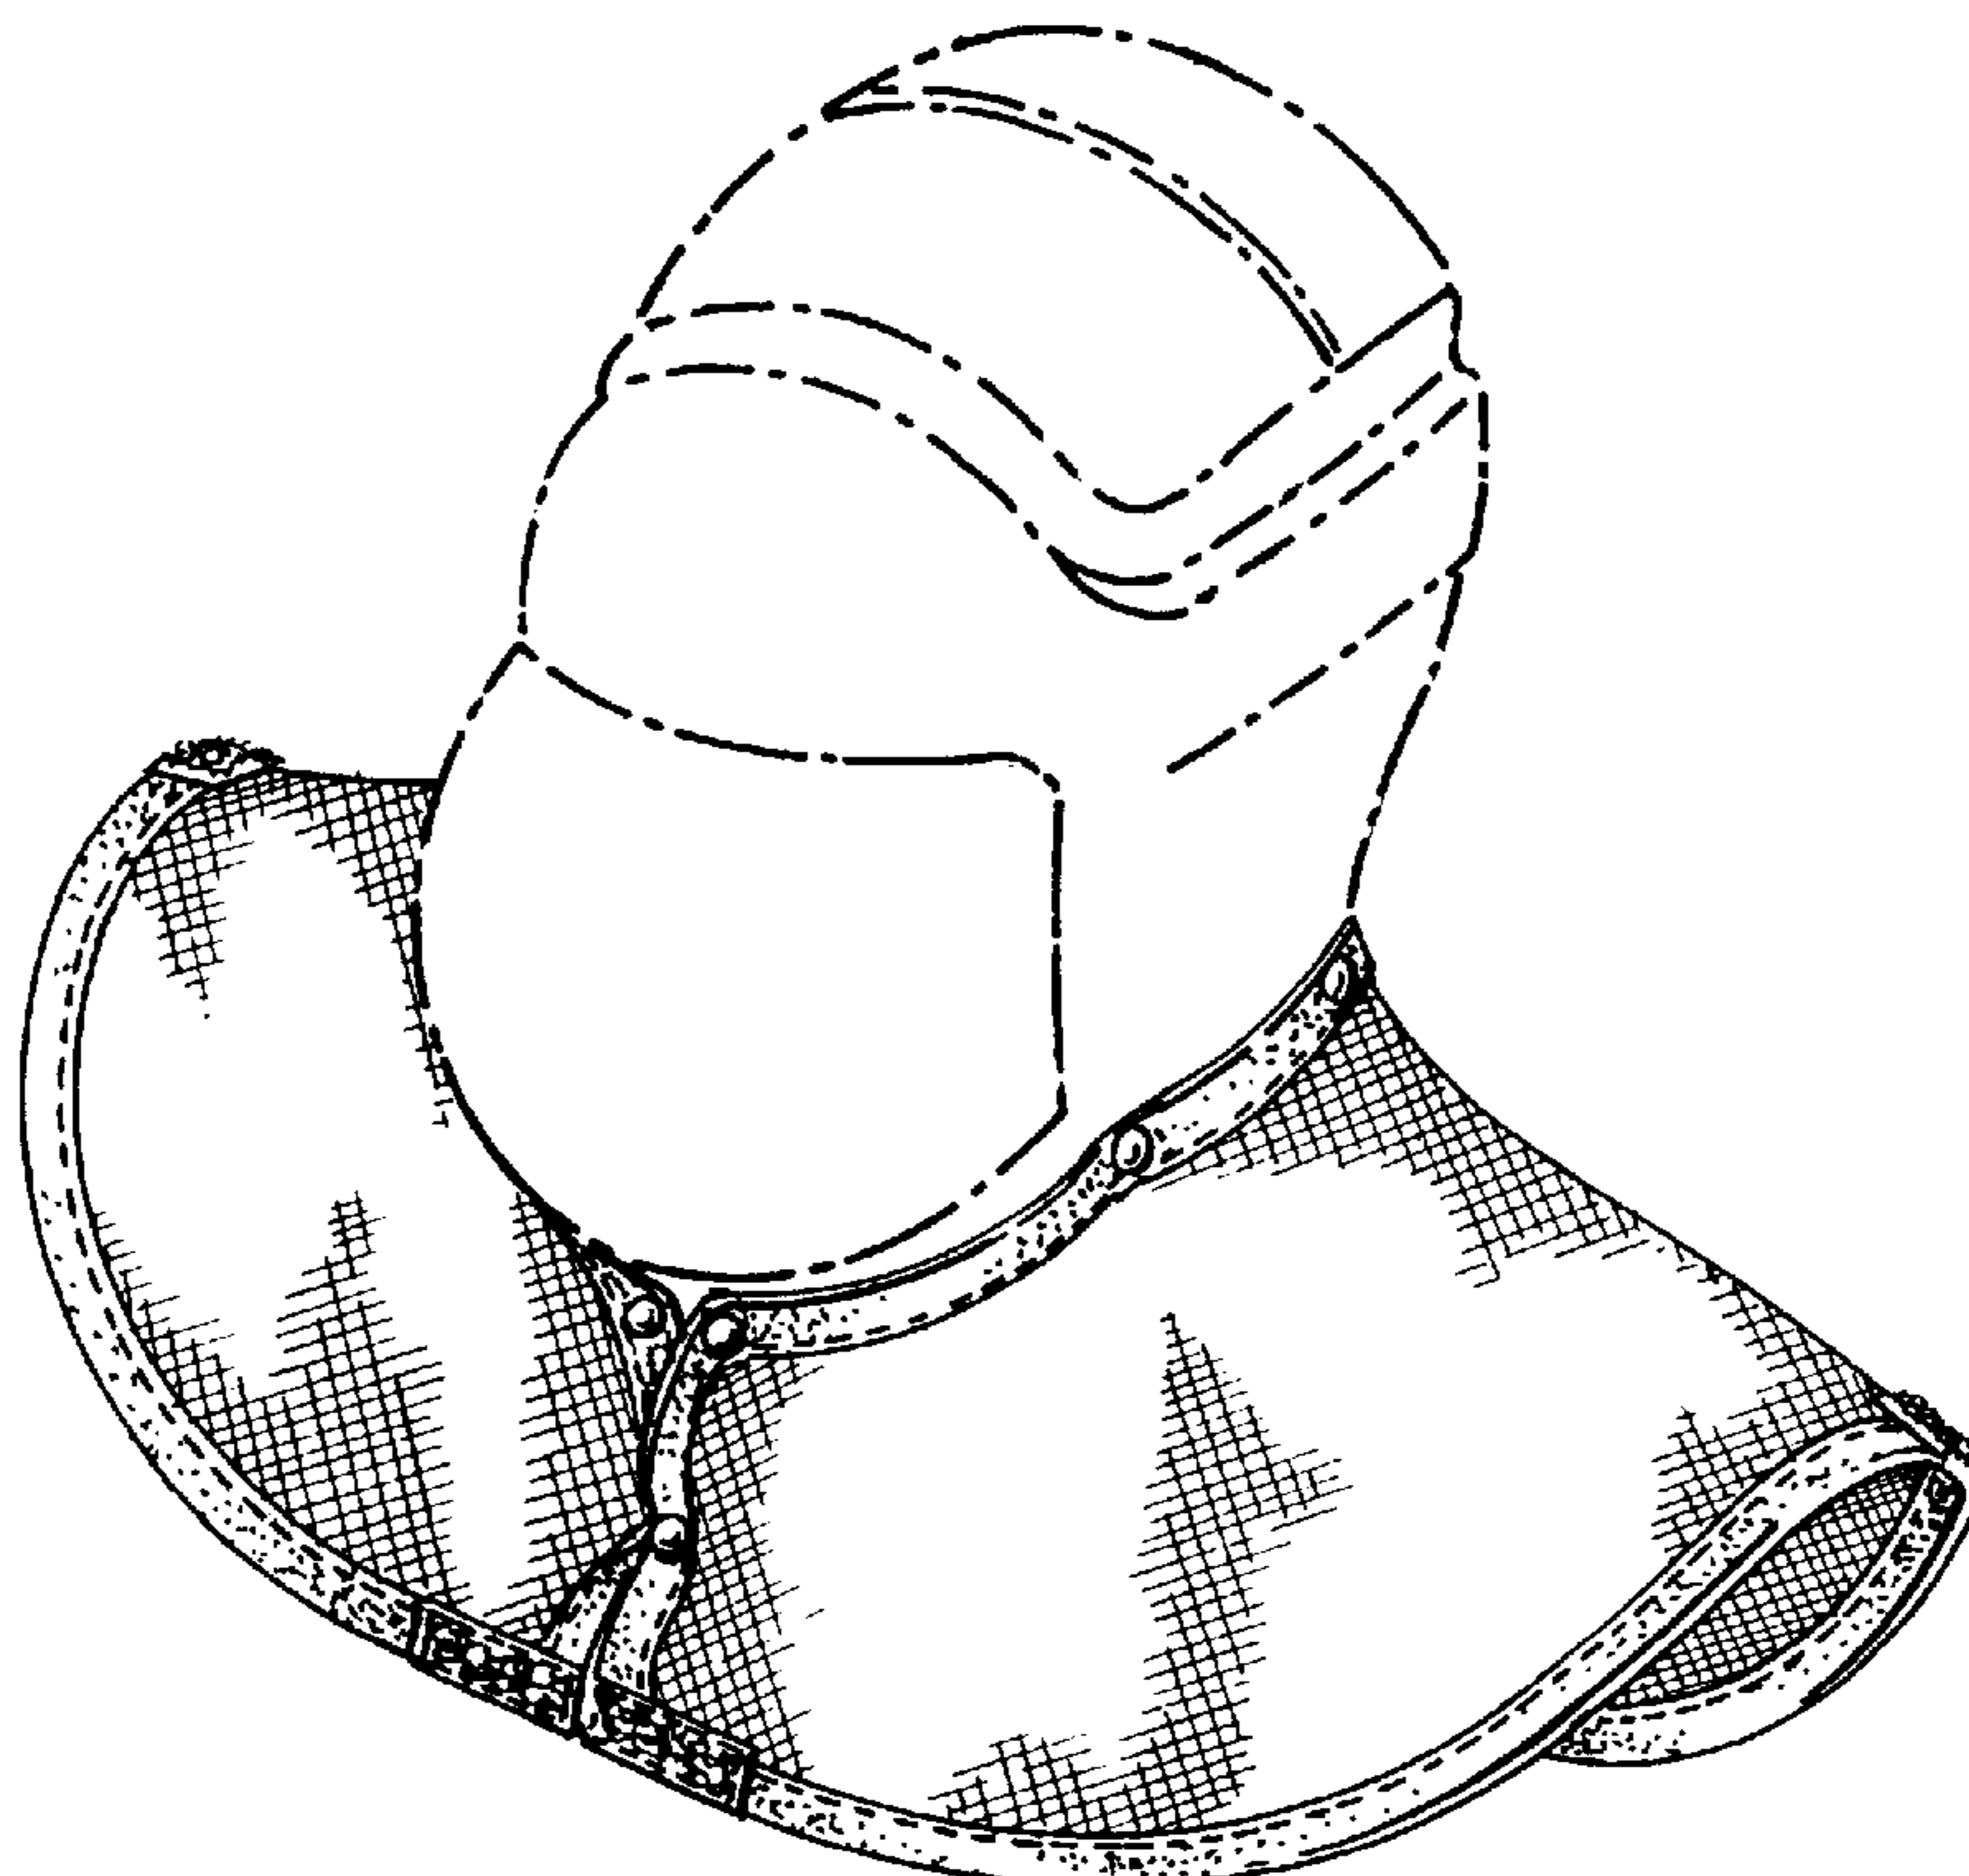

FIG. 6 is a side view thereof, the opposite view being a mirror image thereof;

FIG. 7 is a top plan view of the protector spread out on a planar surface; and,

FIG. 8 is a bottom plan view of what is shown in FIG. 7.

It is to be understood that a mesh pattern, typical of what is shown is uniform and continuous over the entire mesh surface.
