[57] **CLAIM**

The ornamental design for fabric, as shown and described.

DESCRIPTION

The FIGURE shows a top plan view of a fabric design.
The claimed fabric has no substantial thickness.

The outer broken line boundaries of the fabric form no part of the claimed design. The inner broken lines, forming no part of the claimed design, define one repeat unit of the claimed design, which repeats uniformly throughout the entire surface of the fabric.

The appearance of the bottom surface is not claimed.
