[57] **CLAIM**

The ornamental design for an attachment for beverage containers, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an attachment for beverage containers showing my new design with the opposite side view being a mirror image thereof; FIG. 2 is a top plan view of an attachment for beverage containers shown in FIG. 1; and, FIG. 3 is a second perspective view of an attachment for beverage containers shown in FIG. 1. A description of the appearance of the article is as follows: The nature and environmental uses of applicant's new design relates to reusable attachments for placement on the top of beverage containers.
