[57] **CLAIM**

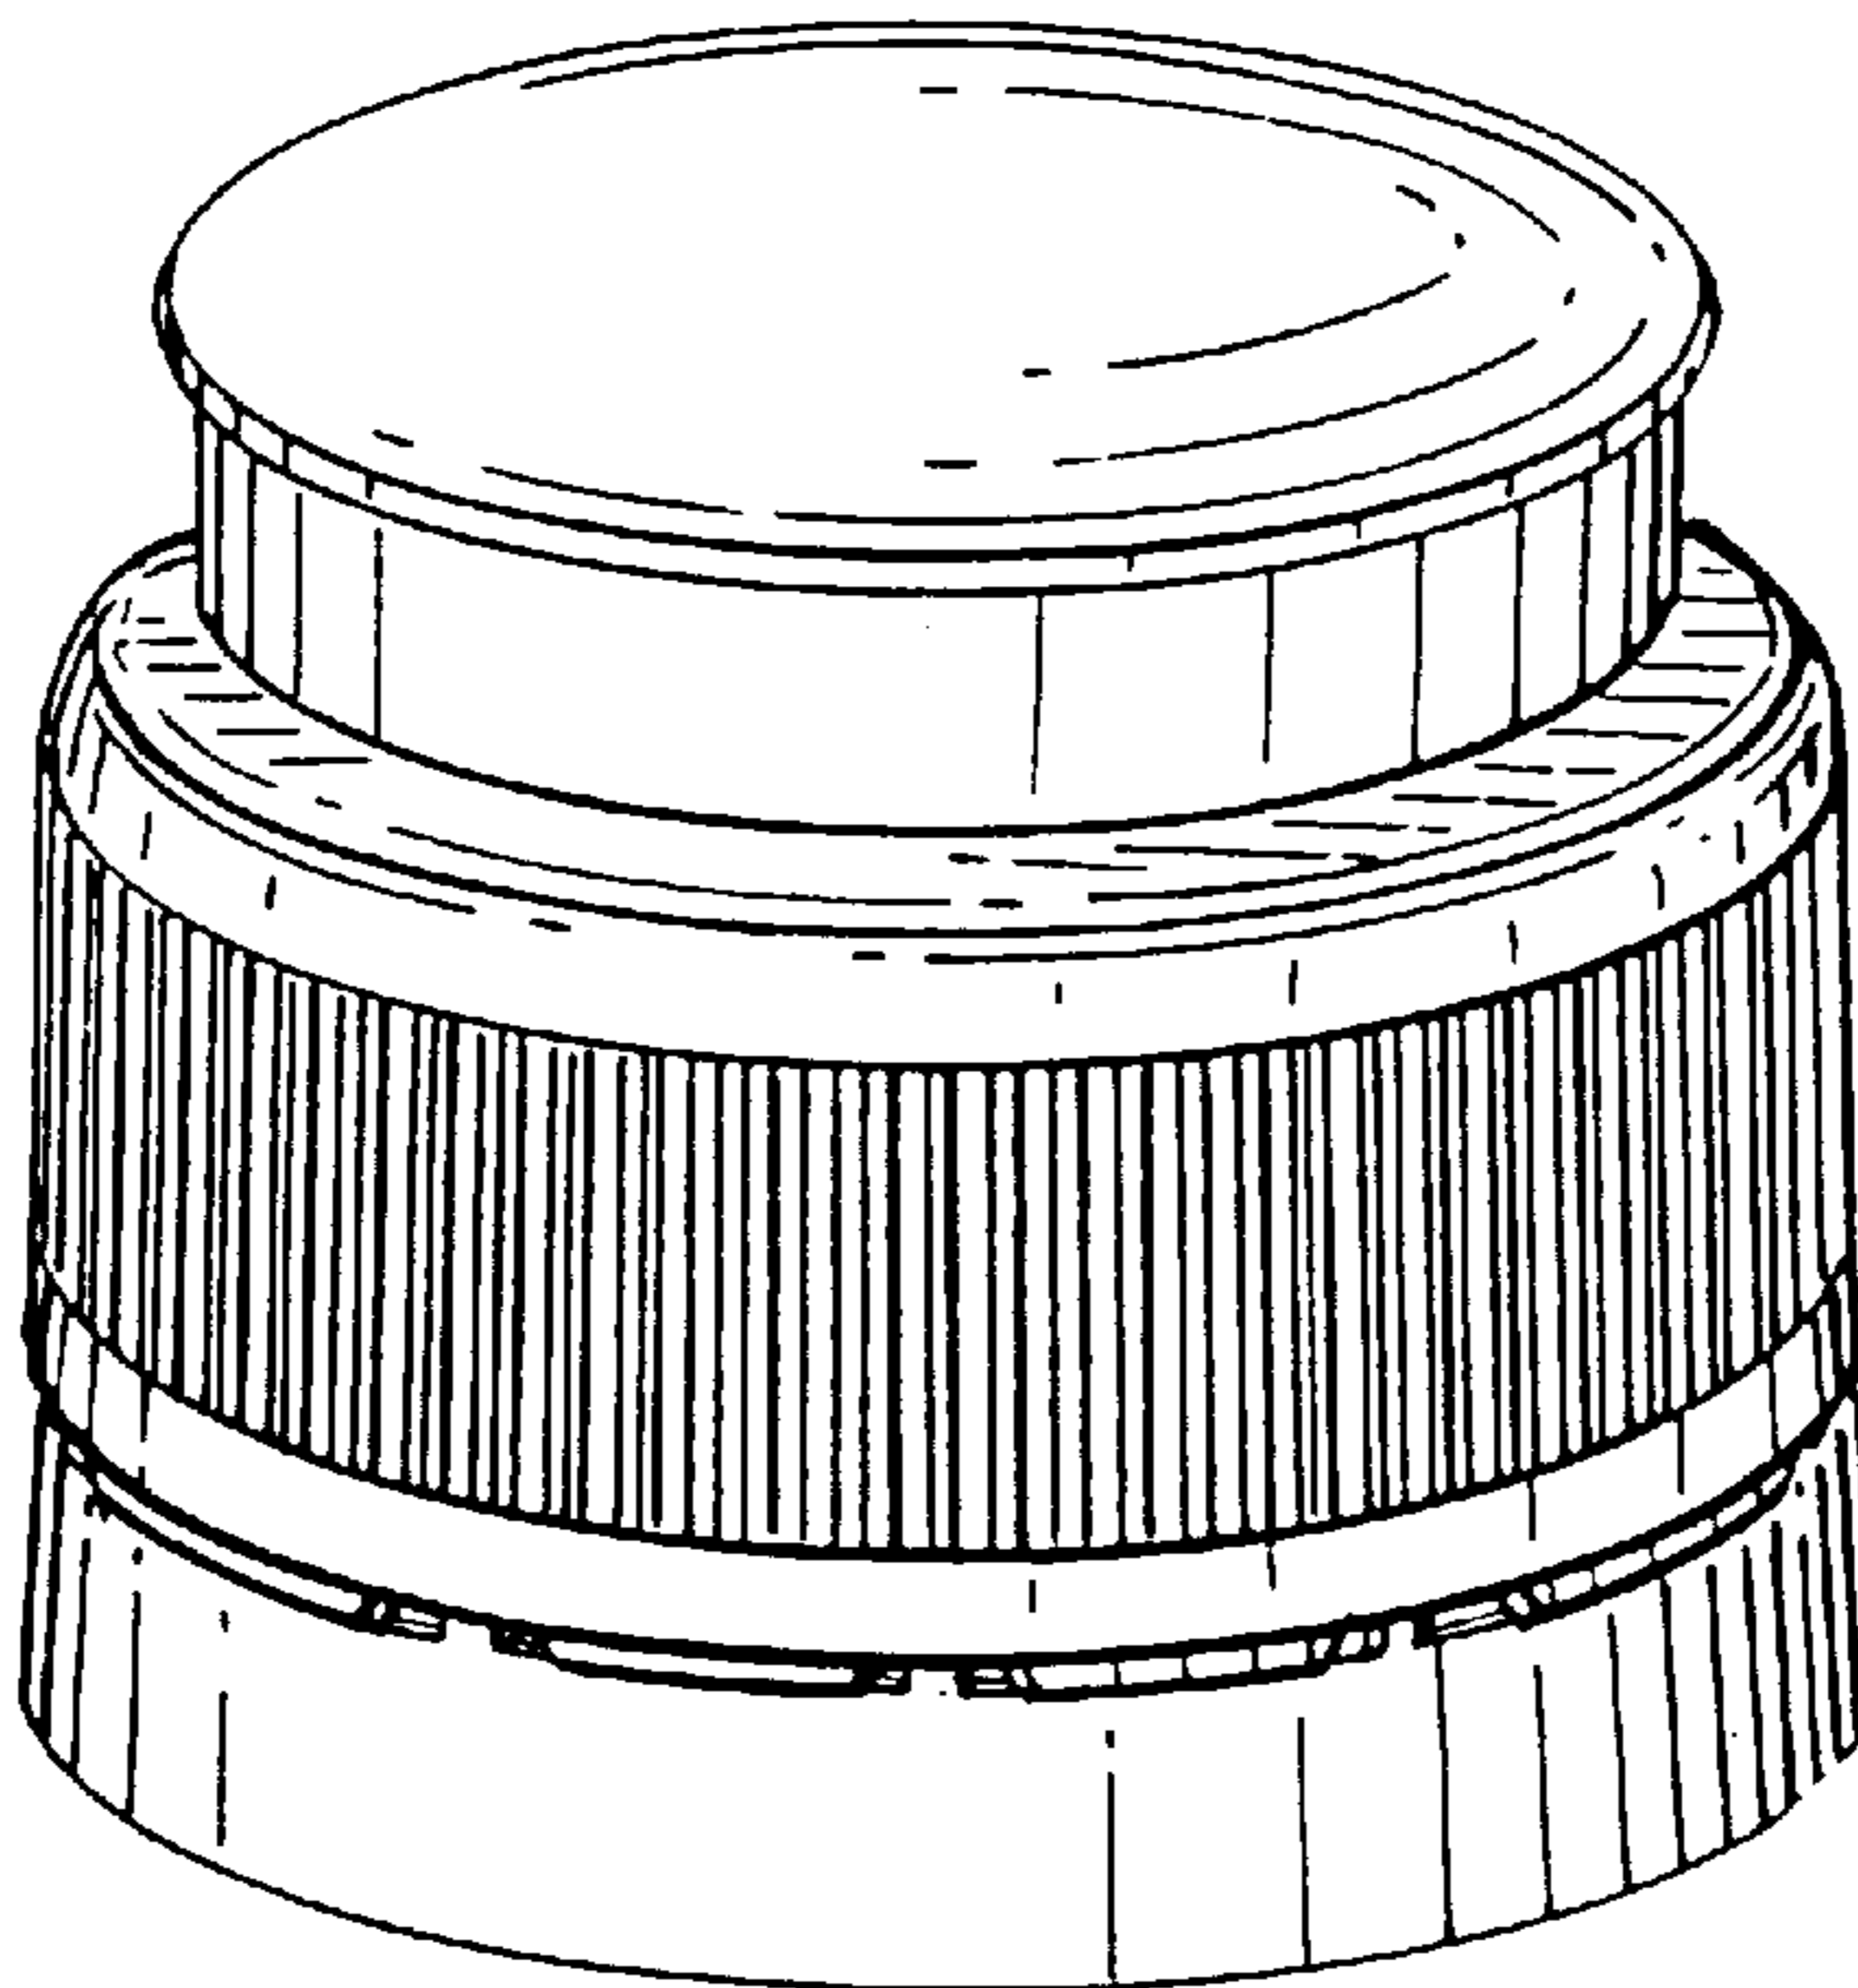

The ornamental design for a dispensing closure with pressure actuated valve, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a dispensing closure with pressure actuated valve showing our design; FIG. 2 is a front elevational view thereof, all elevational views being a mirror image thereof; and, FIG. 3 is a top plain view thereof.

The bottom and interior of the closure form no part of the claimed design.
