[57] CLAIM

We claim the ornamental design for a multi-lavatory, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a multi-lavatory showing our new design;
 FIG. 2 is a front elevational view thereof;
 FIG. 3 is a top plan view thereof;
 FIG. 4 is a left-side elevational view thereof wherein the right-side elevational view is a mirror image of the left;
 FIG. 5 is a perspective view of a second embodiment of the multi-lavatory shown in FIG. 1;
 FIG. 6 is a front elevational view of the second embodiment of the multi-lavatory;
 FIG. 7 is a top plan view of the second embodiment of the multi-lavatory; and,
 FIG. 8 is a left-side elevational view of the second embodiment of the multi-lavatory wherein the right-side elevational view is a mirror image of the left.

In the first and second embodiments, the broken line showings of the shelf, basins, base and the bottom-edge portions of the side walls adjacent to the back wall are for illustrative purposes only and form no part of the claimed design. Further, in the second embodiment, the broken line showings of the vertical-edge and bottom-edge portions of the side walls are for illustrative purposes only and form no part of the claimed design.
