Primary Examiner—Janice E. Seeger

[57] **CLAIM**

The ornamental design for a compact height adjustable bench, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a compact height adjustable bench showing my new design;

FIG. 2 is a front elevational view thereof the rear being identical thereto;

FIG. 3 is a left side elevational view thereof, showing the fully extended position, the right side being an identical image;

FIG. 4 is a left side elevational view thereof, showing the fully collapsed position, the right side being an identical image;

FIG. 5 is a bottom plan view thereof;

FIG. 6 is a perspective view of one variation of the design thereof;

FIG. 7 is a front elevational view of one variation of the design thereof the rear being identical thereto;

FIG. 8 is a left side elevational view of one variation of the design thereof, showing the fully extended position, the right side being an identical image;

FIG. 9 is a left side elevational view of one variation of the design thereof, showing the fully collapsed position, the right side being an identical image;

FIG. 10 is a perspective view of a second variation of the design thereof;

FIG. 11 is a front elevational view of a second variation of the design thereof the rear being identical thereto; and,

FIG. 12 is a bottom plan view of a second variation of the design thereof.
