OTHER PUBLICATIONSSimplicity pattern book; striped divan cover; p. 611, Jan.
1996.*Primary Examiner*—Alan P. Douglas*Assistant Examiner*—Robin V. Taylor*Attorney, Agent, or Firm*—Ostrolenk, Faber, Gerb & Soffen,
LLP[57] **CLAIM**The ornamental design for a divan and armchair cover, as
shown and described.**DESCRIPTION**FIG. 1 is a front perspective view of a slipcover for a divan
or armchair showing my new design, the design a slipcover
provided with three-dimensional bows or ties, the bows or
ties being positioned on the outside of the cover such that
they are disposed in front of each armrest when covering an
armchair or divan, as shown;FIG. 2 is a partial perspective view of the left outer side of
a divan or armchair cover showing my new design, the
slipcover having been installed over a low-armed divan or
armchair;FIG. 3 is a partial perspective view of the left outer side of
a divan or armchair cover showing my new design, the
slipcover having been installed over a high-armed divan or
armchair;FIG. 4 is a partial perspective view of the right inner side of
a divan or armchair cover showing my new design, the
slipcover having been installed over a low-armed divan or
armchair;FIG. 5 is a partial perspective view of the right inner side of
a divan or armchair cover showing my new design, the
slipcover having been installed over a high-armed divan or
armchair;FIG. 6 is a back perspective view from the left side of a
divan or armchair cover, the bows of my new design being
obscured from view on the front of the armrests, the slip-
cover having been installed over a divan or armchair; and,FIG. 7 is a front elevation of a divan or armchair slipcover
showing my new design, the slipcover having a modified
construction revealing an open seam below the bow, and
having been installed over a low-armed divan or armchair
the remaining sides having the same look as disclosed in
