## [57] CLAIM

The ornamental design for a slide latch, as shown and described.

## DESCRIPTION

FIG. 1 is a perspective view a slide latch embodying our design;

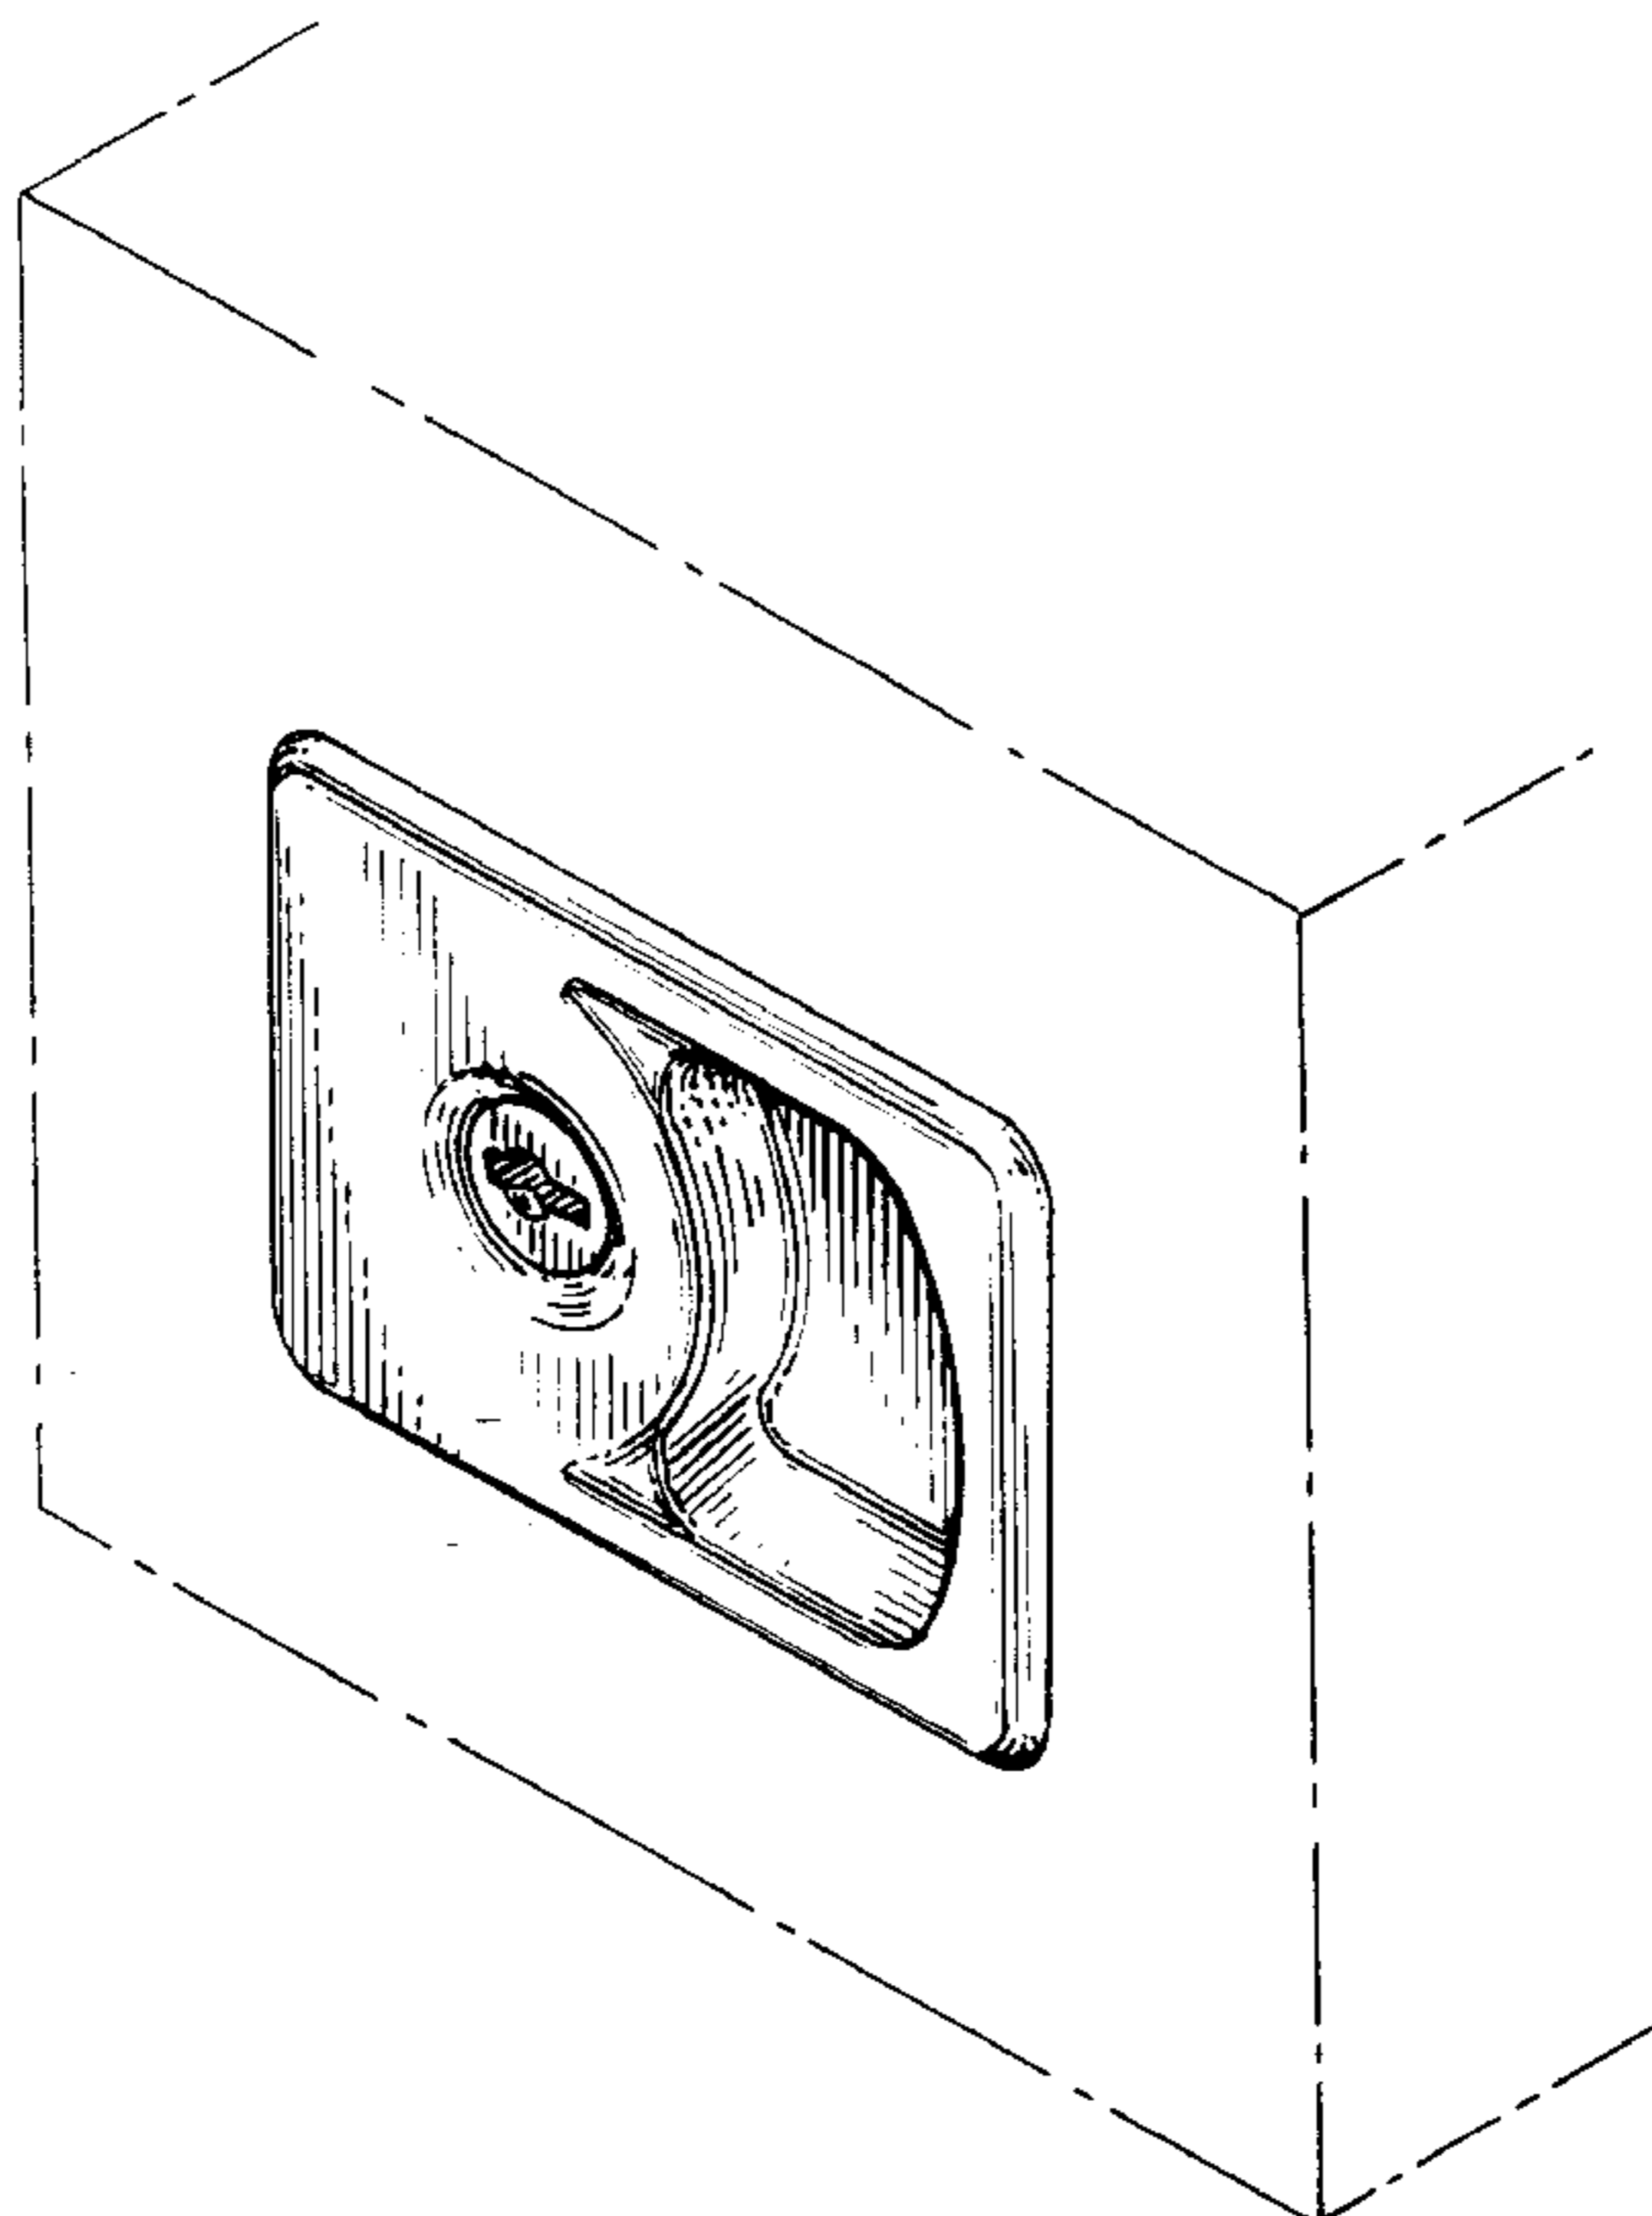

FIG. 2 is a top plan view thereof;

FIG. 3 is a front elevational view thereof, the rear elevational view being a mirror image of that shown; and,

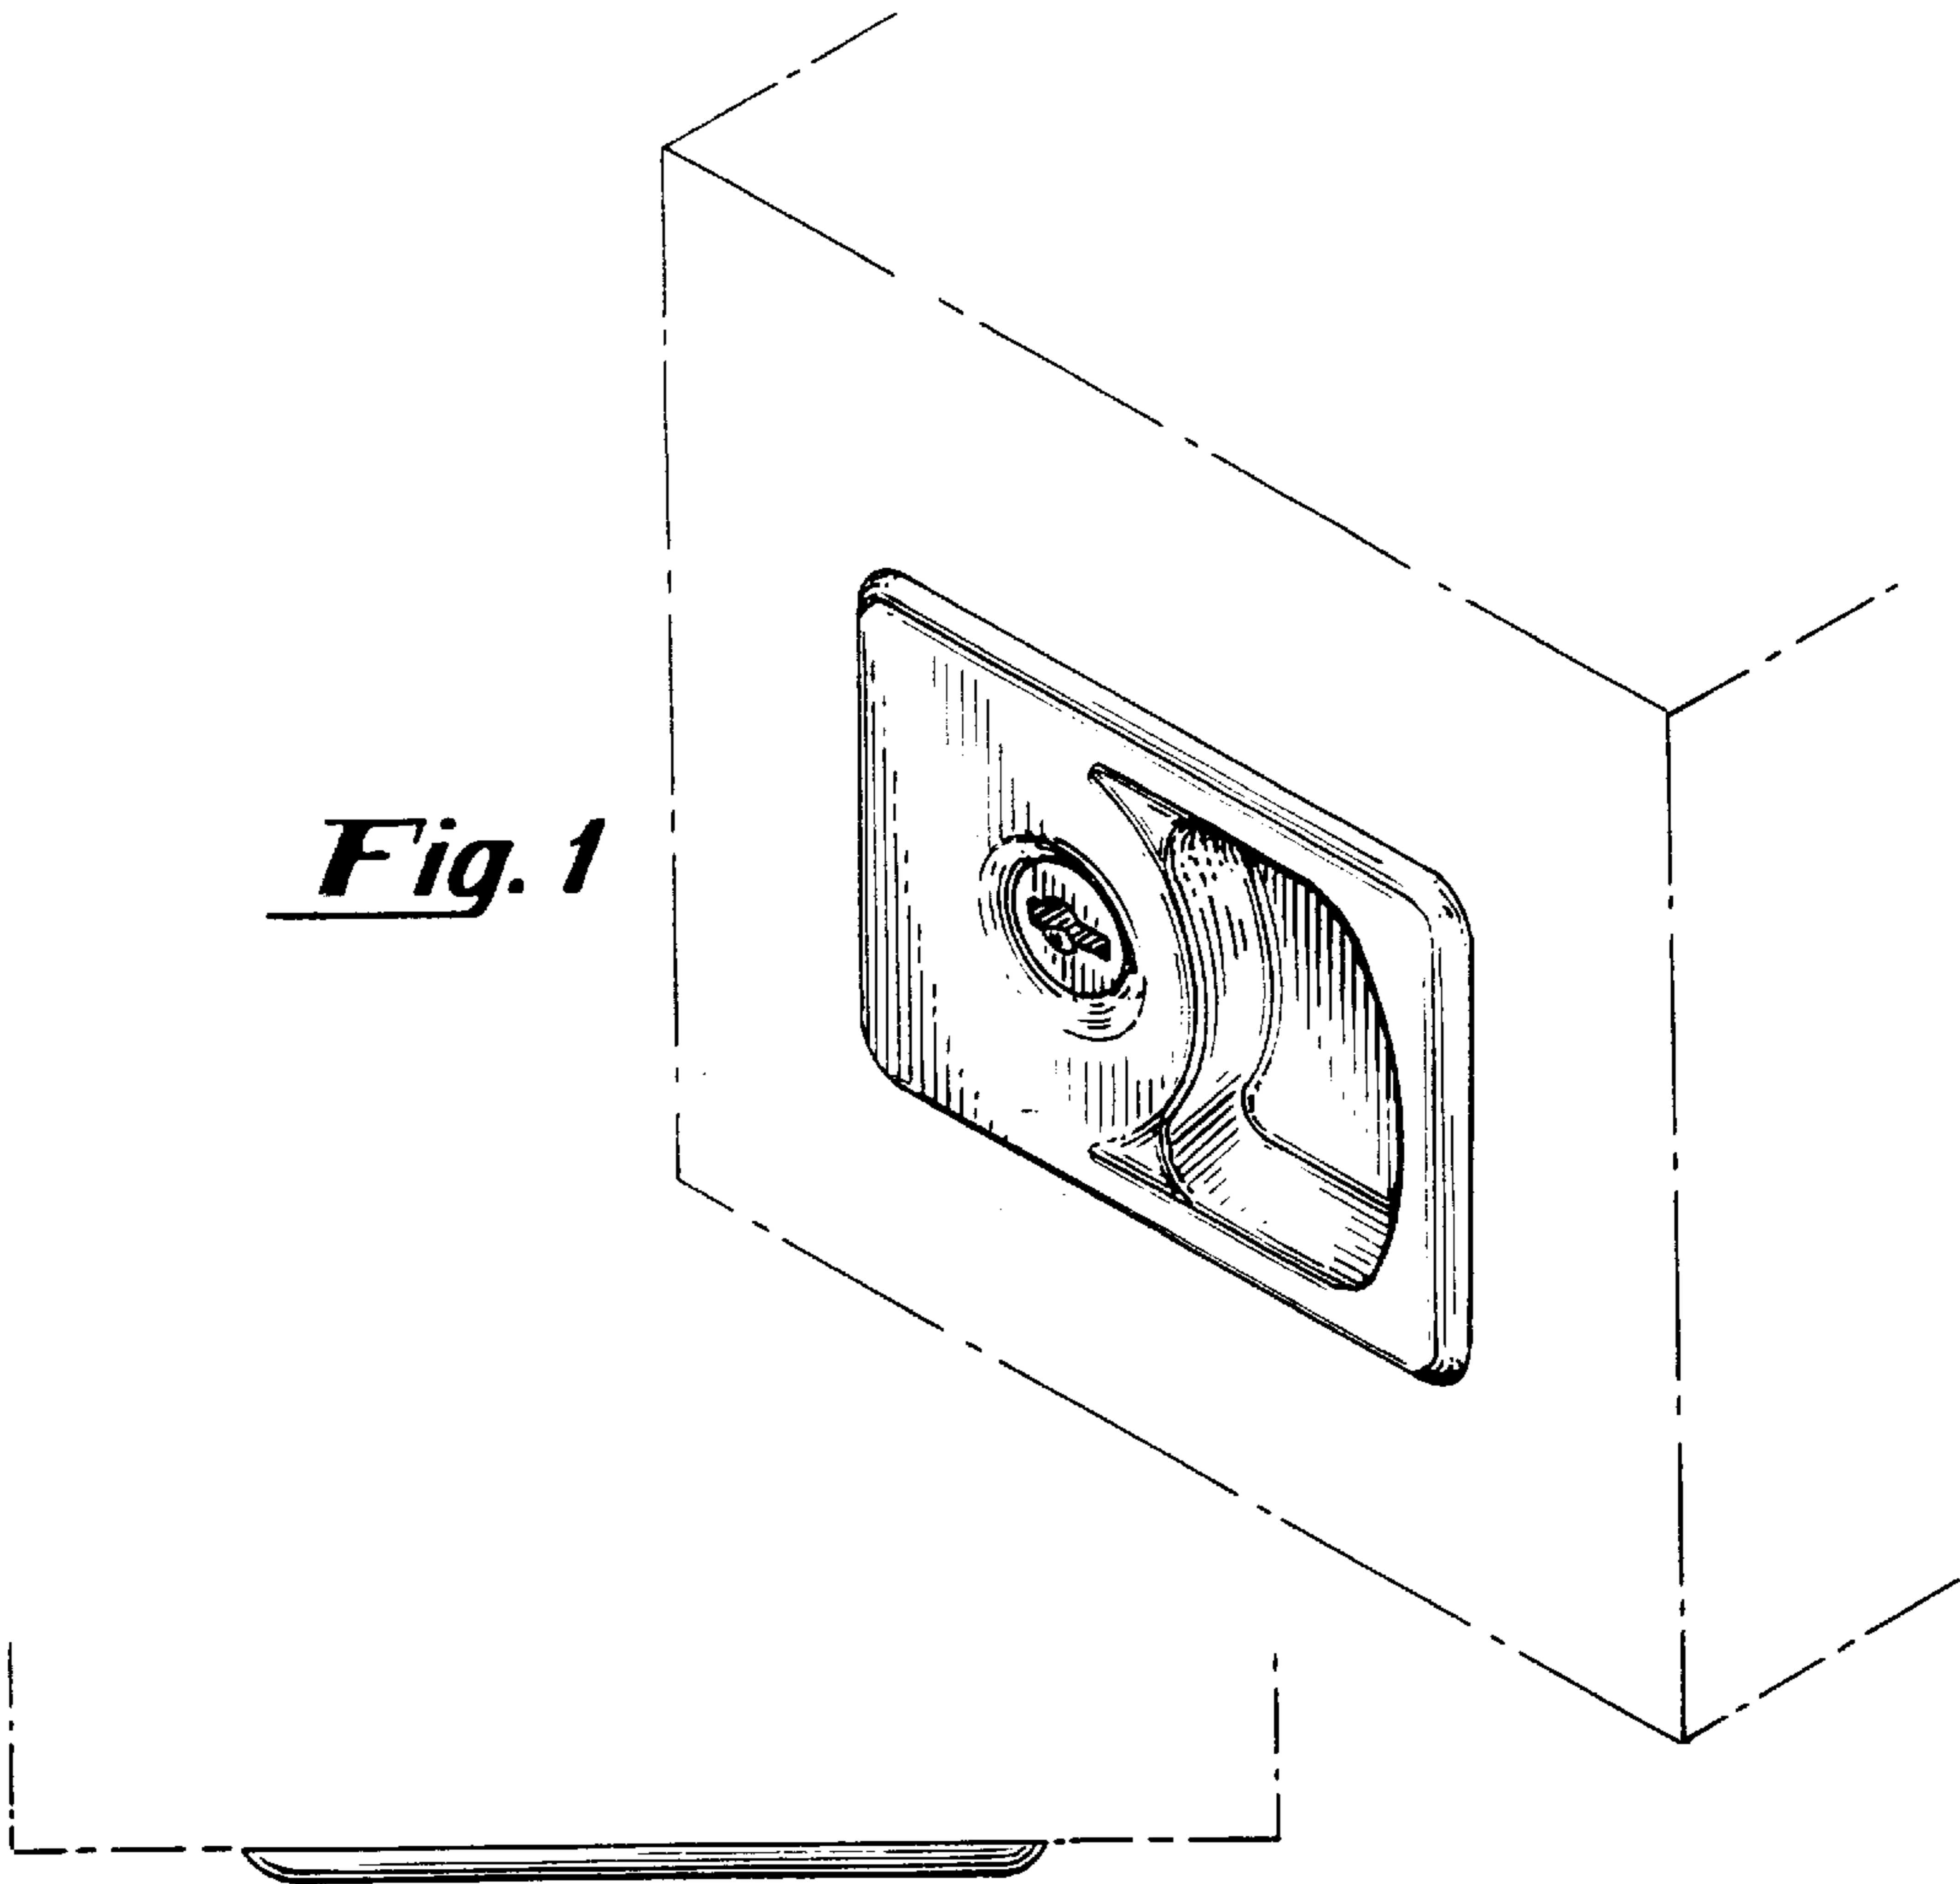

FIG. 4 is a right side elevational view thereof, the left side elevational view being a mirror image of that shown.

The broken lines showing a panel in which the slide latch is mounted is for illustrative purposes only and forms no part of the claimed design.
