[57] **CLAIM**

The ornamental design for a front face having a wooden appearance for a vending machine, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a front face having a wooden appearance for a vending machine showing our new design;

FIG. 2 is a front elevational view of a second embodiment of a front face having a wooden appearance for a vending machine disclosed in FIG. 1;

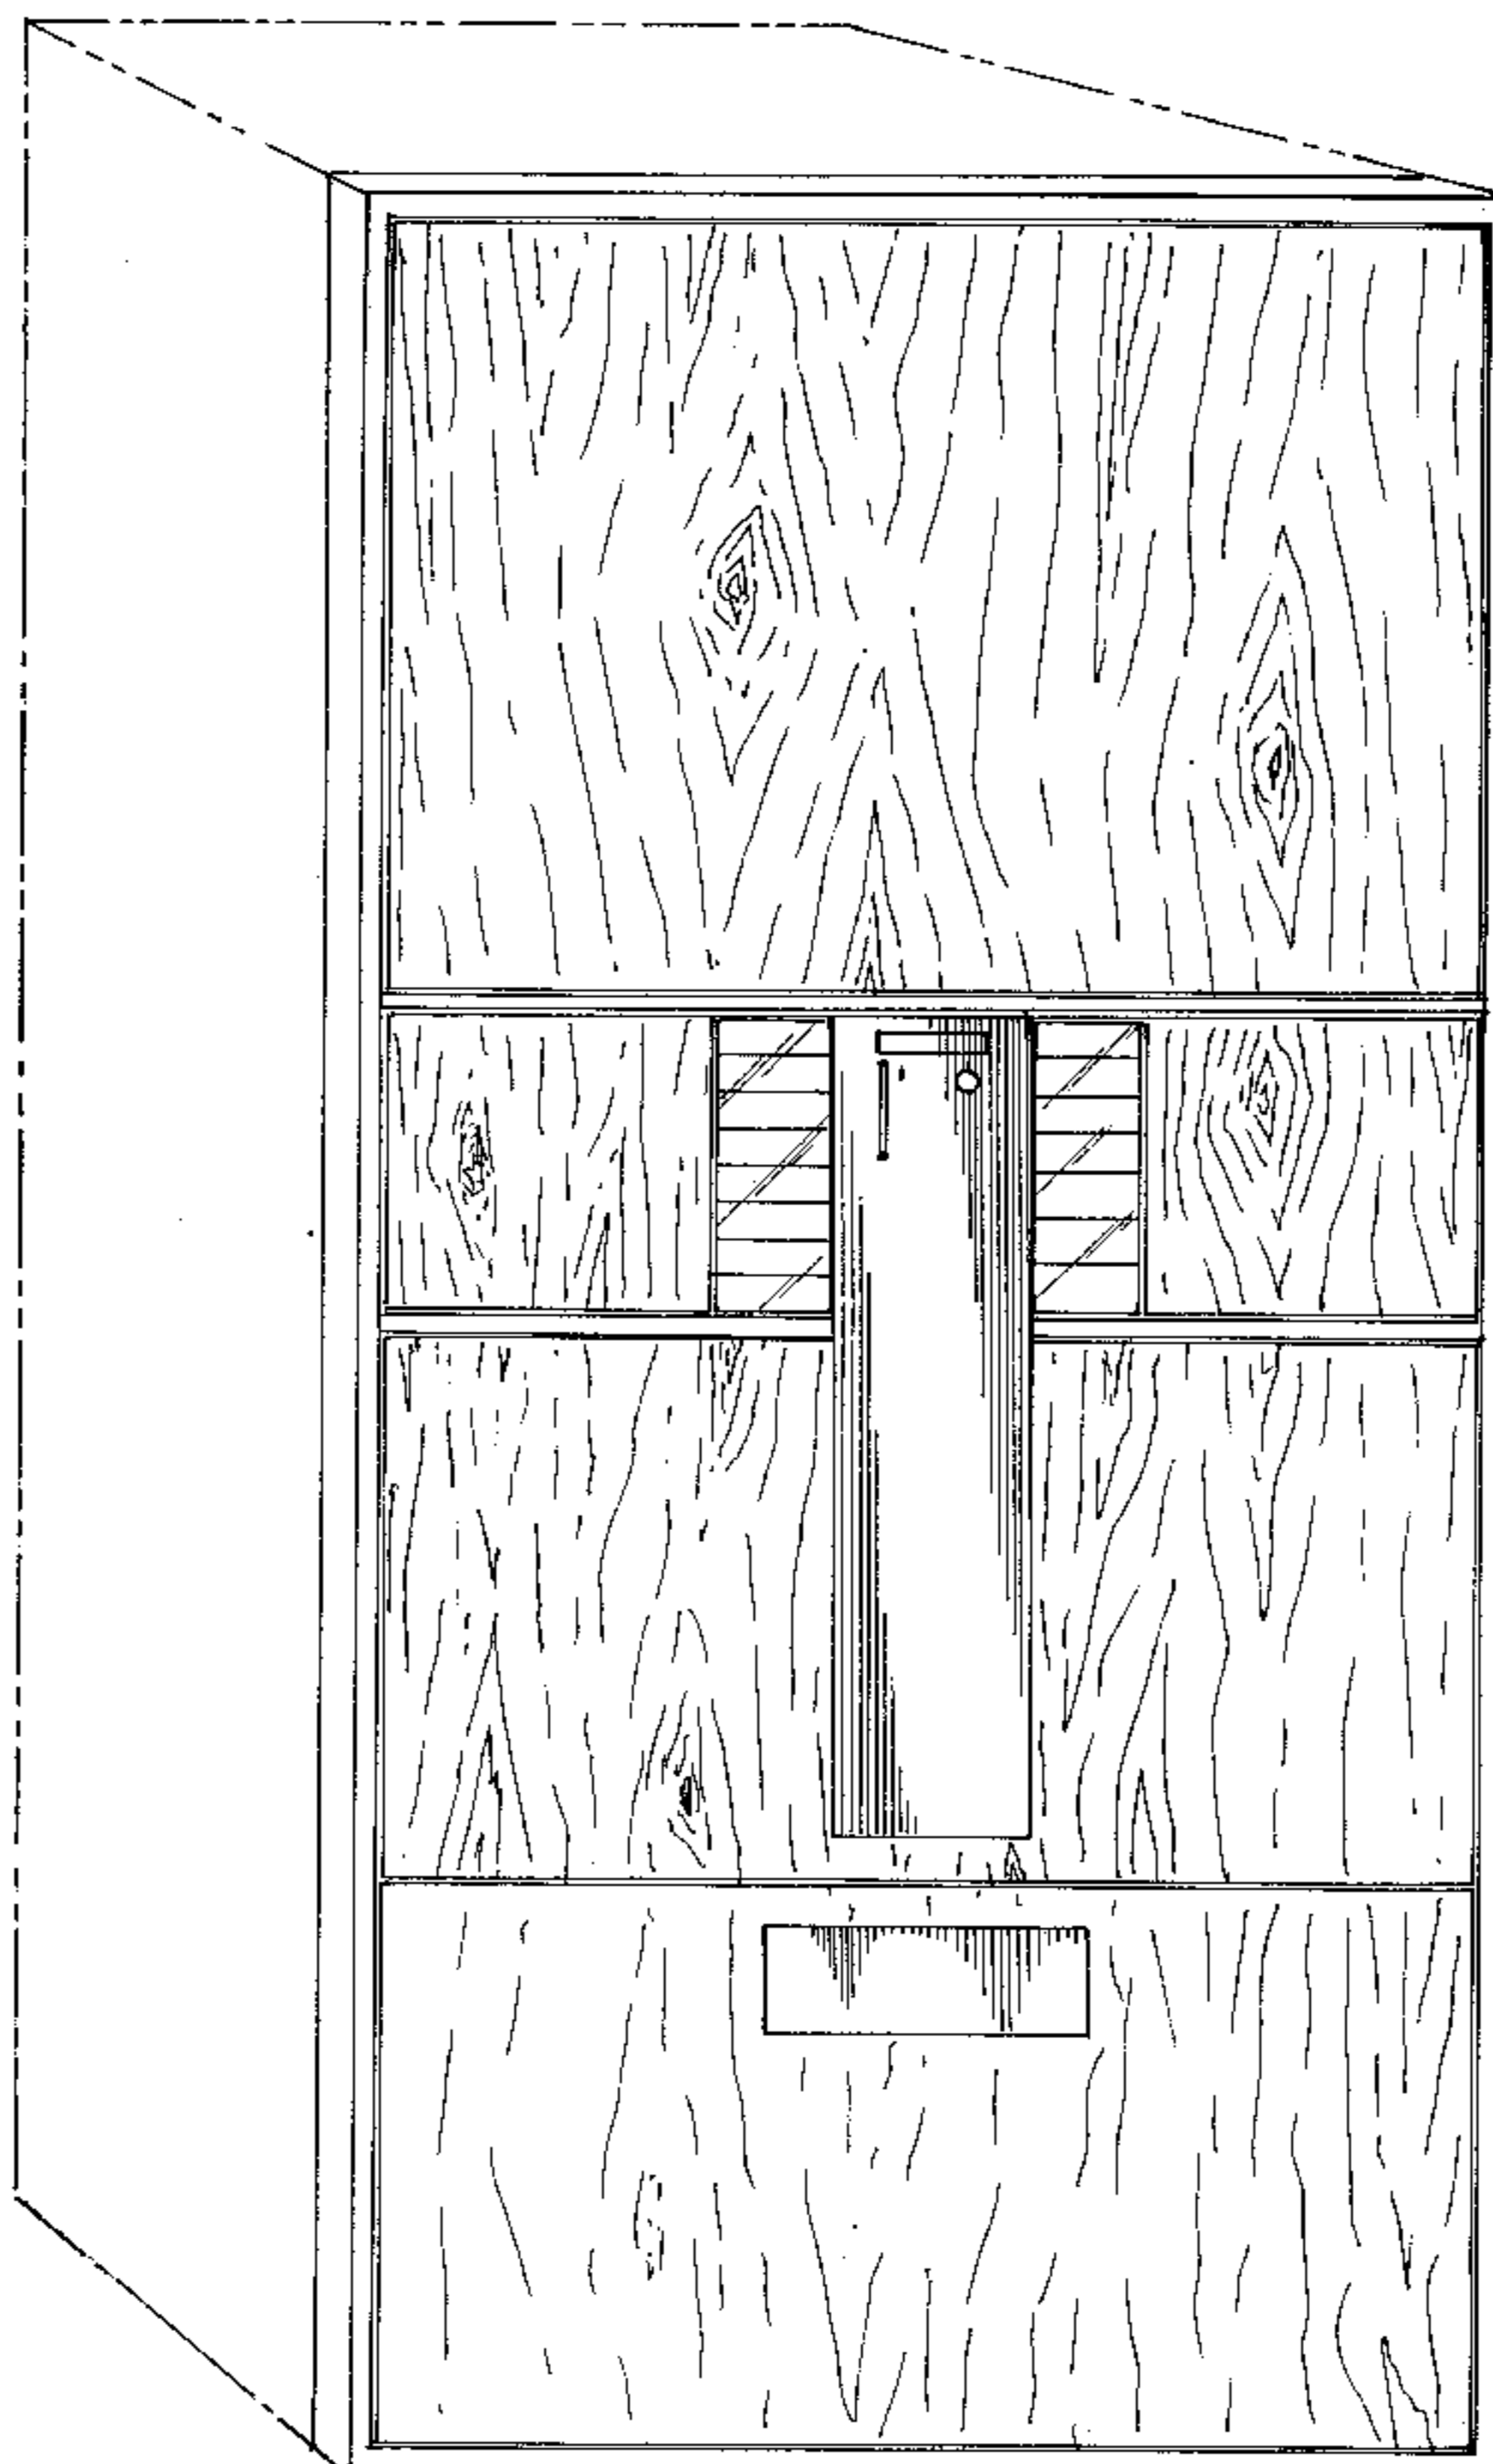

FIG. 3 is a right side elevational view of the front face having a wooden appearance for a vending machine, the left side being identical; and,

FIG. 4 is a top plan view of the front face having a wooden appearance for a vending machine, the bottom being identical.

The undisclosed sides of the second embodiment are identical to those of the first embodiment.

The undisclosed rear side forms no part of the claimed design.
