[57] **CLAIM**

The ornamental design for an orthodontic brace installer, as shown and described.

DESCRIPTION

FIG. 1 is an end elevational view of the orthodontic brace installer in use, the other end view being a mirror image thereof;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a top plan view thereof; and,

FIG. 5 is a bottom plan view thereof.

The broken line showing of the, light source, fiber optic cable, bracket and tooth FIG. 1 is for illustrative purposes only and forms no part of the claimed design. The orthodontic brace installer is used in orthodontic processes.
