[57] CLAIM

The ornamental design for a miter gauge holder for a table saw, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view from the left side of an embodiment of a miter gauge holder for a table saw showing our new design;

FIG. 2 is a left side elevational view of the embodiment; and, FIG. 3 is a left side elevational view of the embodiment with a miter gauge holder for a table saw disposed therein.

In the above drawings, any broken line illustration is not part of the design sought to be patented.
