[57] **CLAIM**

The ornamental design for a drawer having compost and dry storage receptacles, as shown and described.

**DESCRIPTION**

FIG. 1 is a top, front and left side perspective view of a compost and dry material storage enclosure apparatus of the present invention;

FIG. 2 is a top plan view of the compost and dry material storage enclosure apparatus of the present invention on a reduced scale;

FIG. 3 is a left side elevation view of FIG. 2, the right side view being a mirror image;

FIG. 4 is a front elevational view of the compost and dry material storage enclosure apparatus of FIG. 2 of the present invention;

FIG. 5 is a rear elevational view of the compost and dry material storage enclosure apparatus of FIG. 2 of the present invention; and,

FIG. 6 is a bottom plan view of the compost and dry material storage enclosure apparatus of FIG. 2 of the present invention.

The broken line disclosure shown in FIGS. 1, 2, 3, 5, and 6 is for illustrative purposes only and forms no part of the claimed design.

**1 Claim, 1 Drawing Sheet**
