[57] **CLAIM**

The ornamental design for a whirlpool bathtub, as shown and described.

DESCRIPTION

FIG. 1 is a top view of the first embodiment of a bathtub according to the present invention;

FIG. 2 is a partial front view of the bathtub of FIG. 1 looking straight at the front of the bathtub and slightly downward and illustrating a design feature of the bathtub according to the first embodiment;

FIG. 3 is a perspective view of the bathtub according to the first embodiment, looking at the bathtub from the top left side thereof, and including a removable headrest;

FIG. 4 is a partial perspective view of the right end of the bathtub of the first embodiment, seen from the top left side thereof;

FIG. 5 is a front view of the bathtub according to the present invention, with the headrest illustrated on the right hand side in FIG. 4 now illustrated on the left hand side, noting that the head rest is removable;

FIG. 6 is a right end view of the bathtub according to the first embodiment;

FIG. 7 is a top view of a second embodiment of the bathtub design according to the present invention;

FIG. 8 is a perspective view of the bathtub of the second embodiment taken from the top right side thereof;

FIG. 9 is a front view of the bathtub according to the second embodiment; and,

FIG. 10 is a right hand end view of the bathtub according to the second embodiment.

The broken line showing is for illustrative purposes only and forms no part of the claimed design.
