[57] **CLAIM**

The ornamental design for a candle lantern, as shown and described.

### DESCRIPTION

FIG. 1 is a perspective view of the candle lantern in which the tubular body is illustrated by straight-line shading as translucent;

FIG. 2 is a left side, right side, front or back elevation view of the candle lantern, the views being identical;

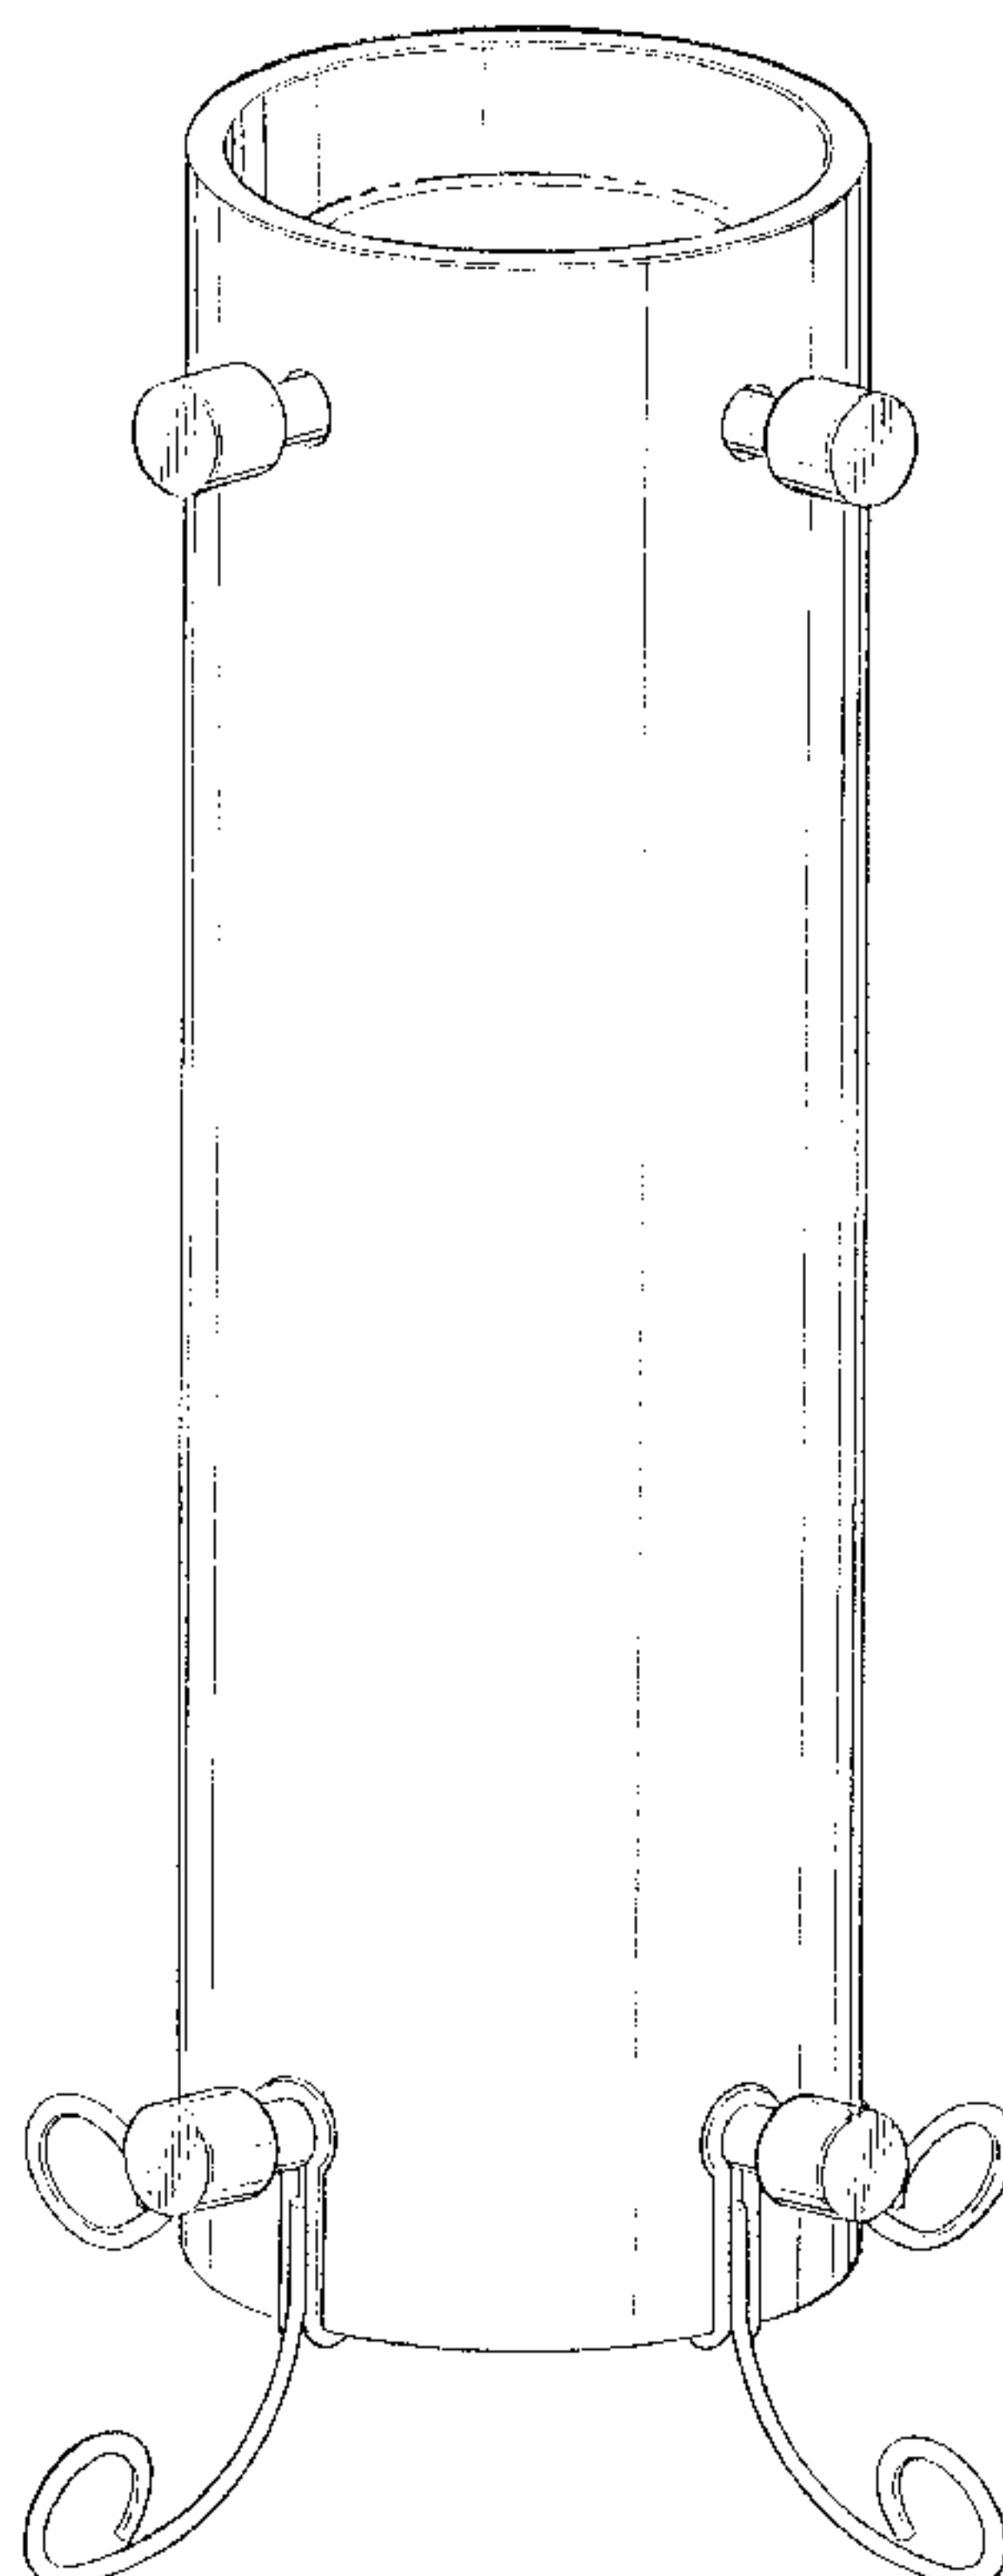

FIG. 3 is a top plan view of the candle lantern;

FIG. 4 is a bottom plan view of the candle lantern; and,

FIG. 5 is a perspective view of an alternate embodiment of the candle lantern of FIGS. 1-4, identical except that the tubular body is illustrated by diagonal shading as transparent.

The broken line showing is for illustrative purposes only and forms no part of the claimed design.
