[57] **CLAIM**

The ornamental design for a portable stolen vehicle prevention and locater with information gathering system, as shown and described.

DESCRIPTION

FIG. 1 is a front plan view of the portable stolen vehicle prevention and locater with information gathering system of the present invention, with the broken line showing for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is a back plan view of the portable stolen vehicle prevention and locater with information gathering system of FIG. 1;

FIG. 3 is a left side plan view of the portable stolen vehicle prevention and locater with information gathering system of FIG. 1;

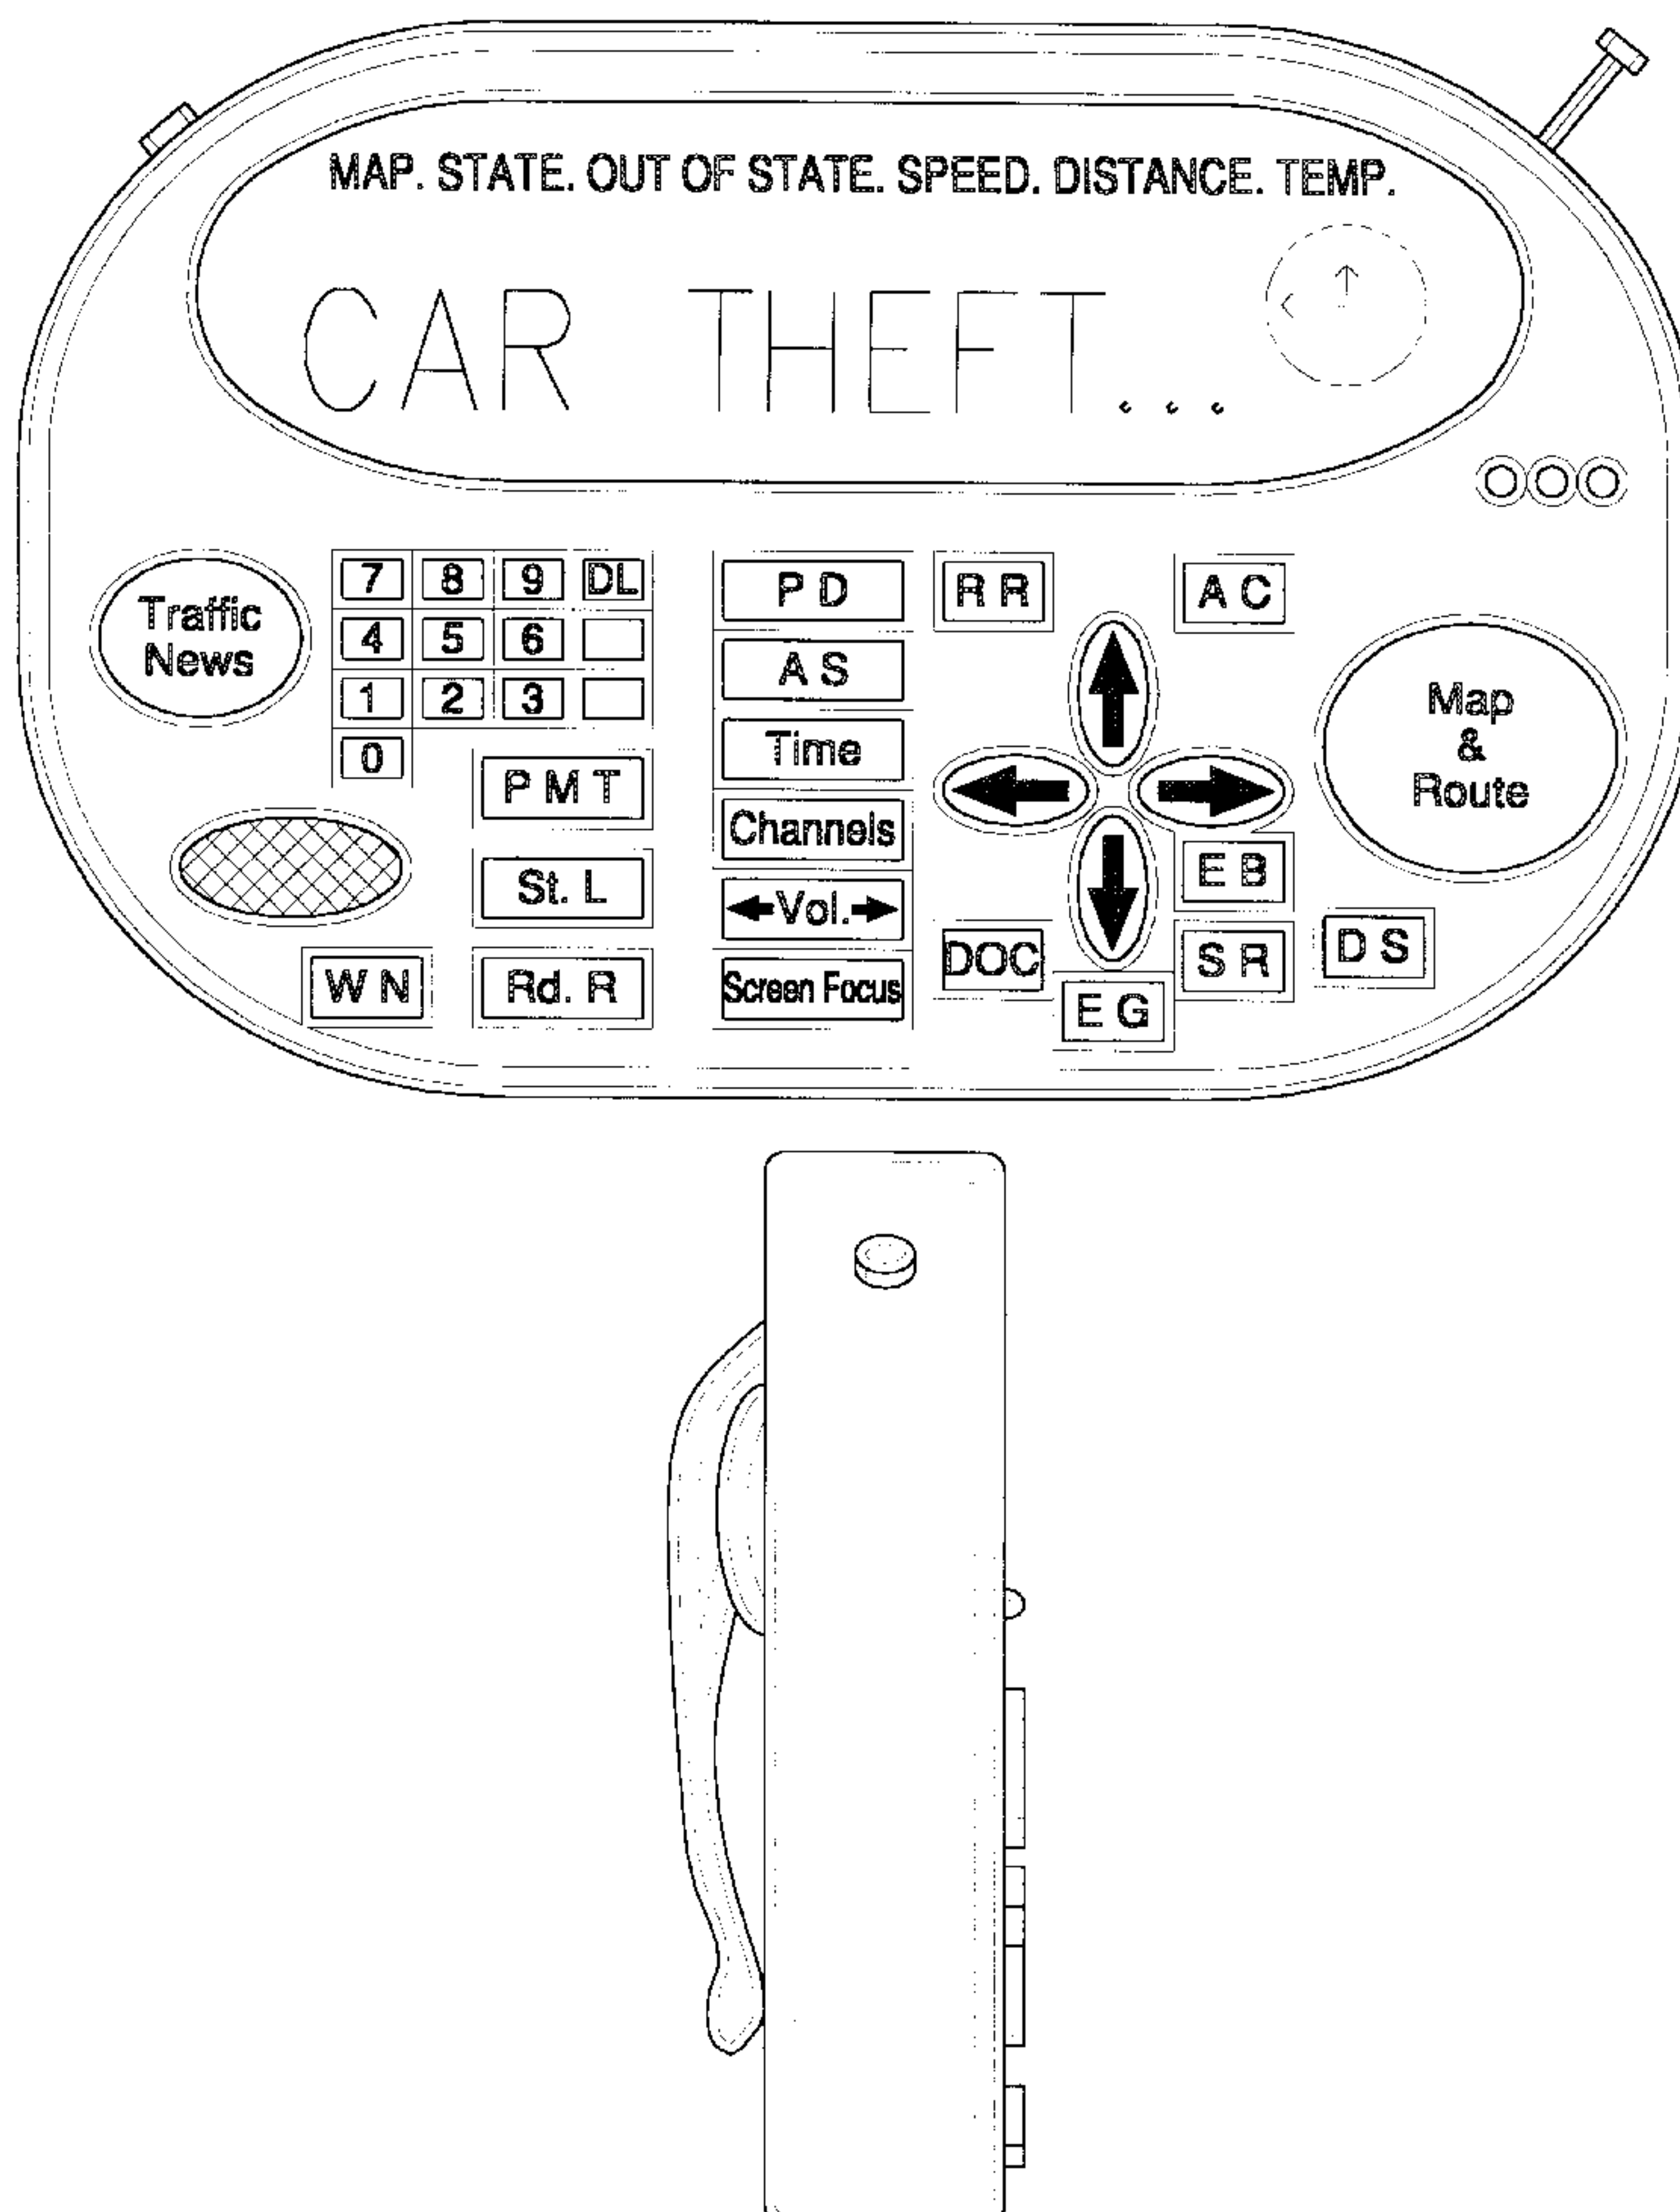

Fig. 4 is a right side plan view of the portable stolen vehicle prevention and locater with information gathering system of FIG. 1;

FIG. 5 is a top plan view of the portable stolen vehicle prevention and locater with information gathering system of FIG. 1; and,

FIG. 6 is a bottom plan view of the portable stolen vehicle prevention and locater with information gathering system of FIG. 1.
