[57] **CLAIM**

The ornamental design for a “eyeglasses for shotgun shooters,” as shown and described.

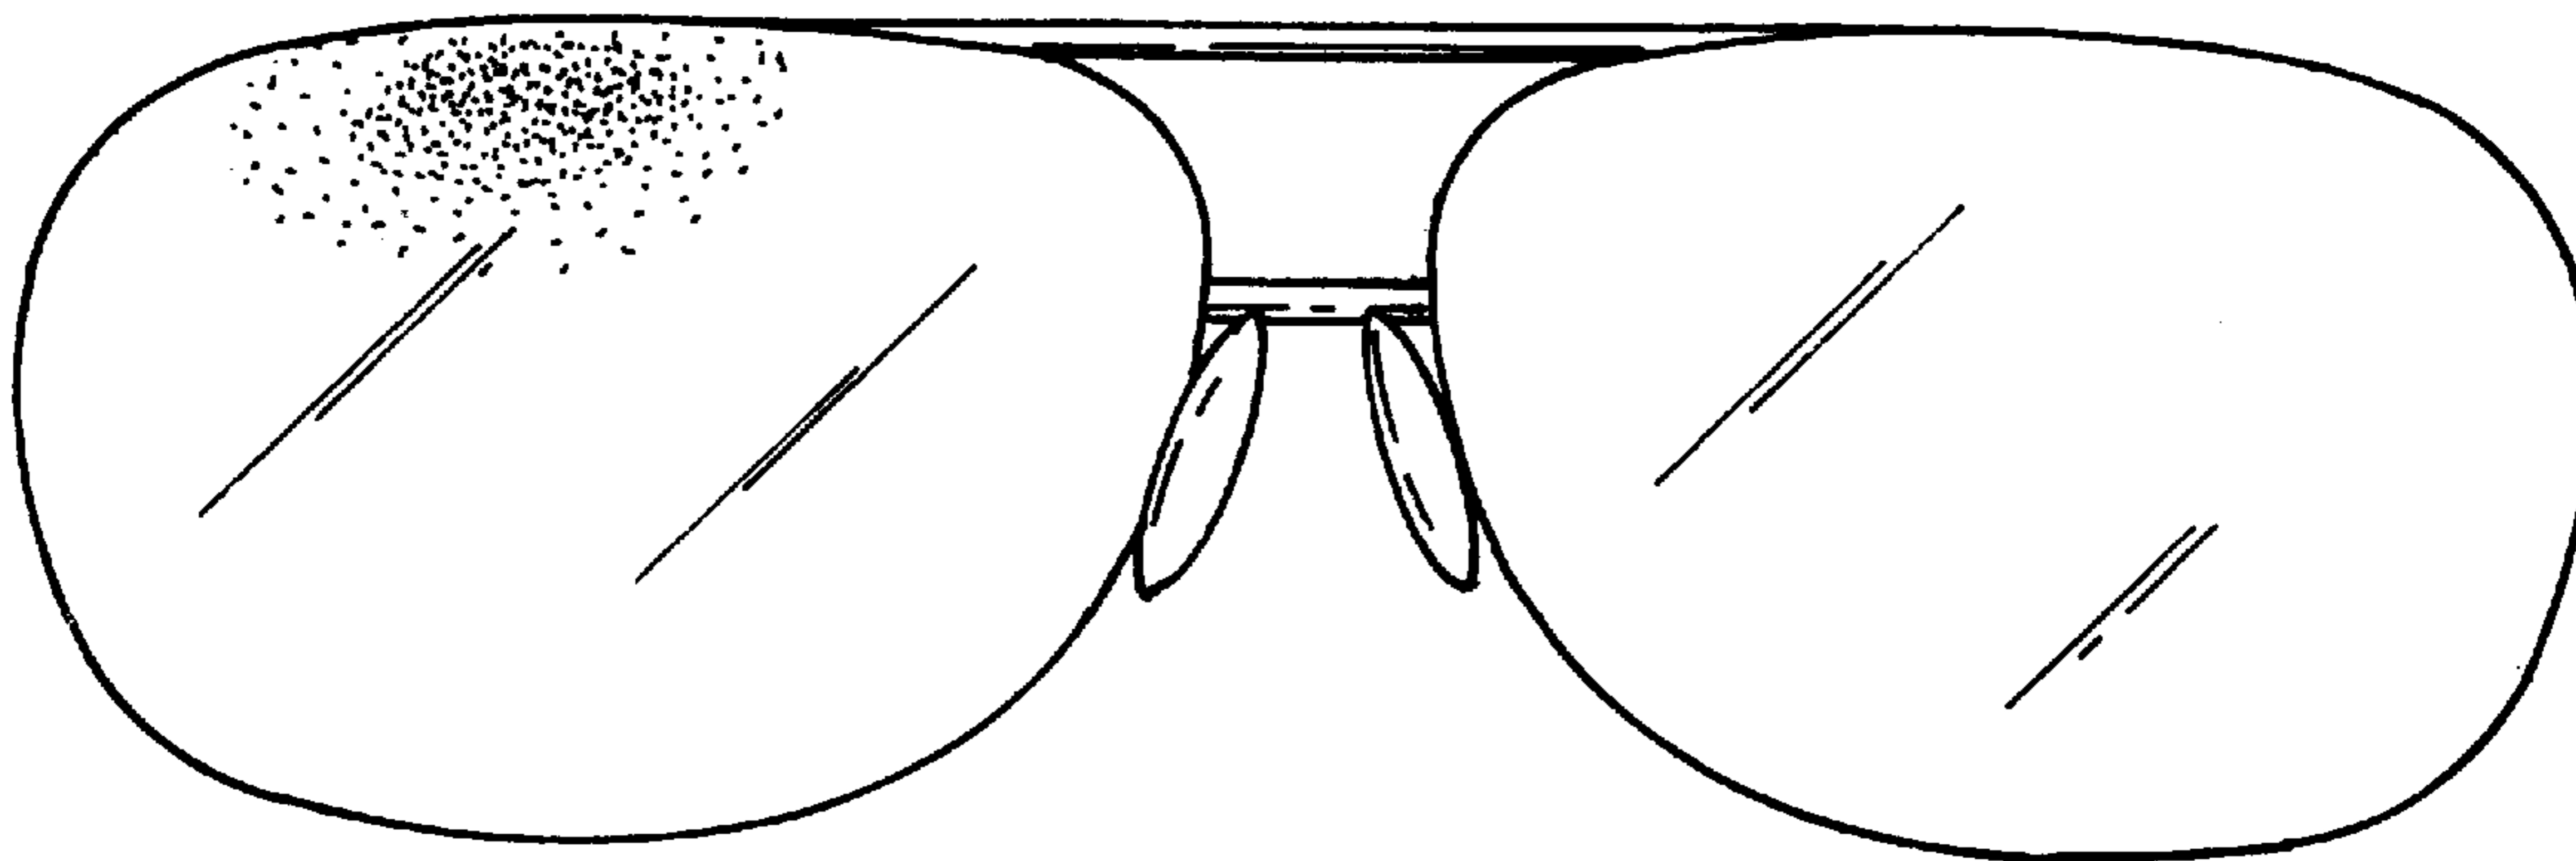

DESCRIPTION

FIG. 1 of a “eyeglasses for shotgun shooters” is a rear view of a preferred embodiment of special shooting glasses in which the left lens has a portion with reduced light transmission for a non-aiming left eye;

FIG. 2 is a rear view of another preferred embodiment of special shooting glasses in which the left lens has a portion with reduced light transmission for a non-aiming left eye; and,

FIG. 3 is a rear view of another embodiment of a lens with a portion with reduced light transmission, in which such lens is shown without the eyeglass frame for ease of illustration. The portions of the surfaces not shown or described of the eyeglasses for shotgun shooters forms no part of the claimed design.
