[57] CLAIM

The ornamental design for a compact disc holder, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the compact disc holder in full lines with a compact disc ready to be inserted into the holder shown in broken lines representing environmental association matter being for illustrative purposes only and forming no part of the claimed invention;

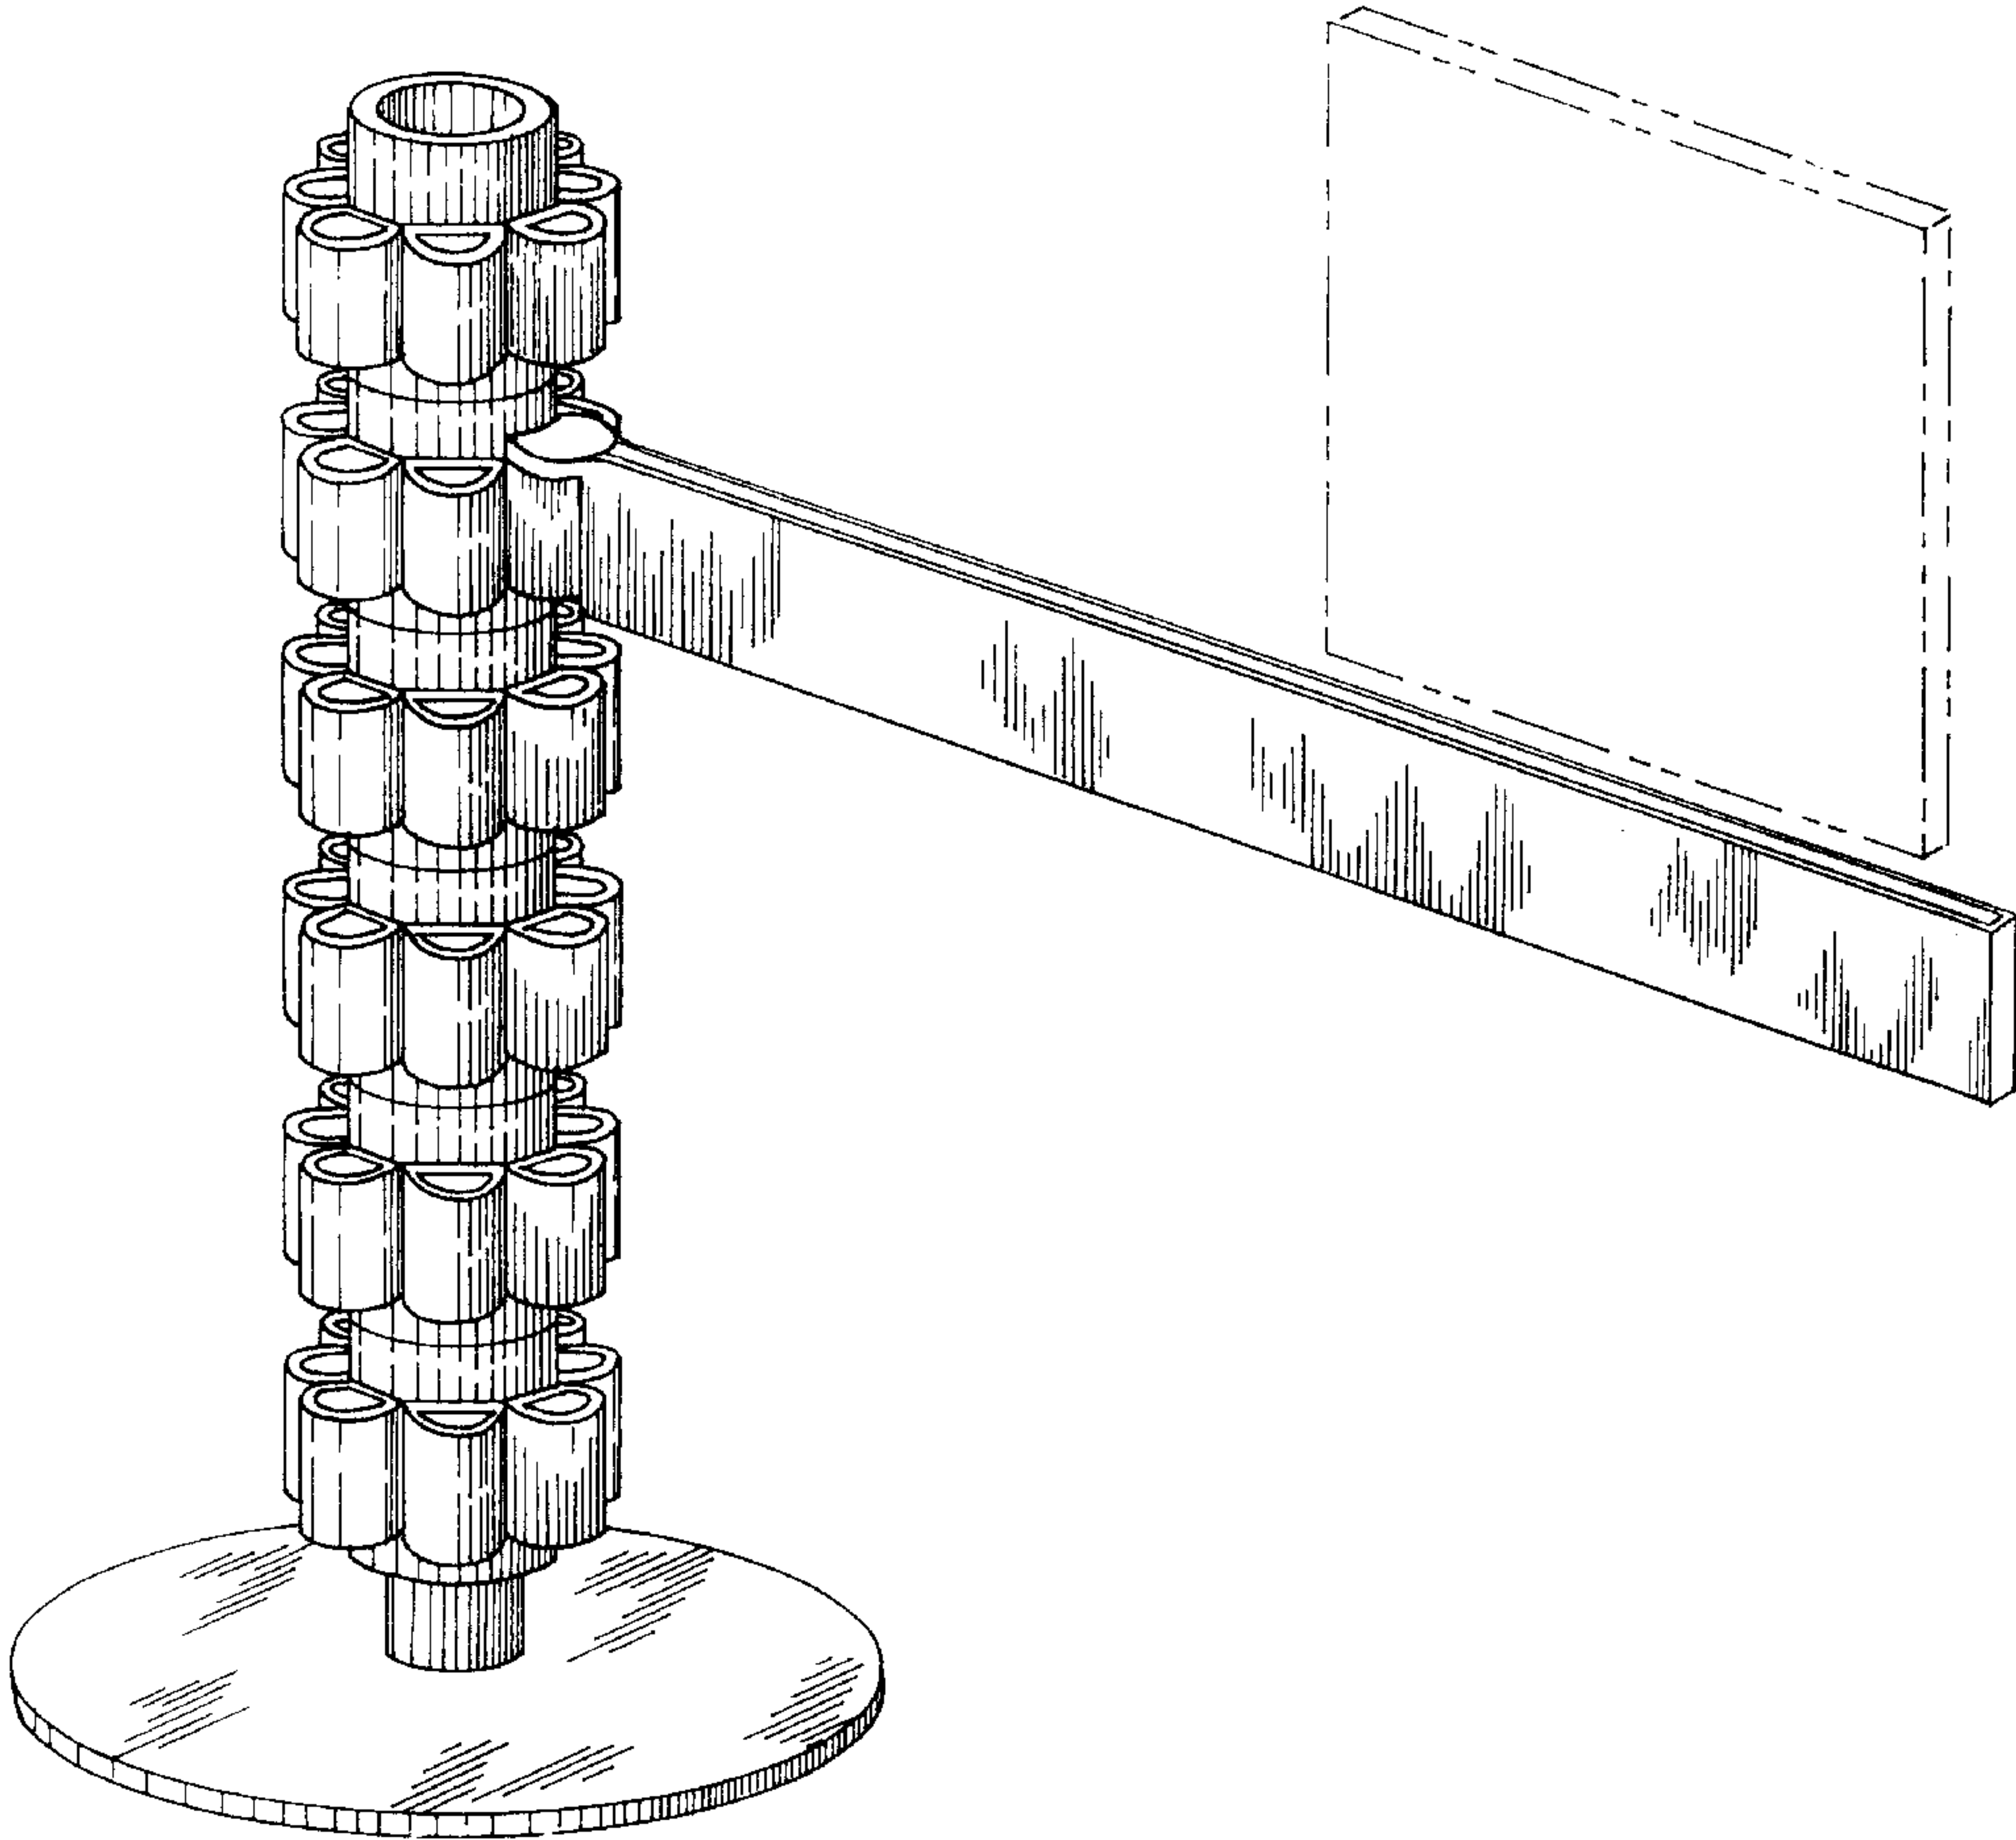

FIG. 2 is a front elevational view thereof, the rear elevational view being a mirror image of the front elevational view;

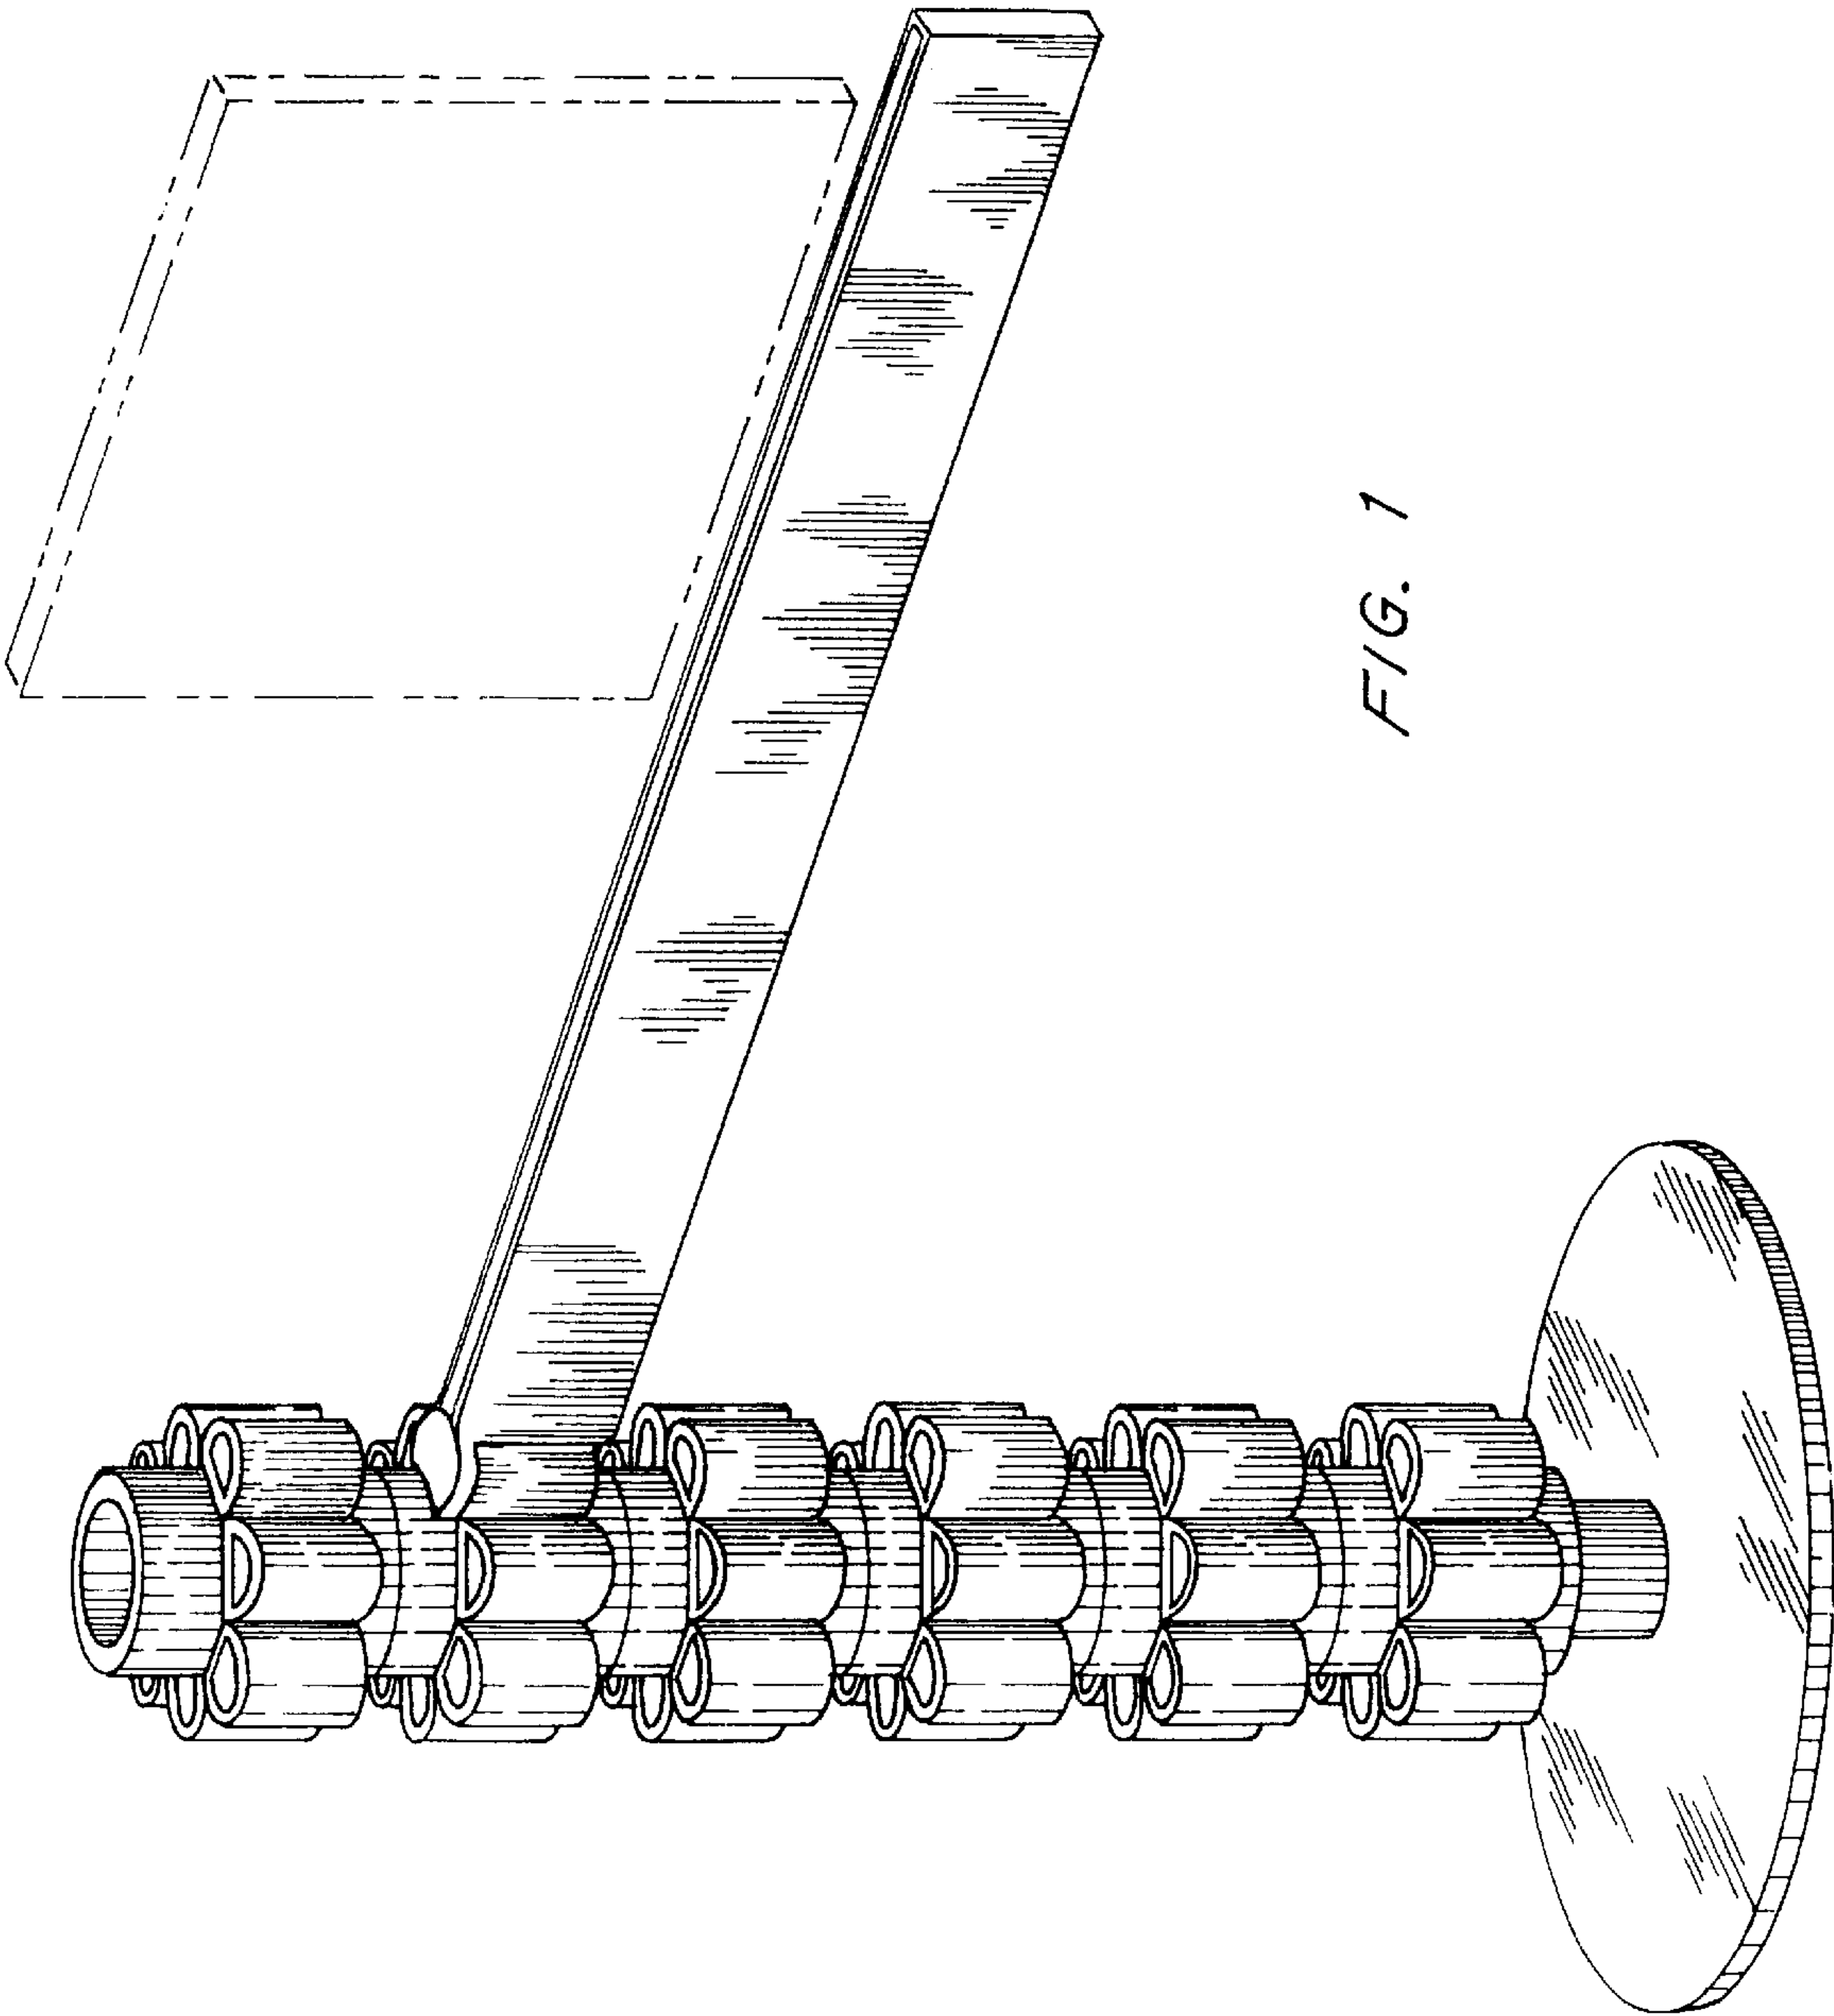

FIG. 3 is a bottom plan view of the compact disc holder;

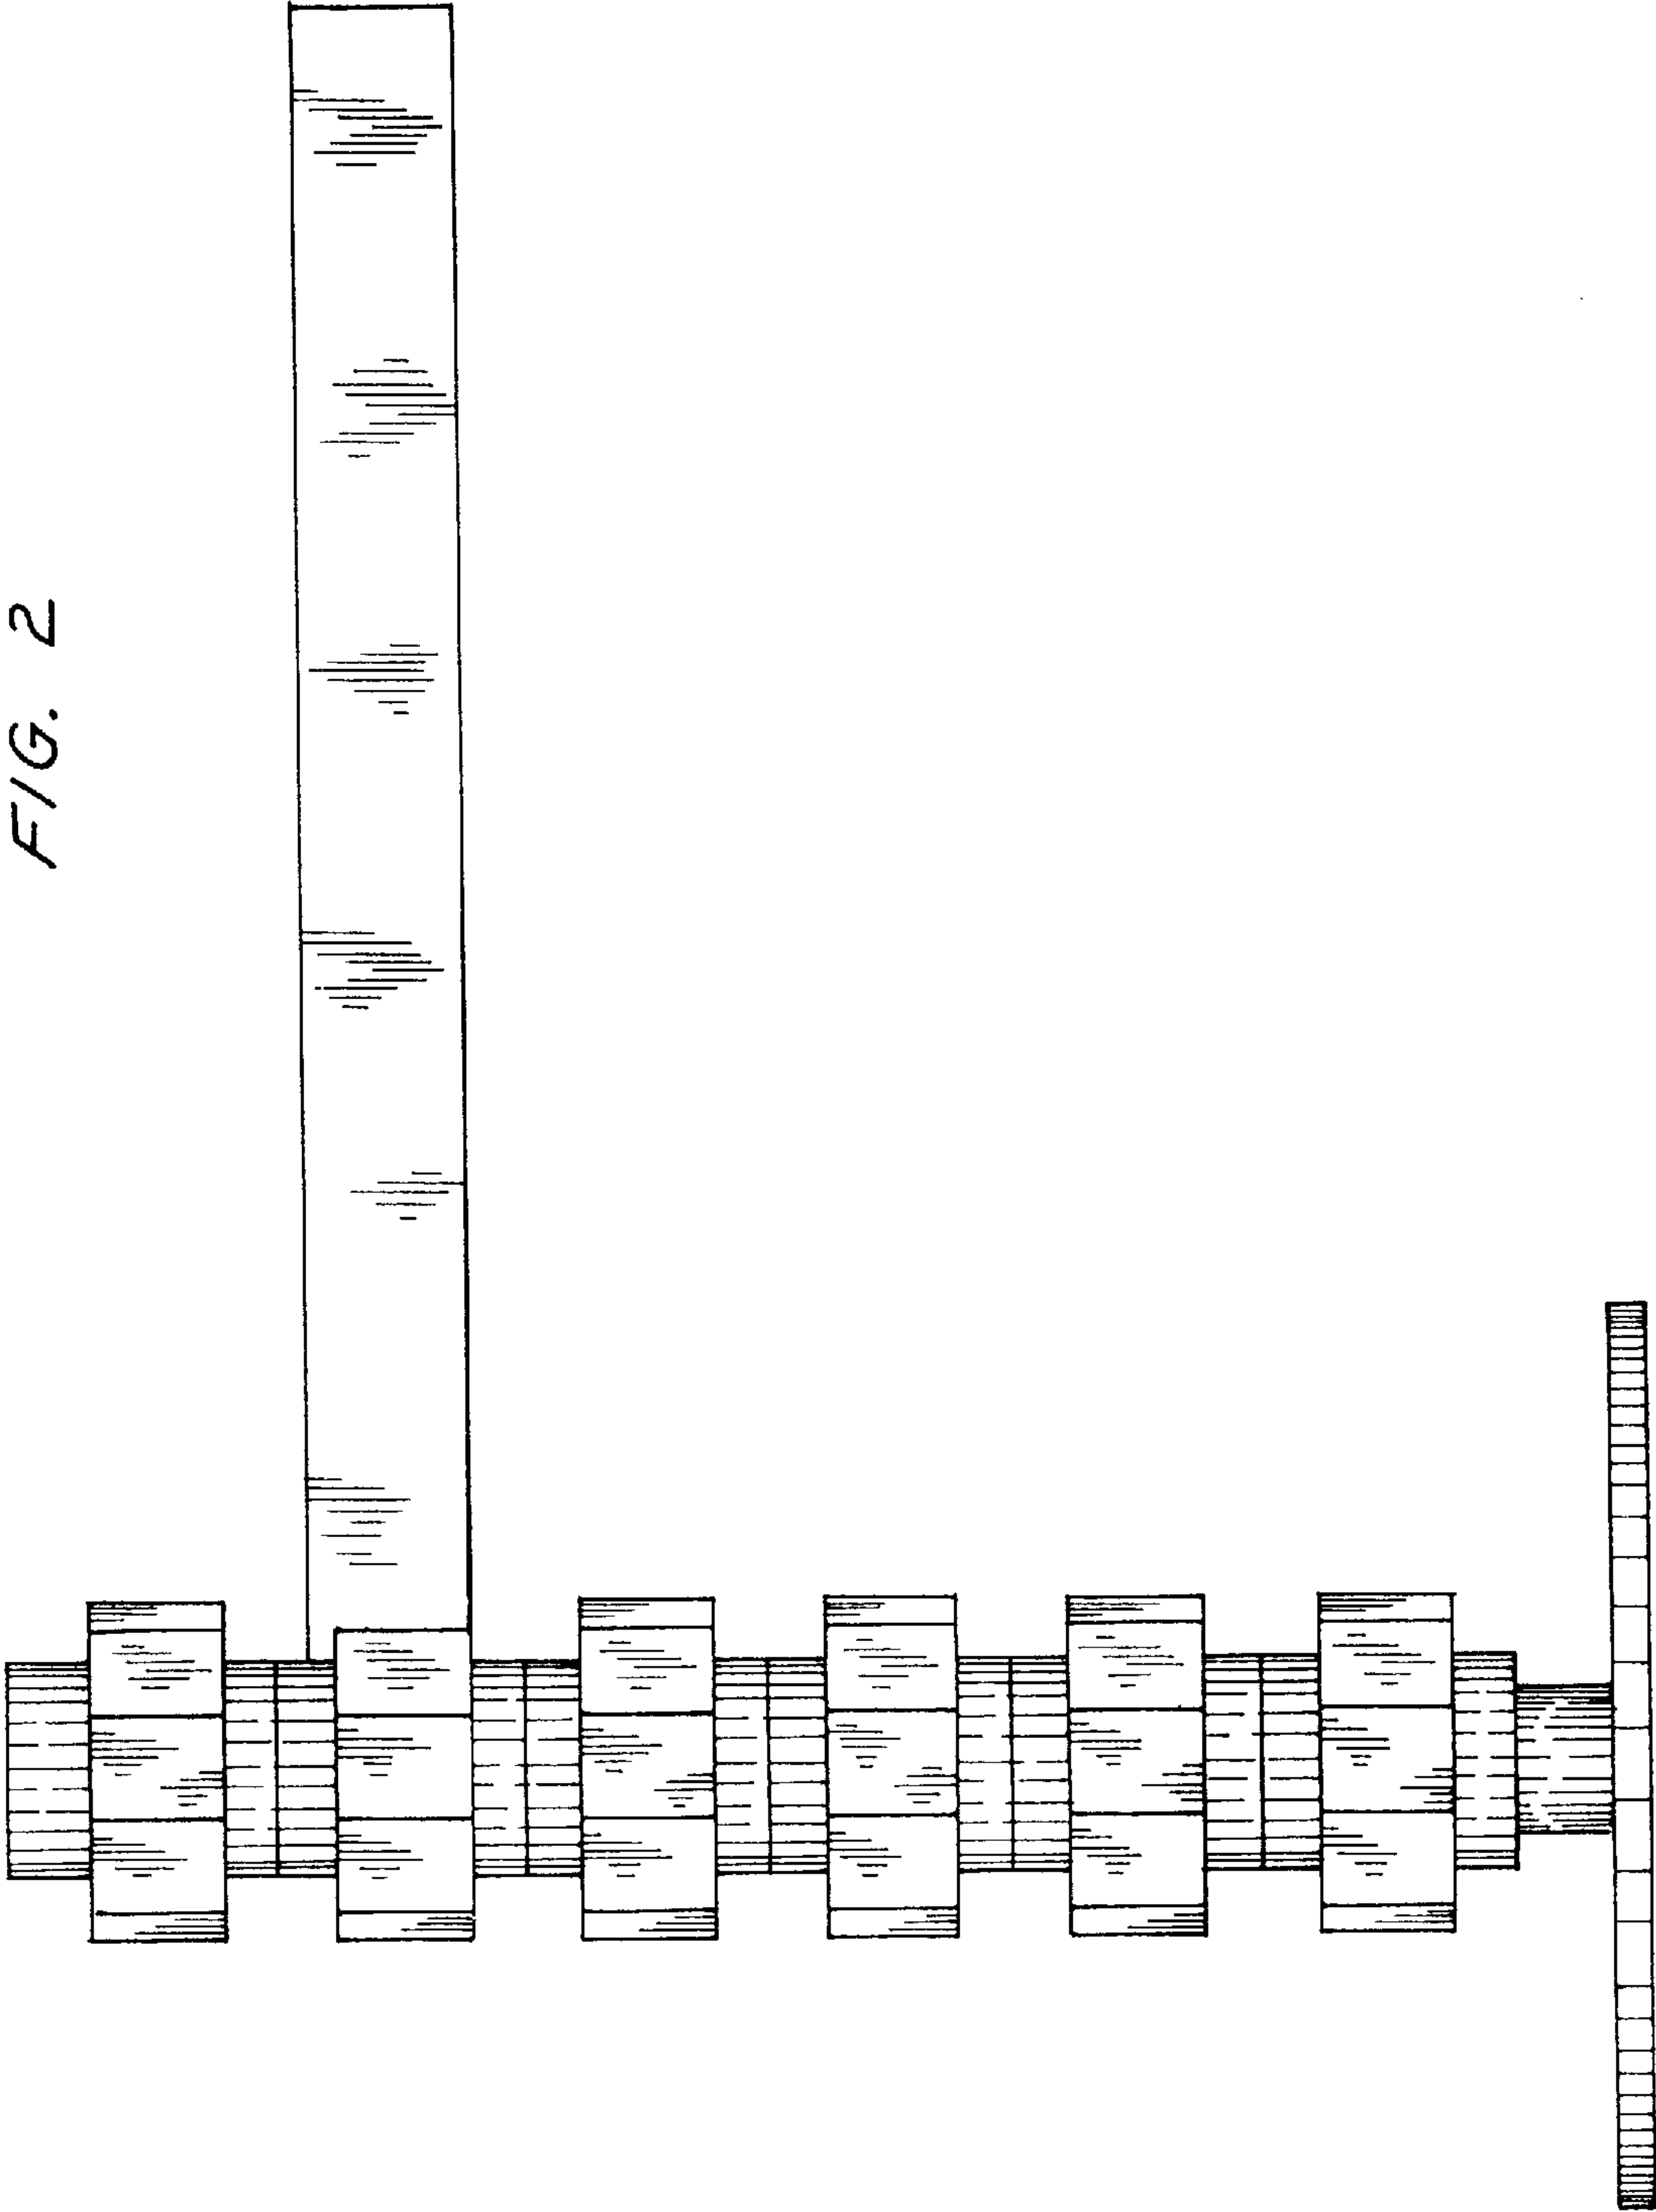

FIG. 4 is a top plan view thereof; and,

FIG. 5 is a right side elevational view thereof, the left side being substantially a mirror image of the right side view.

1 Claim, 4 Drawing Sheets

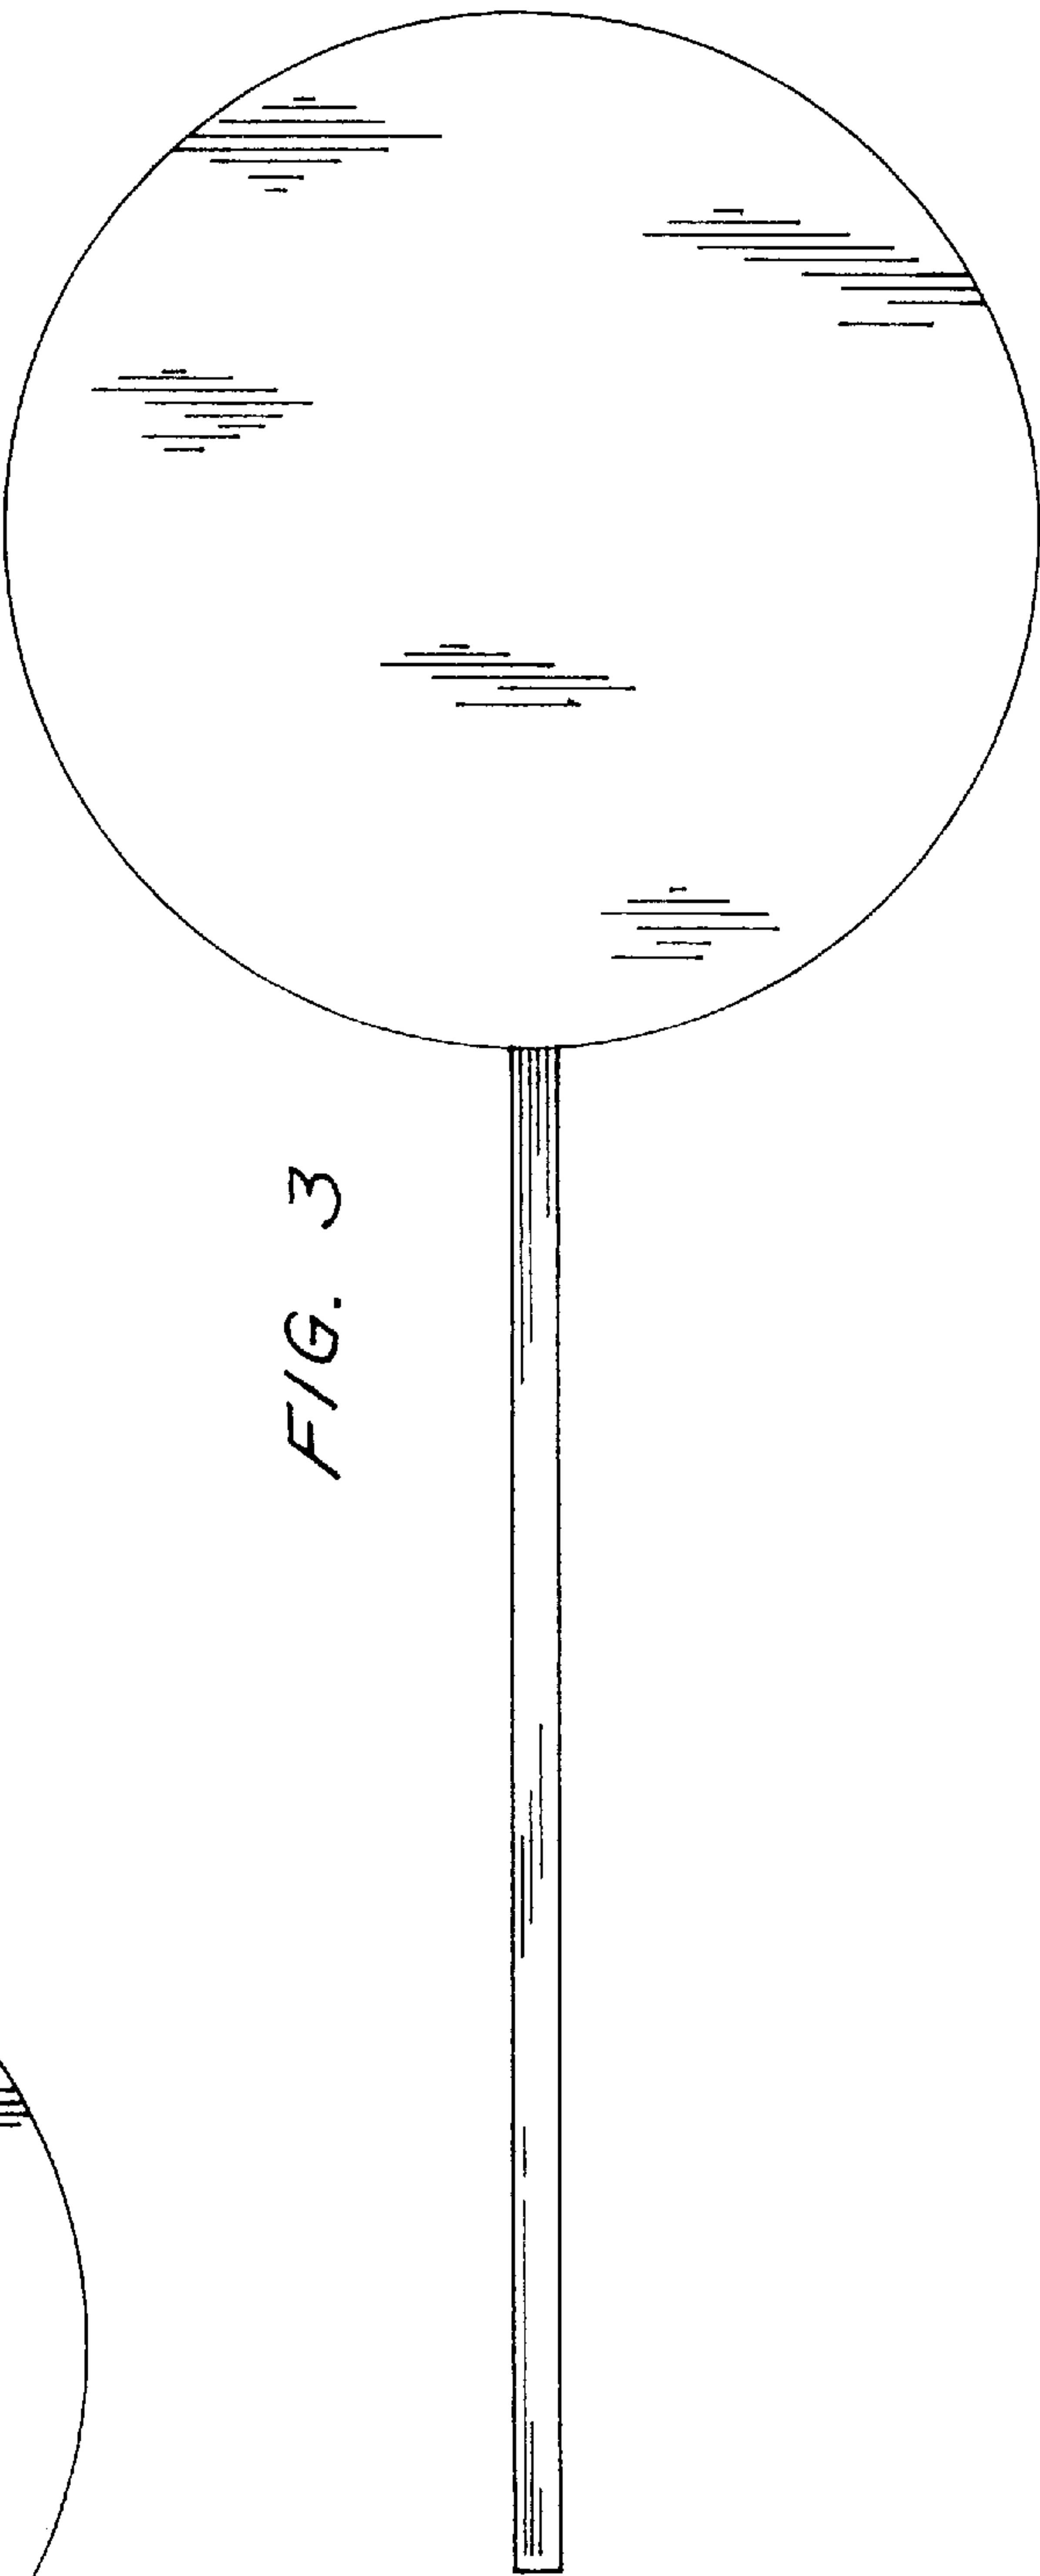

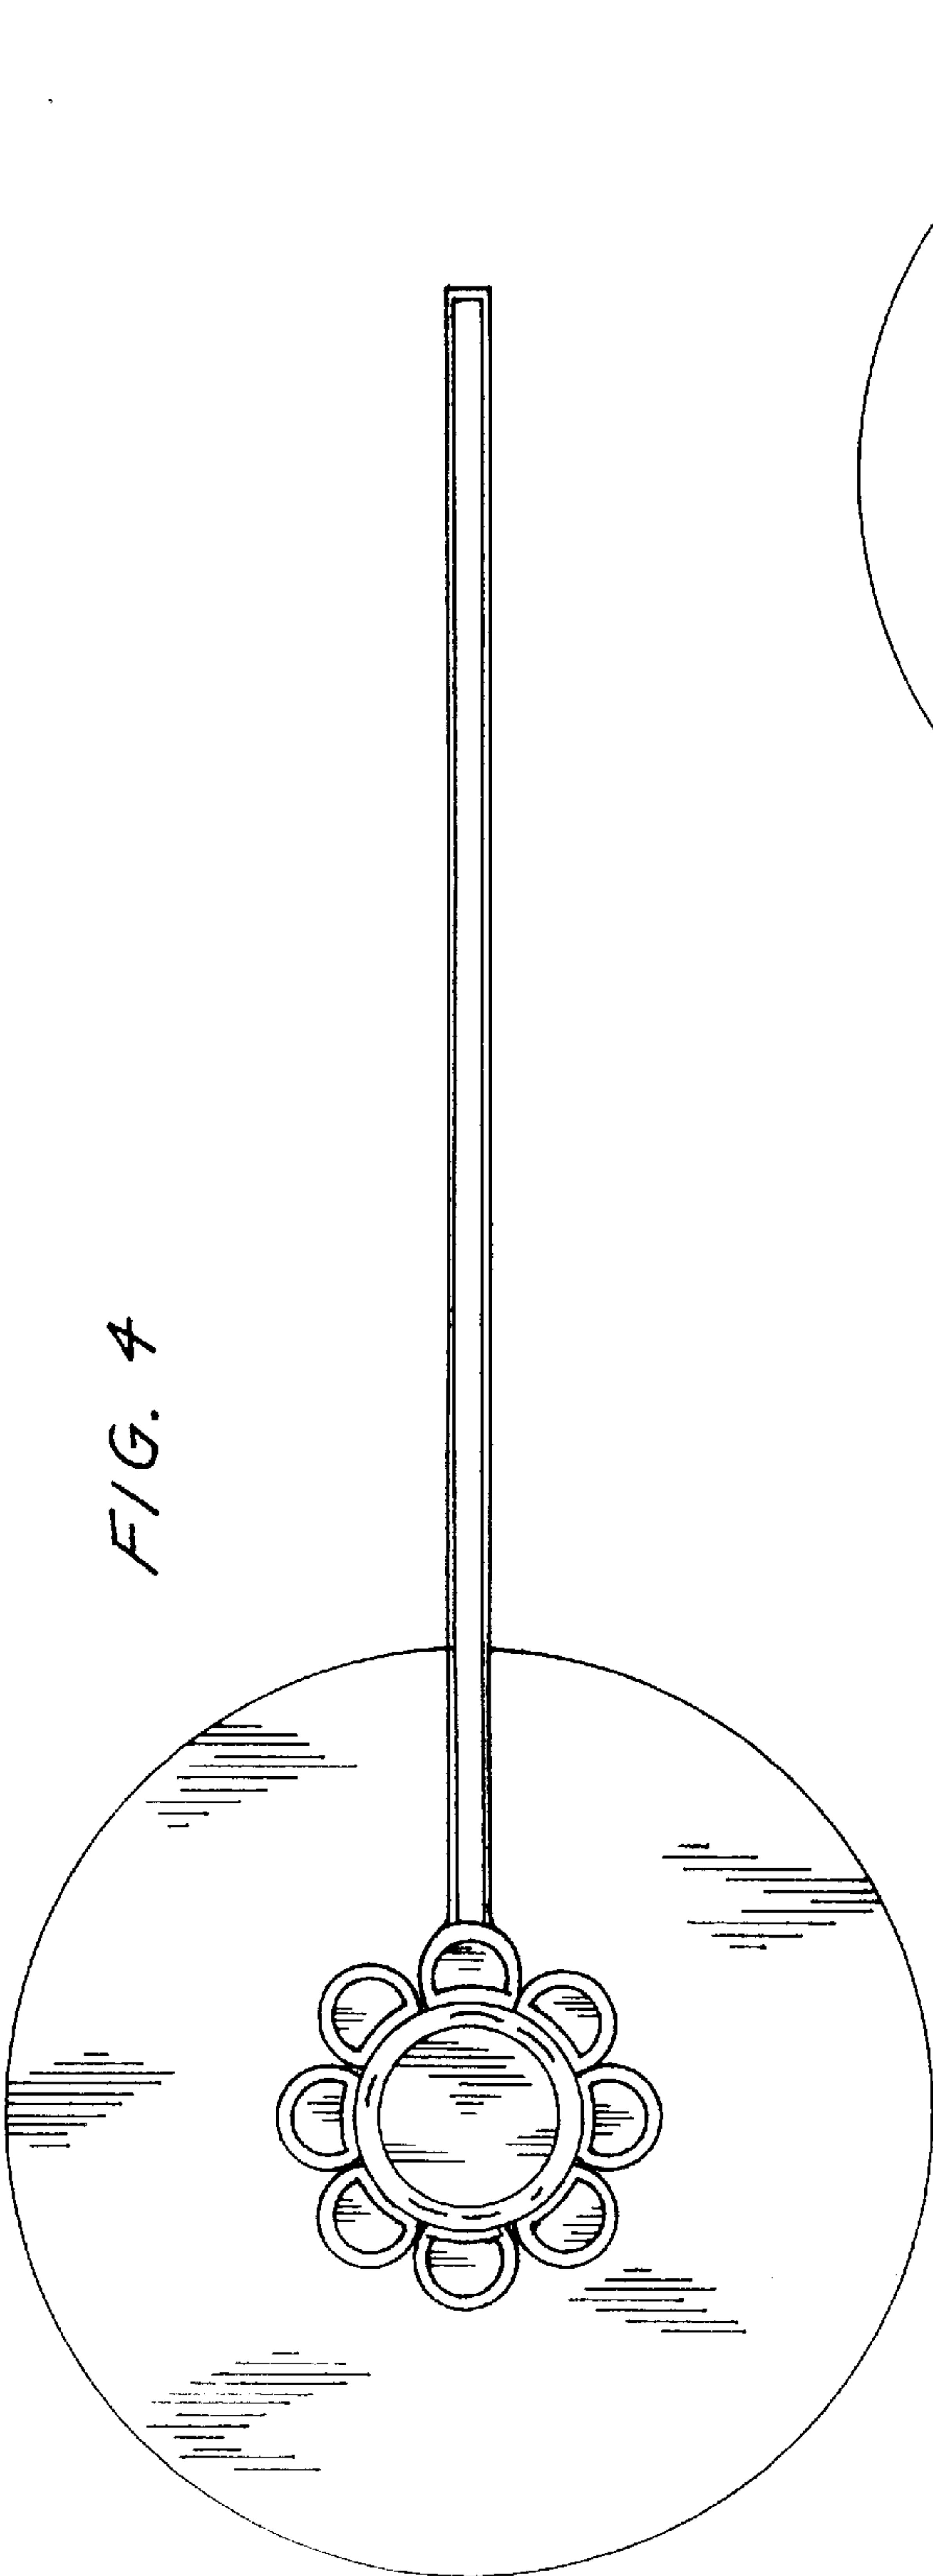

FIG. 5
