[57] **CLAIM**

We claim the ornamental design for a docking station for process control module, as shown.

**DESCRIPTION**

FIG. **1** is a top, front and right side perspective view of the docking station for process control module showing our new design;

FIG. **2** is a front elevational view thereof;

FIG. **3** is a rear elevational view thereof;

FIG. **4** is a bottom plan view thereof;

FIG. **5** is a top plan view thereof;

FIG. **6** is a right side elevational view thereof; and,

FIG. **7** is a left side elevational view thereof.
