[57] **CLAIM**

The ornamental design for the pager phone with removable clip, as shown and described.

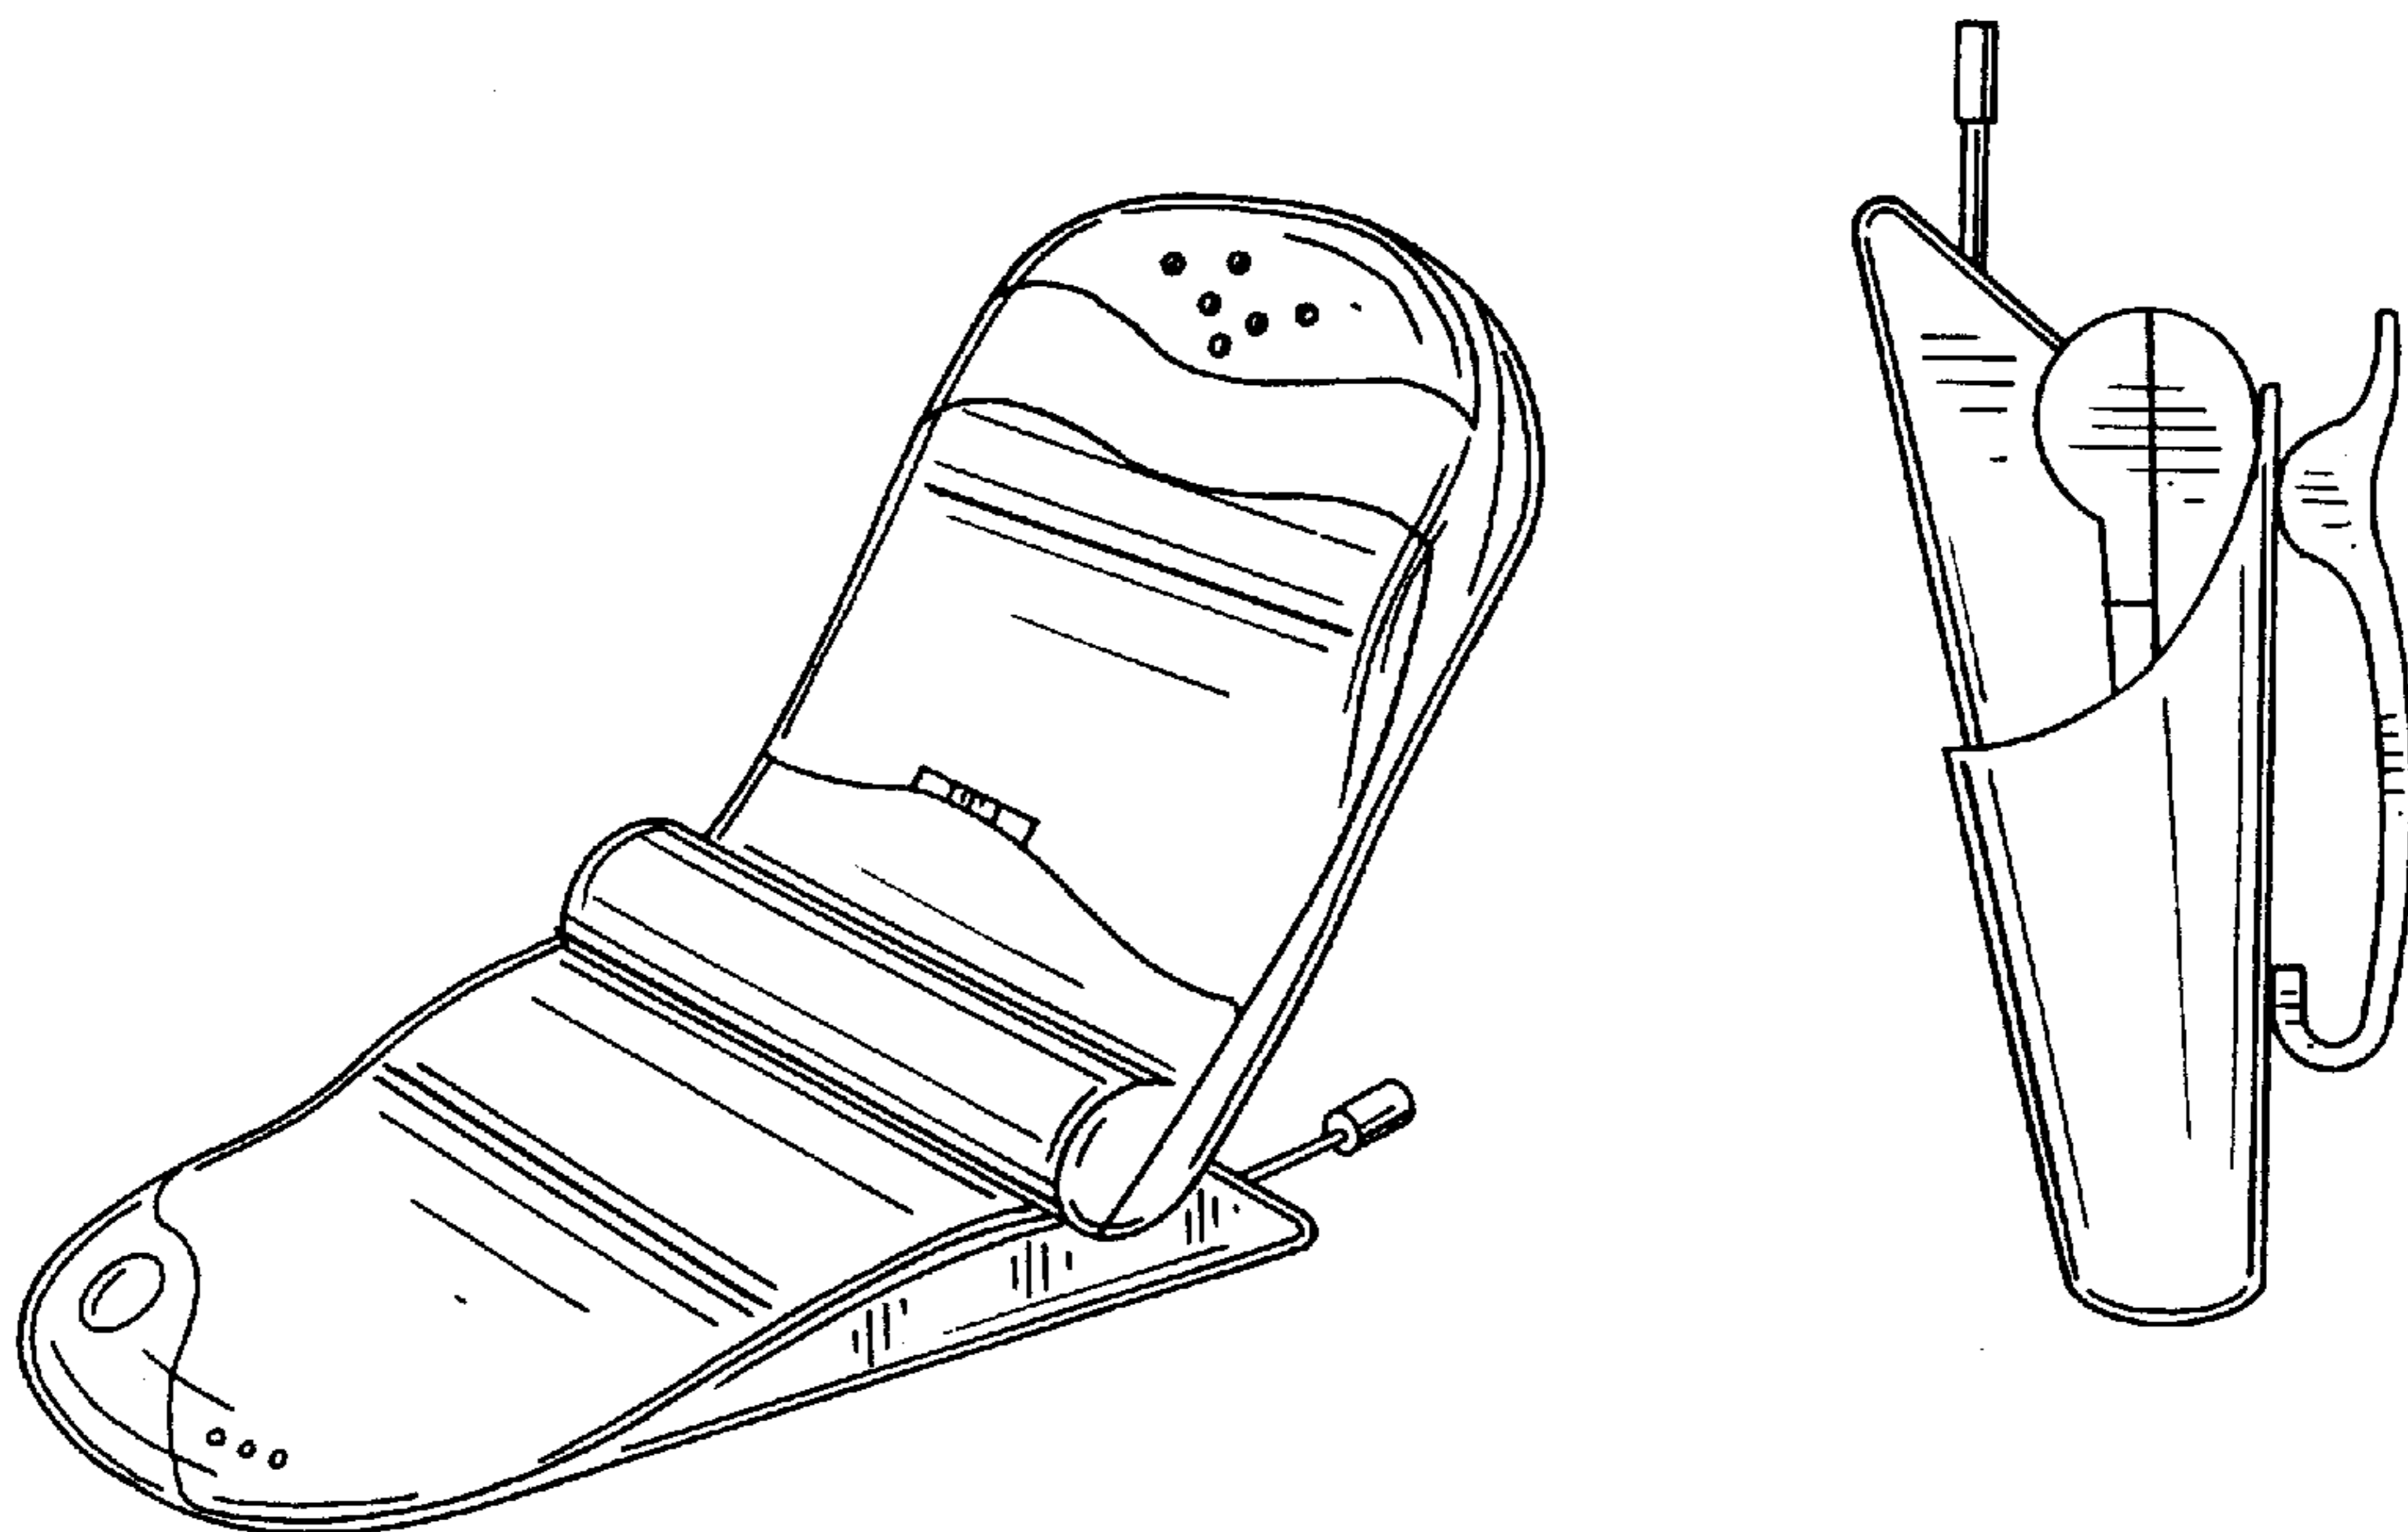

DESCRIPTION

FIG. 1 is a perspective view of the pager phone with removable clip showing my new design;
FIG. 2 is a side elevational view showing the pager phone in the collapsed position contained within the removable clip assembly;

FIG. 3 is a top plan view thereof;
FIG. 4 is a bottom plan view thereof;
FIG. 5 is a front elevational view thereof; and,
FIG. 6 is a rear elevational view thereof.

The pager phone has been shown in an open position, without the clip, in FIG. 1 for convenience of illustration. The portions of the claimed article not shown in the drawing are not considered to be a part of my claimed design.
