[57] CLAIM

The ornamental design for a boot for an in-line skate, as shown and described.

DESCRIPTION

FIG. 1 is a right side elevational view of a boot for an in-line skate, showing our new design;
FIG. 2 is a left side elevation view of the skate of FIG. 1, with the broken line showing of a skate frame and wheels being provided for illustrative purposes only and forming no part of the claimed design;
FIG. 3 is a front elevational view thereof;
FIG. 4 is a rear elevational view thereof;
FIG. 5 is a top plan view thereof; and,
FIG. 6 is a bottom plan view thereof.
