[57] **CLAIM**

The ornamental design for a toothbrush having an indicator, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a toothbrush having an indicator showing our new design;
FIG. 2 is a perspective view thereof showing the indicator in an alternate configuration;
FIG. 3 is a perspective view thereof showing the indicator in a second alternate configuration;
FIG. 4 is a perspective view thereof showing the indicator in a third alternate configuration; and,
FIG. 5 is a perspective view thereof showing the indicator in a fourth alternate configuration.
The top, front end, and right side of the toothbrush form no part of the claimed design.
