[57] **CLAIM**
The ornamental design for a golf club cover, as shown and described.

DESCRIPTION
FIG. 1 is an front, right perspective view of a golf club cover in accordance with my new design;
FIG. 2 is a bottom front perspective view thereof, the right side being substantially a mirror image thereof;
FIG. 3 is a right side elevational thereof; and,
FIG. 4 is a rear elevational view thereof.
The broken line showing is for illustrative purposes only and forms no part of the claimed design.
The characteristic feature of the design resides in that the design is in the shape of an “ivy” style cap having a knitted “neck” portion connected thereto and extending downwardly therefrom when positioned over a golf club.
The jagged edge on the bottom of the neck or sock portion is to indicate indeterminate length.
