[57] **CLAIM**

The ornamental design for a vertical mirror, as shown and described.

DESCRIPTION

FIG. 1 is a frontal perspective view of a vertical mirror showing our new design, it being understood that the back is plain and does not form a part of the claimed design; FIG. 2 is a right side view thereof, it being understood that the opposite side is the mirror image of the side shown; and, FIG. 3 is a top view thereof, it being understood that the bottom side is plain and does not form a part of the claimed design.
